1991 Dedication

WITH HONOR
The 1991 Annual of the
THREE FORKS BAPTIST ASSOCIATION
is dedicated to

REVEREND JAMES C. JONES, JR.

Before coming to our Association in 1973 as pastor of Greenway Baptist Church, Rev. J.C. Jones, Jr. had pastored three other churches in our state and one in Florida. Upon his arrival in our area, he immediately became involved in the work of the Association. He served on many committees and in other places of leadership and always encouraged his people to take an active role in the work; supporting it with prayer and giving. Due to ill health, Rev. Jones resigned his pastorate at Greenway in 1985 and was unable to be active for several years. We are so grateful that his health has improved and he is able to be active in the gospel ministry again. He has served as supply pastor for several churches in our association and is currently serving as interim pastor at Middle Fork Baptist Church.

Rev. Jones, affectionately known as "Jay", has won the love, respect, and admiration of the pastors and people in our churches, as well as the town and country. He has always inspired each of us to do greater things for our Lord. Our prayer is that God will give him many more years to work among us. With love and deep appreciation, we wish to honor Rev. J.C. Jones, Jr. by dedicating this Annual to him.

Rutherwood Baptist Church

The Rutherwood Community had no Baptist church in 1924. There was, however, a Methodist church which served a large area. During the Civil War it divided over the issues of the day and a small Brown's Chapel Church was erected about one mile from the present Rutherwood Church. In March, 1925, during a severe storm, this building was blown from its pillars and was never rebuilt. The Methodist Church closed its doors the following year - 1926 - and that left the community without a place to worship for 12 years. Because of the Great Depression, it seemed impossible to build anything but a great need existed. In the 1930's, the community orgainized a Sunday School and elected Mrs. Addie Clawson to serve as Superintendent. This Sunday School had no literature because there was no money to purchase it. The first study material was the Bible and then familiar hymns were added to the Sunday evening service. A neighboring church gave the first quarterly of the International Unified Lessons which was used. As time progressed, ministers of several faiths attended the services and occasionally they held revivals for the community. The need was great and the interest was growing. On November 17, 1938, Rev. J.C. Canipe, A.B. Church, W.J. Cook, R.C. Eggers, W.C. Greene, Levi Greene, Raymond Hendrix, E.C. Hodges, Grady Minton, Vilas Minton, and Carl Triplett formed a presbytery for the purose of constituting a church. Rev. R.C. Eggers was elected moderator and W.C. Greene served as clerk. Charter members came from Laurel Springs, Mount Vernon and Three Forks Church and include Baxter Baird, Claude Bodenheimer, Earle Bodenheimer, Furman Brown, Lawrence Brown, Quinton Carlton, Walter Carroll, Fancy Carroll, Greene Carroll, Perry Carroll, Addie Clawson, Nannie Cook, Edsel Cook, Larkin Greer, Rhoda Greer, Myrtle Hardin, Beulah Hodges, Ralph Hodges, Charles Michael, Fred Michael, Janta Michael,

Dallas Richardson, Claude Smathers, Tom Smathers, Ruth Smathers, Joe Triplett and Frank Watson, "Being convened at Rutherwood School house and the above named memebers producing letters which certify that they were let off by the above named Baptist churches for the purpose of organizing and constituting themselves into a Baptist Church. And on examination finding them Orthodox in the faith we have proceeded through the help of God to constitute this church, with full authority to act and transact business in the house of God. This done the 17th day of November, 1938." November 17, 1938 records that "After being declared a regular constituted church by the Presbytery moved and seconded that this body be known as Rutherwood Missionary Baptist Church." The church covenant was adopted and Mrs. Addie Clawson was elected to serve as its first clerk. Ruth Bodenheimer was the first member to come to the new body by letter and Spencer Brown was the first candidate for baptism. W.J. Cook was elected to serve as pastor and was to be paid by free-will offerings. It is interesting to note that his salary was $1,009.82 for 5 and 1/2 years of service. The first deacons were David Michael, W.C. Carroll and Spencer Brown.

At this time, the meeting place had been in Rutherwood school house. On August 29, 1939 Rutherwood joined the Three Forks Association and has remained a faithful member since. The first church letter records a Sunday School enrollment of 120 and average attendance of 110. The first building was a wooden structure which was built in 1939 on land deeded by John W. Hodges and Eller McNeil and was valued at $2,500.00. The first minute books cost $2.50. The first baptismal service was held on December 18, 1938 when 5 converts were baptized.

Many of the area churches have shared with Rutherwood in those early years. Three Forks Church donated seats for the new building. Mt. Vernon gave curtains. The members donated both materials and labor as well as raised funds. A bell for the steeple was donated by Noah Earp and pulpit chairs were donated by Mr. and Mrs. George Greer. Oscar Cook made seats for the house at $9.00 per seat. The dedication service for this new building was held on November 17, 1940 with Rev. R.C. Eggers delivering the message.

The first member lost by death was Larkin Greer on June 29, 1940. The first letter of dismission was granted on July 20, 1940. The first salary for the janitor was $1.50 per month. The first person to be licensed to preach was Willet Moretz on April 19, 1941. The first insurance policy was purchased on November 15, 1941 in the amount of $2,000.00. It is noted that the first withdrawal of fellowship was on May 18, 1946 and another soon followed for "neglect" and the church was asked to pray for the member. It is interesting to note that on November 15, 1941 it was announced that wood was needed for the church stove. On January 16, 1943 the pastor reminded the church that the treasury needed replenishing.

The congregation of Rutherwood Baptist Church has always been mission minded, whether it be at home or abroad. As early as October 14, 1939 it is recorded that an offering was taken for Baptist Hospital in the amount of $9.30. Other mission contributions have included March of Dimes, Hebron Colony, paying of hospital or ambulance bills for needy neighbors, a ski trip for some students of Children's Home was sponsored, roof repairs were done for a widow, the Hospitality House in Boone received $500.00 to help the homeless, $100.00 was given to help with the pastor's schooling, Dr. Billy Graham's T.V. ministry received $100.00, the Armenians Relief Fund received $1,000.00, the National Guard Support Fund was given $400.00, a local aging minister had his home reroofed, the Sharing Jesus' Love #1 received $2,000.00, as well as other recorded mission contributions. This church knew its need from the beginning and has been continually willing to share with others.

It is interesting to note that the entire community has been interested in its youth and their spiritual welfare. In 1948 a young educator began his job as principal of the Rutherwood school. All went well in this fine community. One day an elderly gentleman stopped by the school and announced that the revival was beginning soon and he was expected to bring the boys and girls to attend the morning services. Upon asking the school committee chairman, he confirmed the request and further stated that if it were not complied with, the young man's name would be "mud" in that community. So, each morning during the revival, 10:45 found the school on its way to church. These grew up to be fine ladies and gentlemen.

Rutherwood Baptist Church has had a continuous building and expansion program. New seats were purchased in 1942 and in November, 1946, plans were made for rooms on the back of the church. It is interesting to note that families donated trees, sawed the lumber, and the labor was done by the members of the congregation. A cemetery was purchased along with additional land for improvements in 1945. February, 1953 saw the planning for more educational rooms, a basement with six rooms, restrooms, a heating plant, and a new roof. In 1955, the building was brick veneered, the auditorium remodeled, and a lighted steeple added. In 1966 land was purchased on which a pastor's home was built, and a baptistry and choir loft were added. Also more land was purchased for the cemetery as well as a parking lot. The year 1974 saw a two-story educational building erected and the sanctuary enlarged and remodeled.

The body felt that each member should be informed and in 1963 the *Biblical Recorder* for each family was placed in the budget. At present the church has a strong Sunday School, music department, Discipleship Training program, W.M.U., Brotherhood, as well as Youth Programs.

Through the years the pastors have included W.J. Cook, W.D. Ashley, Raymond Hendrix, Glenn Huffman, Herbert McCoy, Howard Cook, Stan Cabell, and James Early, who is presently serving. The membership of 28 has grown to 255 today. Fred Michael reported that the pastor's salary for the first year was $65.68, $2,000.00 was spent on buildings and repairs, a total of $12.20 was spent for literature for the Sunday School, other objects $4.13, Baptist Hospital $6.10 making a total of $2,088.01. The total budget today is $86,009.39. The Three Forks Association first met with this body in 1946, then 1959, 1968, 1975, and today, 1991.

As we look back upon this church's beginnings, truly, it can be said that they saw a need and met that need with God's guiding hand. Through His guidance, they have certainly experienced a true vision of tomorrow.

Cove Creek Baptist Church

"September ye first Saturday 1799" a meeting was held in which Brother Vanderpool handed in a petition which was granted for the constitution of the Cove Creek Baptist Church. According to the first covenant, we "do solemnly and voluntarily consent with one another to meet together on every Lord's Day as many as conveniently can to celebrate the worship of God and edify each other in the best manner we can." Charter members included Sarah Davis, Abraham Linvil, Susannah

Vanderpool, Catherine Linvil, Mathias Harmon, John Holtsclaw, another Sarah Davis, Phoebe Vanderpool, and George Davis. Abraham Vanderpool was elected to serve as the first Clerk. Meetings were held in the homes until 1805 when the first building was constructed. This was built on the land of Landrum Eggers. It was constructed of logs and stood on the creek near Sugar Grove where the cheese factory was later built, but was washed away during a flood. The second log structure was erected on a hill near the site of Walnut Grove Academy.

Cove Creek Church was organized into the Mountain Association but in 1841 with the organization of Three Forks Association, it became one of its charter members and has furnished many able leaders throughout the years.

Having been officially constituted September 13, 1799, dual pastors were called to serve in April, 1800 - Samuel Vanderpool and Samuel Pittman. However dual pastorates were rejected in 1879 when A.C. Farthing said there was no authority in the Bible for a church to have two pastors at the same time. Single pastorates have followed.

The first two buildings were made of logs. The first frame building was in 1846 and the second in 1881. In 1923 the first brick building was constructed and in 1966 the present structure was built on land deeded by Samuel Swift. It is interesting to note that the community school - Cove Creek Academy - opened its doors in the church building in October, 1865. In 1881 when a new building for worship was built, the older building was given to the community for a school. This is the first building set aside for the sole purpose of a school.

The first Sunday School was begun in 1867 and was the first one organized in the Three Forks Association. For those who could read, the textbook was the New Testament and for those who could not read, it was the Blueback Speller. In its early beginnings, Sunday School was held in the months when the weather would allow but in 1904 it became an "evergreen" Sunday School - meeting the year around. It enrolled 101 and had an average attendance of 53. Mr. Hiram McBride was the first Superintendent. We note that in 1955, Cove Creek Sunday School was the first Standard School in the Association.

Record keeping has been a vital part of the church. It is noted that the first recorded minutes were on December 2, 1799 when Sisters Elizabeth Macalray and Susannah Smith were received into the full fellowship of the church. Many interesting entries have been noted. In April, 1887 the first sexton - Wiley Swift - was employed for $9.00 with the responsibility of furnishing kerosene and wood for building fires as well as keeping the building clean and in order. The price was upped to $12.00 when George Hayes was employed but he had to furnish oil for lamps, and brooms in addition to the former tasks. The records show that Enoch Swift was the first elected Deacon in 1881.

On February, 1815 an open door was published and received Sister Agnes, a Negro woman and property of Samuel Hix. Soon, Sister Rachel was received. However, in 1884 the church agreed to help the Negroes build their church and 12 withdrew and began Little Zion. This was to be disbanded later to help form the Mennonite Baptist Church in Boone. Many of these former members are interred in the local church cemetery.

Many catastrophes have affected this body. In August, 1863 a Day of Fasting and Prayer was observed for the "prosperity of Zion and for the welfare of the United States." The Civil war was raging and its results were being felt at home. The con-

gregation has sent its fair share of young men and women to serve in the military service since its beginning in 1799, with some paying the supreme price. Many floods have done their damage - one having washed away the first church building. These did not stop the progress of this dedicated body of Christians.

From this congregation have come 14 ordained pastors and one evangelist. Rev. and Mrs. H.K. Middleton were Foreign Missionaries from this body having served in Chile. Out of this body have been constituted the total of 10 churches; Elk - 1832, Pine Grove - 1838, Little Zion - 1884, Antioch - 1849, Bethel - 1851, Brushy Fork -1858, Pleasant Grove - 1891, Willowdale - 1911, Vanderpool Mission constituted into a church - 1953, and Zionville - 1836. This is truly a remarkable history.

The first account of financing and bookeeping was in November, 1817 when "the church agreed and established this rule that hereafter the Brother deacons shall keep a book and shall give an account of all that is put in their hands and how they let it out. And they are to bring this book to our next meeting and continue to fetch it once each year and settle with the church." In 1817 twenty members gave in cash $3.81 but there were gifts to the church of corn, skins, beeswax, etc., which were sold and the money given to the church. In May, 1855 the first offering for pastors was taken. It is noted that the $7.05 was divided between Elder John Farthing and the widow of Jacob Green. The first mission contribution of W.M.U. members was 10 cents per month.

Along its way there are many landmarks to mark the path of progress and growth. These include 1883 - first Foreign Mission offering of $5.00; 1905 - the purchasing of the first hymn books; W.M.U. organized in 1913; Church Training - 1922; the purchasing of the first pastorium in 1927; Vacation Bible School was first held in 1932 with 109 students; August, 1941 - full time pastorate began; a library was begun in 1949; Brotherhood was organized in 1950; Bus Ministry was utilized from 1952 -1963; January Bible Study Week was begun in 1954; a Minister's School was begun for local ministers in 1972; a new pastorium was completed in 1987 which has 7 rooms, 2 1/2 baths, utility and basement; 1991 saw a redecoration of the ceiling with the installation of fans and the purchase of 2 new flags. Throughout the church's existence, there have been many milestones and improvements - many not mentioned in this report.

Revivals have been a vital part of the church. It is recorded that in 1856 a total of 60 was added to the church. In 1890, 34 were added in a two-week revival.

Cove Creek Baptist Church has had a total of 43 pastors with Rev. Larry McClure serving at the present. The total membership in 1884 read 273 but now reads 314 tithers, a total budget of $104,495.00.

Discipline has played its part in this growth. Women were disciplined for "talking" and men for drinking, frolicking and playing the fiddle, "unfellowshipping", etc. One very interesting entry stated that one man was disciplined for tying up another man's mare in the woods to keep her out of his corn. Yes, he was forgiven. Often members were forgiven and restored to the fold. As in other mountain churches, divorce was not tolerated. In May, 1800, a couple was excluded for double marriage. The church then adopted this plan: "We will never receive any other members of the same character."

No non-resident members were recorded in the early history of Cove Creek. If a couple moved away and did not take their letter with them, they were then excluded.

One of the tributes to this body is that of the wholesome Christian relationship it has enjoyed through the years with the Methodists who were also in the community. It is noted that the baptistry was shared with the Methodists. Today on special occasions, joint services are held.

The Mountain Association which was organized in October, 1797, first met with Cove Creek in 1811. According to the minutes in 1836, the state of Cove Creek Church records received by recantation - 2, Dismissed by letter - 19, Excommunicated -4, Death - 1, Total Membership - 71. Three Forks Association meeting dates include 1852, 1864, 1878, 1895, 1913, 1939, 1957, 1967, 1974, 1978, and today, 1991.

We are indeed grateful to be meeting in this lovely sanctuary today. Truly they have been a strong influence for God in this community and county.

Missions Division Baptist Convention State Missions

North Carolina Baptists continue to give faithfully to the support of missions in our state. In addition to money received through the Cooperative Program, Baptists gave over $1.6 million last year for the State Missions Offering. This money helps to support mission work from the coast to the mountains in North Carolina. It helps to continue a strong heritage of doing missions by Baptists in North Carolina, preserving the thrust passed on to us by our forefathers.

The Missions Division of your Baptist State Convention organizes its work through several distinct areas.

Two Area Missionaries serving the western and eastern regions of the state work with local churches and associations for missions and program development.

Associational Development includes working with associations to assist them to achieve their own goals and purposes. In addition, special programs are coordinated for resort ministries, world missions conferences, and church missions development.

Chaplaincy and Language Ministries includes giving support to all Baptist ministers serving as chaplains in North Carolina, working with people in North Carolina whose primary language is not English, ministering to the deaf and giving direction to Baptists ministering in a military setting.

Church Extension starts new churches in the state, provides for growth assistance, offers church loans, directs ministry in multihousing settings, conducts demographic studies and assists churches and associations with community surveys and strategic planning for church growth.

Cooperative Ministries and Seminary Extension includes the work that we do with General Baptists in the state, offering seminary extension courses to many hundreds of students, coordinating work with bivocational ministers and in-service guidance for some of the colleges and universities in the state.

Special Ministries offers ministry to the blind, provides for literacy training, coordinates church and community ministries among associations, ministers to mentally retarded North Carolinians and provides for group training to enable churches to develop their own resources for the meeting of special needs.

These, and many other ministries, are part of what we are doing in North Carolina as we engage in missions at the state level.

Senior Adults

In December 1990, the Senior Adults of the Three Forks Baptist Association met in the fellowship hall of Brushy Fork Baptist Church for their Christmas luncheon. There were eight churches represented, a total of 78 people were present. Everyone brought a covered dish. Entertainment was provided by "Foundations" ASU-BSU Gospel Quartet and Rev. C.O. Vance delivered the message which was very inspirational.

On April 16, 1991, the Senior Adults went to the Ashboro Zoo. Twenty people participated in the trip. We had a very enjoyable time. There was good fellowship and we praise God for all our accomplishments.

Stewardship Report

In the 1990-1991 Associational year, there were two major emphasis on Stewardship. The first was the Key Leadership Conference, held at Ridgecrest. The information given during those sessions created a desire to stress stewardship in all its many facets. Contrary to what some might think, stewardship is not just dollars and cents. The Stewardship Committee wants to help churches catch the vision of total stewardship. The second event was the local stewardship meeting, in Boone, on May 20th. It is distressing that so few felt the need to attend. The information, regardless of its worth, is useless if it fails to reach the people.

As we have now entered a new Associational year, each church is urged to take advantage of what the Stewardship Committee has to offer. There are no limits to what could take place in a church whose members are good stewards of ALL that God has given to them.

Gordon Rawls, Chairman
Stewardship Committee

Vacation Bible School

Enlistment for the Three Forks Association VBS faculty began in December 1990. Attendance at the State VBS Clinic in Statesville on March 8, 1991, was stressed to each of the 10 faculty members, so that churches in our association could benefit from this training. Two faculty members were unable to attend.

The Association VBS Clinic was held on Thursday evening, April 18, at Greenway with a total of 91 persons attending, 4 of whom were pastors. Sixteen churches were represented. A class was held for every age group from birth through adults as well as a nursery for children. To promote the clinic an informative letter was sent to every pastor and VBS Director in early March. A personal phone call was made to the pastors and directors just prior to the clinic as an additinal reminder. Further promotion was made through the *Watauga Democrat, WATA and* cable T.V.

VBS information has been featured in the association newsletters as an aid to VBS Directors. The VBS Joint Worship Kit, projector and screen was loaned to churches as needed.

The Association VBS Clinic was planned and conducted to meet the needs of our churches. Our goals have been (1) to train church VBS faculties with state-trained Association faculty, (2) to promote the Association Clinic, (3) to promote VBS and Mission VBS/BBC in every church, (4) to encourage follow-up of prospects for Sunday School, (5) to encourage reporting of results after VBS.

We have attempted to meet these goals in the above mentioned ways.

Discipleship Training Report

"M" Night was held September 30, 1990 at Greenway with Maurice Cooper as speaker. There were approximately 160 to 170 present with 10 churches represented - four pastors, six directors, and two assistant directors.

We recognized the children and youth that were in Bible Drills.

Ernest Dancy, Gail Bennett and Blanche Roberts attended Discipleship Training Conference, November 16-17, 1991 at Caraway for Association team.

Children and Youth Bible Drill and Youth Speakers Tournament was held April 28, 1991 at Brushy Fork Baptist Church at 2:30 p.m. There were 21 in Children's Bible Drill - five churches represented, eight in Youth Bible Drill and one Youth in Speakers Tournament.

We are very proud of our Children and Youth as they learn and hide God's word in their hearts. We are grateful to their leaders who worked with them.

"M" Night will be held September 22, 1991 at Willowdale Baptist Church 7:00 p.m. The Theme: "Disciple All - Embrace God's Word. The Speaker will be Rev. Ray Greene. We want to encourage attendance for "M" Night, and the church with the largest attendance will be recognized.

Let's all study more in God's word. So we will be able to witness to those that are lost, and by doing this we will be the kind of disciple that the Lord expects and wants. Also that leaders may be trained to carry out the responsibilities of our Lord, and to get His work done.

Church Music Report

The Music Council met on a called basis during the year to discuss ideas relating to the promotion and development of music through the churches.

The Music Council is composed of Keith Critcher, Mount Vernon; Debbie Marshall, Brushy Fork; Lynn Packwood, Boone, First; Azalee Simandle, Pleasant Grove; and Mary Frank Smith, Cove Creek.

Music for the 1990 Annual Meeting was led by Keith Critcher at Mount Vernon and Dr. Charles Isley at Three Forks.

Only the June Fifth Sunday Singspiration was held this year. In September, "M" Night was on the fifth Sunday. Holidays took the December and March Fifth Sunday nights.

A Choral Praise was planned but had to be cancelled due to scheduling conflicts.

The Association Music director participated in the Key Leadership Conference at Ridgecrest May 13 and 14, 1991.

Area Missions

The past church year has been marked by change and opportunity. In Western North Carolina there has been some real efforts in church growth. For the first time in several years baptisms were increased. We continue to see new people move into the area. The sad note is that our growth does not equal the growth of opportunity.

Let me congratulate you on the completion of your new Baptist Center and Office Complex. It is a beautiful and useful building. I know that you rejoice in the completion of this dream. I pray with you that it will be an instrument to unite and equip the folk of Three Forks Baptist Association for the work of our Lord.

Sara Ann Hobbs, Director of the Missions Division of the Baptist State Convention, has retired. We will miss her leadership. Dr. Tom Jenkins, pastor of First Baptist Church, Forest City, N.C., has been elected to direct our work. Pray for him in this important responsibility.

A new Conference Center has been completed at Truett Baptist Camp in Hayesville, N.C. This is one of the four camps owned by the Baptist State Convention. It is smaller than Caswell, Caroway and Munda Vista. These facilities are available for you to use for camps or retreats. If you need information please contact me or the resident Director, Rev. Richard Roberson, Truett Camp, Rt. 5, Box 660, Hayesville, N.C. 28904. Phone: 704/389-8828.

A special thank you to those who have given me the opportunity to be in your church this year. I really appreciate your asking me to serve you. My phone number is 704/724-9476.

Baptist Student Union Report

1990-1991 School Year

The Baptist State Convention of North Carolina supports an active student ministry program on approximately forty-seven (47) college and university campuses within North Carolina. Our convention financially supports sixteen full-time ministers who are primarily tasked with the proclamation and witness of the Christian faith on our campuses. These ministers work with student groups such as the Baptist Student Union, they cooperate with college/university administrative personnel in service to the individual institutions, they offer pastoral assistance to faculty and staff in personal and professional concerns, they explore creative approaches to student ministry with Baptist churches geographically located close to a campus, and provide student resources for outreach ministry and worship for these same churches.

Some of the 1990-91 school year highlights for our statewide network of Baptist Student Unions on the forty-seven campuses throughout our state are as follows: 1) approximately $65,000 raised for missions and ministry work throughout North Carolina, the United States and the world; 2) approximately 250 college students have been trained and are serving as 1991 Summer Missionaries throughout our state, our country and in foreign countries; 3) special conferences were held for high school seniors, international students, black students and students interested in Evangelism; and 4) a Fall Student Convention in September and a Spring Leadership Conference in April involved over a thousand college students in weekend experiences with Christian growth, worship and a vocational challenge to their lives.

Our local Baptist Student Union here at Appalachian State University (ASU) remains committed to the spiritual enrichment and development of students on the campus of ASU. The following weekly programs have been provided to give direction to our commitment to students: 1) Monday evening Student-led Worship followed by a supper; 2) Bible Study groups; 3) Family Support groups; 4) a Spiritual Formation group; 5) an Outreach Visitation group; and 6) a Friday morning Prayer Breakfast.

The ASU/BSU continued our commitment to outreach social ministry with involvement in our community with programs such as our Rest Home Ministry team and our involvement with Watauga Youth Network. We also worked with and assisted the following organizations: the Hunger Coalition, Meals-on-Wheels, the Hospitality House, Project on Aging, and the Shelter for Homeless Persons.

Our BSU sponsored student ministry teams in a variety of areas during the 1990-91 school year: BSU Choir, Puppet/Clown Team, a contemporary Christian singing group, a mixed gospel quartet, a male gospel quartet, and four outreach ministry/focus teams. These groups have performed/ministered at approximately 55 churches, covering a number of associations in Western and Piedmont North Carolina.

ASU/BSU students are actively involved as Summer Missionaries this summer. We have approximately 53 student summer missionaries serving from our group. The majority of these students are serving in North Carolina; however, we extend well beyond our state. . . to Illinois, Indiana, Texas, Washington DC, South Carolina and Oklahoma. We also extend beyond the continental United States to include Nassau/Bahama Islands and Australia. We have four (4) students and the Campus Minister who will be involved in two separate mission projects in the Soviet Union during the summer.

During the Spring Break week in March, twenty-one (21) of our students gave up their break to spend a week doing ministry in the inner-city of Washington, DC...participating with soup kitchens, homeless shelters, after-school programs and a medical mission for street people.

Our Baptist Student Union here at Appalachian depends entirely on local support for our program money. We do not receive any program funds from the North Carolina Baptist State Convention. We are deeply grateful to the six (6) churches in our Three Forks Association who have supported our BSU ministry through their church budgets. Also, we are grateful to the entire association for their interest and support of this vital ministry to students.

Bud Fisher
ASU Baptist Campus Minister

Single-Single Again

We have had a great year. Several members of the group have rededicated their lives to Jesus and are helping others in the same situation turn to Jesus. Some have left the group due to remarriage and some have left because they felt they were now capable of dealing with their emotions. We have gained several new members that are just experiencing separation. Our average attendance has been 15.

We ordered the video, *Suddenly Single, What to do when Divorce Strikes Home,* from the Southern Baptist Literature. This video series was a great source of help and encouragement to the entire group.

In the past couple of months, we have seen the group seek out and help the troubled and hurting of our area. This is a giant step and we praise God for His blessings. He is truly working with this group of Christians.

Prison Ministry Report

July, 1990 - June, 1991
N.C. Department of Corrections
Prison Unit #4660

Herbert H. Hash, Jr. has presently served two years as Prison Chaplain on a part-time basis. He is supported by the Watauga County Ministerial Association for 20 hours a week on a regular basis. However, the Association approved a 30 hour work week for Chaplain Hash for May 19 - August 10, 1991. On May 13, 1991 the Association approved the concept of a full-time prison chaplaincy.

Fourteen of our local churches are involved in conducting Sunday and Thursday worship services throughout the year (9:00 a.m. and 6:45 p.m. on Sundays and 6:45 p.m. on Thursdays). The churches are as follows: Rutherwood Baptist, First Baptist Boone, Cove Creek Baptist, Oak Grove Baptist, Brushy Fork Baptist, Greenway Baptist, Perkinsville Baptist, Grace Lutheran, Bethany Lutheran, First Presbyterian, Deerfield Methodist, Saint Luke's Episcopal, Advent Christian, and Watauga Christian Center. Oak Grove Baptist and Advent Christian alternate on Sunday evenings, and the Watauga Christian Center conducts all the Thursday even-

ing services. The average inmate attendance on Sunday mornings was 9 - 11 on Sunday evenings. The average attendance on Thursday evenings was 10.

Chaplain Hash conducted a Bible study at 6:45 p.m. on Tuesdays throughout the year. Occasionally inmates and approved volunteer workers assisted the chaplain in this study. The average inmate attendance for the year was nine.

On May 19-22, 1991 a series of five preaching services was held in the chapel for inmates. During this revival the average inmate attendance was 15, and there were nine rededications to Christ. Guest speakers were T.J. Jackson, Chaplain Dan Blake, Dwight Waters, David Vannoy, and Jack Hileman.

In the past year 45 professions of faith in Christ were recorded and 38 inmates were baptized in the prison chapel. The baptisms do not match the professions of faith because seven of the inmates transferred out of the prison before they could be baptized. Occasionally inmates choose to be baptized in their home church once they are released from prison. From October of 1989 to the present (July 4, 1991) there have been recorded 62 professions of faith and 50 baptisms at the prison.

The following were significant contributions to prison ministry during the year: (1) Amplified King James Bibles from Brushy Fork Baptist; (2) *Life of Christ* (scriptures with illustrations) books by Prison Freedom International; (2) numerous Bibles from the Gideons; (3) a dehumidifier for the chapel office by Ron Hester; (4) a heating element for the baptismal pool by Keith Perry and Cecil Wood of Laurel Fork Baptist (Graham Electric donated the installation); (5) Mother's Day cards by Three Forks Baptist Association WMU; (6) Bibles by WMU of Cove Creek Baptist (arranged by Nora Wilson); (7) Bibles by Boone United Methodist Church (arranged by Janet Marting); (8) piano tuned by Baxter Edmisten (paid for by Howard's Creek Baptist); (9) chapel painted by Brotherhood of Howard's Creek Baptist led by Michael Linkous; (10) Templeton Tours (copying); and (11) Samaritans Purse (tracts, books, and video tapes).

The following approved volunteer workers made significant contributions to prison ministry during the year: Ted Hellman (single-cell), Henry Strahan (single-cell), Dale Hoyt (sponsor), Cotton Pennick (sponsor), Louis Torres (sponsor), Bill and Marlene Wilson (Bible Study), and Dwight and Candace Waters (Directors of Prison Freedom International-furnished *Life of Christ* books for inmates). Henry Strahan, pastor of Shulls' Mills Baptist Church, was named by the prison officials as "Volunteer of the Year."

Home Missions Report

Southern Baptists are increasing their emphasis on evangelism. Southern Baptists baptized 385,031 in 1990, an increase of 9.7 percent over 1989. Part of last year's increase can be attributed to the "Here's Hope" simultaneous revival emphasis. One hundred percent of state conventions, 99 percent of associationals, and 63 percent of Southern Baptist Churches participated in the Here's Hope, coordinated by the Home Mission Board's Mass Evangelism Department.

During the six-week emphasis 77,700 new believers were baptized, and 22,487 participating churches reported 104,100 professions of faith.

Annie Armstrong Easter Offering: This offering, 100 percent of which goes to field missionary work, increased 8.4 percent over 1989 and provided $35,679,669 for

evangelism, church starting, church growth, and ministry. A thank you should be given to Woman's Missionary Union and Brotherhood who promoted the offering and Southern Baptists, who continue to give their financial and prayer support for home missions.

Baptist Children's Homes of North Carolina

For an institution that's 106 years old, Baptist Children's Homes of North Carolina (BCH) looks strongly to the future!

Three pillars that uphold that futuristic foundation are: 1) The return of the Thanksgiving Offering beginning in November 1991; 2) The success of our "Give a child a chance!" financial campaign, and 3) Baptists' continued support of BCH through the Cooperative Program.

This financial undergirding made it possible for BCH to serve more than 1,200 children and families last year through facilities at 13 locations across the state. Because Baptists cared enough to give, residents like Lynn will go to Wingate College this fall; Chris graduated from UNC-Chapel Hill; Jennifer is in her second year at Haywood Community College and Mark earned a football scholarship to North Carolina A & T. Each of these lives proceeds on firm footing because Baptist Children's Homes was there paved and their pathway.

Most BCH residents come from dysfunctional families where a single parent, most often a mother, simply is unable to care for her children. Her frustration with life leads to limitless freedom for the children, which leads to troubling behavior. Physical abuse, divorce, alcohol, drugs and truancy mark their young lives.

Baptist Children's Homes provides a safe environment where children learn to name their problems and address them to change behavior. At the same time, willing family members also are addressing their problems with the help of BCH social workers. In many cases, children and families are restored.

BCH's "Give a child a chance!" campaign is raising $11 million over three years to expand Cameron Boys Camp, boost general operating income and increase endowment. Gifts and pledges through July totaled $9.3 million and response across the state has been overwhelming and heart gratifying.

Last year Baptist Men of North Carolina helped construct the new Tommy and Jeanie Eller Chuckwagon at Cameron Boys Camp that was dedicated May 19.

BCH celebrated this spring the 20th anniversary of the founding of Broyhill Home, our western-most campus, in Waynesville/Clyde. With the help of J.E. Broyhill and his family, the home was opened in 1971 on 91 hilly acres. It has capacity for 48 children in group care and for eight girls in emergency care.

In August 1990 BCH began the Gregg Children's Center for before and after school care. The Davidson County program offers security to children of working couples, who now don't have to go home to empty houses.

Children's hopes the world over have been bolstered by the 1991 return of the Thanksgiving Offering voted by messengers to the 1989 state convention. While suffering through its 13-year absence, BCH lost more than $2 million in potential gifts. Our goal this year is $500,000. Because of a partnership established in December with the Baptist Children's Homes of Sao Paulo, Brazil, BCH-North Carolina will donate 10 percent of everything it receives over the $500,000 goal for work in that desperately needy land.

In August 1990, BCH signed an agreement with Gaston County Department of Social Services to operate two emergency care homes owned by the county. That raises to seven the number of emergency care homes BCH operates. Emergency care, in which a child at risk of abuse or neglect can receive shelter right away, is the service most in demand throughout the state. Children stay a maximum of 60 days while BCH works with the custodian to determine a long-term plan of care.

The Cooperative Program continues to anchor our budget planning from the churches. We urge renewed commitment to cooperative giving among our North Carolina churches. It is essential, not only for us, but for the entire missions enterprise built painstakingly for a century and a half. Baptist Children's Homes receives $1.5 million from Cooperative Program receipts each year. This is the stackpole around which we build our other income planning. A decrease in Cooperative Program dollars to Baptist Children's Homes would seriously jeopardize our ability to care for children.

Baptist Children's Homes has a 106-year history. But its history is just the knot that ties it to a boundless, unbroken ribbon of promise that stretches beyond the future to wrap children and families with eternal blessings.

Baptist Retirement Homes

1991: Making Life For Older Adults The Best Of Times

The Baptist Retirement Homes of North Carolina, Inc. operates four residential facilities for Older Adults around the State - the Albermarle Baptist Home in the Southern Piedmont, the Western North Carolina Baptist Home in Asheville, the Hamilton Baptist Home in Eastern North Carolina, and the Brookridge Retirement Community in Winston-Salem.

In Asheville, 1991 began with a great deal of excitement. After more than five years of trying to receive state approval to build a nursing care bed addition, the Baptist Retirement Homes was awarded a Certificate of Need for 100 medicaid certified nursing care beds for its Western North Carolina Baptist Home on Richmond Hill in Northwest Asheville. Currently the only nursing care provided by the Baptist Retirement Homes is the 85 bed nursing care unit at the Brookridge Retirement Community in Winston-Salem. The addition of 100 medicaid certified beds will mean that quality nursing care can be offered to Western North Carolina Baptists regardless of their ability to pay for the institutional services that they need.

The 39,000 square foot addition will cost approximately $2.8 million. At the present time, the Baptist Retirement Homes has raised approximately $2 million of the $2.8 million needed to make this long hoped for dream a reality. Baptists across Western North Carolina are being urged to help Baptist Retirement Homes meet the financial challenge of building this new unit on Richmond Hill.

In Winston-Salem, the Brookridge Retirement Community completed its second year of operation. Under the leadership of a well-trained and committed Christian staff, the Brookridge Retirement Community's Independent Living area and Health Care Unit are considered among the finest in the State.

In Albemarle and Hamilton, Assisted Living care is provided to Older Adults in residential settings. The Albemarle and Hamilton facilities offer quality care to Older Adults regardless of their ability to pay for the cost of the care they receive. . . a service unmatched by any other church related long-term care institution in this state.

Please support our ministry with your prayers and financial resources. Help us make life for Baptist Older Adults. . . The Best of Times!

North Carolina Baptist Foundation Report

The Board of Directors and the staff of the North Carolina Baptist Foundation are committed to effective leadership in generating increased perpetual financial support of Baptist causes throughout the state, nation and world. With assets approximately $27 million (market value) at the end of the 1990 fiscal year, the income distribution to Baptist causes is significant each year.

Typically, assets are either held as endowments paying interest income in perpetuity to named Baptist causes, or they are held in trust with current income being paid to individuals and future income being paid to Baptist causes in perpetuity.

Earned income distributed to Baptist institutions and mission causes during fiscal year of 1990:	$647,180
Earned income distributed to individuals with Baptist causes named as charitable remainderman during fiscal year of 1990:	$686,124

The staff of the Foundation consists of seven full time employees and two persons who provide part-time service in accounting and legal services. The servicing of individual accounts requires continuous contact with trustors, donors and those designating gifts through wills. The increased number of requests for assistance in seminars and conferences by churches, associations and individuals has made part-time assistance necessary in regions of the state some distance from the office.

There are continual improvements being made in available charitable estate planning computer software, constant changes in state and federal regulations which affect charitable estate planning and an increased need for technical training and assistance to serve the ever increasing needs of both the development staffs of our institutions and the individuals utilizing the Foundation services. The Foundation continues to provide for these needs to maximize the growth in financial support for Baptist causes.

In 1990, the Foundation moved into a new home. The 6,000 square foot office building was constructed from gifts from individuals and is located on property provided by the Baptist State Convention next to the Baptist Building in Cary. The new facility was occupied in Feburary 1990 and provides much needed space for the work of staff as well as for conferences and meetings. Baptist groups are invited to use the meeting rooms when in the Raleigh/Cary area. We extend an invitation to church groups to call and arrange a visit to the newest building used for the Lord's service by North Carolina Baptists.

Baptist Hospital

1991 Report to the Associations

The year 1991 is significant in the history of Baptist Hospital - it marks the 50th anniversary of its entering a partnership with the Bowman Gray School of Medicine of Wake Forest University, to form one of the 126 academic medical centers in the nation. Appropriate events have been planned to celebrate this anniversary.

This partnership makes it possible for Baptist Hospital to offer it's patients the most advanced technology for diagnosing and treating their health problems. For example, ours is one of 15 medical centers in the nation involved in clinical trials of a new coronary laser which vaporizes plaque in blocked coronary arteries. We are one of five centers in the U.S. conducting clinical trials in stereotactic radiosurgery, a procedure in which high-energy beams of radiation from a linear accelerator are focused by computers on brain tumors and lesions to destroy them. This procedure can be done on an outpatient basis. We are one of 24 Comprehensive Cancer Centers in the nation. We are the designated organ procurement agency for northwest North Carolina, and we recently received approval to begin performing pancreatic transplants this year. Early in 1992, we expect to open our new Center for Positron Emission Tomography, one of the most advanced radiological services which is capable of measuring the chemical structures of the body. This new diagnostic procedure will make possible earlier detection, and hence, earlier treatment of tumors, hopefully, improving the outcome of the treatment.

During the past year, the hospital admitted approximately 22,000 patients, and almost 400,000 persons were treated through the various outpatient services of the Medical Center. These patients came from most counties in North Carolina, from 32 other states, and from several other countries.

During the past year, Baptist Hospital was re-accredited by the Joint Commission on Accreditation of Health Care Organizations, and the survey team which visited our institution ranked it in the top 10 percent of hospitals in the nation. Also, according to a recent report from the North Carolina Medical Database Commission, average charges for care at Baptist Hospital are 10 percent below the average charges for similar diagnosis in hospitals statewide, and substantially lower than charges in the other North Carolina academic medical centers.

The Pastoral Care Department, which is funded in part through the Cooperative Program, provided Clincial Pastoral Education to 42 students during the past year. The Pastoral Care staff provided more than 54,000 specific ministries to hospital patients, family members, and staff. And, the counseling division provided over 21,700 counseling sessions. The Professional staff of the Pastoral Care Department continues to respond to requests for help from churches in conflict, from pastors and their families across the state.

For the first time since 1978, a Mother's Day Offering exclusively for Baptist Hospital Benevolent Care was received in North Carolina Baptist Churches. At the time this report is being written, results of the Mother's Day Offering appear to be very favorable. The staff and patients at Baptist Hospital are profoundly grateful to North Carolina Baptists for this support.

Executive Committee Report

The executive committee met the third Monday evening in October 1990, April 1991 and July 1991 (The January 1991 meeting was cancelled due to inclement weather). At each meeting the committee received reports from the organizational leaders and reviewed the calendar for meetings of the organizations.

The main business of the committee related to the completion of the Baptist Building. The committee authorized the transfer of funds from the general fund and from the Camp Joy accounts. The committee authorized the repayment of the Camp Joy funds ($18,018) with interest over a ten-year period. The committee also authorized the removal of the house on the Baptist Building lot.

Youth Report

1990-91 has been a good year regarding youth activities in our association. Last year an organization (BAYM) Boone Area Youth Ministries was formed of local Baptist and other Protestant churches. This ministry to youth has grown and additional churches have participated in functions throughout the year. Some of this years projects were:

—IMPACT WHS - a night where youth from area churches met to pray for and discuss how we could reach more students for Christ.
—5TH QUARTER FELLOWSHIP - after Watauga High football games.
—YOUTH MINISTERS/WIVES CHRISTMAS DINNER
—"CAN'T GETAWAY I" - Social for 6th-8th grade youth at Mount Vernon (96 attended).
—"THE GETAWAY III" - Retreat for 9th-12th graders at Blowing Rock Assembly Grounds (83 attended).
—SCHOOL'S OUR PICNIC - at Camp Sky Ranch (115 attended).
PROGRESSIVE ALL-NIGHTER SOCIALS I AND II - at various locations. Youth and chaperons prayed, studied God's word and played until daylight the next day. The most recent social included 11 churches and 172 young people and adults.

Many young people in our churches are joining together as encouragers and witnesses at their schools. At the time of this writing a Youth Crusade involving a number of our churches in the western end of our county is taking place. I feel God is moving in our midst and is using others for Christ. Pray for the leaders in our various churches and for our combined efforts this year as we seek to reach the youth of this county for Christ.

Bud Russell

Royal Ambassador/HSBYM Report

The Royal Ambassador and High School Baptist Young Men's program in Three Forks Association seems to be in need of renewal of commitment from leaders in our churches. Although participation in some of our activities has maintained, we are not

eeing growth in other areas that are important. Leadership turn-over and the number of boys in Royal Ambassador and HSBYM ages in the membership of our churches has also contributed to our "plateaued" position. Perhaps a word of clarification as to what the purpose of RA's and HSBYM is will inspire individuals to look at their church's program with new enthusiasm.

A successful Royal Ambassador or HSBYM program is one that achieves the five tasks of Brotherhood work in the church.

1. Engaging in mission activities - means getting boys through Royal Ambassadors/HSBYM to do missions. It means reaching out to the physical, spiritual and emotional needs of others.

2. Teaching Missions - means giving boys an opportunity to learn about mission needs and work that is being done in a classroom setting, as well as through mission related activities.

3. Praying for and giving to missions - means helping boys see different opportunities for serving others and challenging them to perform their personal service in Christ's name.

5. Interpreting and undergirding the work of the Church and denomination - means helping boys to understand and appreciate the functions of their church and how Southern Baptist Churches work together.

Royal Ambassador chapters and HSBYM units in our association have accomplished many things. Many have reached boys for Christ through activities. Others have done many worthwhile projects which have met physical and emotional needs of people in our county and around the world. Some have received state awards for various things. In these terms we have seen a measure of success. Yet, success can also be measured by change - the change you see in the lives of the boy's you work with as their understanding of and commitment to missions grow.

It is not fair to measure success by comparing your RA/HSBYM program, Sunday School, etc. to that of other churches. Each church has unique qualities that set it apart. Geographic location, available finances, and longevity of the program are a few factors that make churches different. Success ultimately depends on the leadership (counselors) in each church. When leaders blend an understanding of boys, an understanding of the program, and an understanding of an adult leader's role an effective program can be attained. The lives of so many young men are waiting for someone in all of our churches to lead them to Christ and point them outward to a lost and hurting world. Pray that God will convict the hearts of men and women to be Royal Ambassador and High School Baptist Young Men leaders who will make an impact for Christ.

WATCHWORD: *"To him who by means of his power working in us is able to do so much more than we can even ask for, or even think of to God be the glory in the church and in Christ Jesus for all time, forever and ever! Amen."*

. . . Another project the Associational WMU promoted was to buy blinds for our new Associational Baptist Building. A total of $1,015.00 has been received.

. . . 5 of our mothers and daughters attended a GA Mother/Daughter Retreat on May 31, June 1 at the Blowing Rock Assembly Grounds. This activity was sponsored by Caldwell Association and we were invited.

. . . Many of our people have been involved in the construction of a new home for a family in the Tamarack area. Our ladies have assisted in the building as well as helping to furnish the home with furniture and necessary household items.

. . . An Associational WMU Newsletter has been published quarterly with the help of Miss Denise Thomas, Associational Secretary.

During this past year the Woman's Missionary Union of Three Forks Baptist Association has had as their objective to mobilize the church for missions by creating a spiritual climate in which persons are led to rely on the Holy Spirit as the source of our power; reclaim the meaning of missions; recognize and provide entry points for personal involvement and realize the diversity of the world and risk involvement.

Baptist College Report - 1991

Christian Higher Education

A "new-old" event is about to take place in North Carolina Baptist life: *A Special Committee!*

From time to time we Baptists feel the need to take a hard look at ourselves. We do that through the time-honored practice of asking trusted people to serve on a committee for a year, sometimes two. In 1956, for example, "The Committee of Twenty-Five" began a comprehensive study which eventually embraced all aspects of North Carolina Baptist life. That committee reported to a special session of the Baptist State Convention called for that purpose on May 5-6, 1959. Again, "The Committee of Twenty," appointed in 1967, worked for two years before presenting its comprehensive findings and recommendations to the Convention in November of 1969. Both of these committees provided clarity and guidance for North Carolina Baptists which endured for many years.

New times call for a fresh look at ourselves. The "new times" which have taken shape in the Southern Baptist Convention since 1979 have particular relevance for institutions, agencies, their trustees and the Convention. North Carolina Baptist institutions and agencies have rendered distinguished Christian service for a total of 1,108 years! New times call for a new look by a competent special committee.

In May the General Board approved a 17-member "Institutions Relations Committee." Lamar Brooks, Wilmington, is chairman. Other members are: Jean P. Abernethy, Marion; Dot Allred, Gastonia; Curtis Lee Barbery, Bennett; Harold Bennett, Boone; Don Bolden, Burlington; Caralie Brown, Raleigh; Kathryn H. Hamrick, Shelby; John H. Hewett, Asheville; Milton A. Hollifield, Jr., Stanley; John M. Hough, Jr., Salisbury; James H. Johnson, Candler; Robert B. Poole, Elizabeth City; George W. Pullium, Jr., Knightdale; Hobart Smith, Charlotte; A. Eugene Warren, Charlotte; J.L. Wilson, Winston-Salem. Their report is due in November, 1992.

The "new old" way of study and thought is the North Carolina Baptist, tried-and-true way to confront changing times. We thank these 17 good men and women who will help us to shape the future together in harmony. They request and deserve our fervent prayers.

Foreign Missions Report

As we look back to 1990, the work of our Foreign Mission Board has been a ver challenging and rewarding one. The year brought fresh evidence that being God's pec ple in God's place does bring results. When the year ended, Southern Baptists hac ample reason to rejoice:

. . . 1,550 new churches started
. . . 208,381 new Christians baptized.
. . . Missionaries assigned to five new or reopened fields: Nicaragua, Denmark, th Soviet Union, Czechoslovakia and Bulgaria
. . . 17 state Baptist conventions linked with overseas Baptists in partnership project
. . . 286 relief and development projects carried out in 62 countries
. . . 11,680 Volunteers
. . . 3,963 Missionaries
. . . Work in 121 countries

Foreign Mission Board President, R. Keith Parks challenges Southern Baptist t focus attention and resources on the 26 percent of the world which is isolated from th gospel of Jesus Christ. To focus on those who live in places without churches or Bibles o Christian broadcasts.

Christians make up no more than 34 percent of the world's population. Yet they co trol 62 percent of the world's wealth. That wealth is used on ourselves. We spend 9 cents of every dollar on ourselves in one way or another in a non-Christian way.

Some of the most breathtaking developments in 1990 were those which pointed to a expanding Christian witness in the future:

. . . The Foreign Mission Board announced they expected soon to place personnel in a countries of Eastern Europe except Albania.
. . . With a new Christian church opening every 36 hours in China, the demand far ex ceeded the supply of trained workers.
. . . Panamanian Baptists first delivered family-sized bundles of food in the wake of th invasion, then sponsored crusades to minister to spiritual needs in their country.
. . . Yogoslavian Baptists reported only one problem for their printing business, findin paper. A top priority for that paper? The first-ever Bible for Gypsies.
. . . The Cambodian government agreed to grant visas allowing Southern Baptist repre sentatives of Cooperative Services International, a Southern Baptist aid organi zation, to live in that country. The agreement came shortly after Cambodia Christians were told they could hold public worship services.

Southern Baptist giving to foreign missions continued to grow in 1990. Most cam through two primary channels, the Cooperative Program gave $70.23 million and th Lottie Moon Christmas Offering gave $80.58 million.

Facing this world, the task of missions is not just the task of missionaries, preache or chaplains. We have been challenged by President Parks, "That every Christian is t wrap his or her body around Jesus, die to self-interest and self-glory and sel achievement and say to God, now take this body and use it to carry out your plan o earth."

The Biblical Recorder

Associational Report - 1991

The Baptist world is changing rapidly; some would contend it is for good while others hink it is nothing short of a tragedy.

Whatever one's view may be, there is an indispensable need for correct and reliable nformation. The *Biblical Recorder* was born and continues to serve for that purpose.

People are reading less than any time in recent history. It is true of secular publica- ions, it is true of wholesome books from respected libraries, it is true of religious ublications. We live in an electronic, fast-food, everything is disposable age! We often hink we know the answers only to discover later we do not.

An informed Baptist is a better Baptist; an uninformed Baptist may be an unin- olved or disruptive Baptist. No democracy, including our local churches and the lenomination they comprise, can survive long without an informed, involved consti- uency which makes corporate decisions based upon accurate information from eliable sources.

The most important thing facing us at this point is to get the *Recorder* into the more Baptist homes than ever before. Your support as a subscriber and reader and your en- ouragement to others will enable the paper to better serve the constituency with ac- urate and helpful information delivered to Baptist homes and churches. We need your elp!

In order to save churches large amounts of money and to increase the readership of he *Recorder,* Church News Service (CNS) was launched in 1990. This system lets any ongregation have their church newsletter incorporated into the *Biblical Recorder* which aves staff time, postage and printing costs. Usually, for less than what it costs to pro- luce the church newsletter, CNS gives the entire Baptist communication package to ach family in the congregation. We are steadily adding churches to the CNS program.

The paper focuses more and more attention on North Carolina Baptists with news, eatures and inspirational articles which will encourage individuals and churches in heir witness and ministry.

Never has God given Baptists a greater opportunity; never have there been as many difficulties and obstacles to overcome. One sure way to conquer problems and overcome he barriers to effective witness and ministry is to have the facts, know the issues and be adequately informed.

That is why the *Recorder* was born; that is why it serves today.

Sunday School Report

The year 1991 has ushered in a new theme for Sunday School work in the Southern Baptist Convention. It is out with CHALLENGE 10/90, a five year effort to reach a Sunday School enrollment of 10 million by September 30, 1990, and in with the BREAKTHROUGH years, a five year emphasis on achieving breakthrough in the local church and Sunday School in such areas as spiritual growth, outreach, evangelism, etc.

Your ASSISTeam (Associational Sunday School Improvement Support Team) is prepared to conduct workshops and provide personal consultation to the local churches in our association to help them achieve Breakthrough.

Toward the end, the ASSISTeam conducted three workshops during the past twelve months. On August 16, 1990, a Pastor/Sunday School Director Clinic was held at Three Forks Baptist Church. Twenty-six persons were in attendance representing 13 churches as Phil Stone from the Baptist State Convention of North Carolina outlined the basics of good Sunday School work. A five hour, two night workshop was held August 27-28, 1990, at which your ASSISTeam taught the age graded books from the *Bible Teaching Through the Sunday School* series. Eighteen churches were represented with a total attendance of 102. Finally, on March 18, 1991, Linda Thompson from the Sunday School Board in Nashville, Tennessee, presented a preview of Sunday School curriculum improvements which are scheduled for October, 1991.

The 1990-1991 ASSISTeam has done an outstanding job and deserves to be recognized. They are:

Adult representative - Lewis Thomas
Youth representative - John Cook, Jr.
Children's representative - Angela Miller
Preschool Representative - Sue McGhinnis
Special Ministries Representative - Karen Petrie

We stand ready and willing to do all we can to assist Sunday School work in the churches of the Three Forks Association.

Evangelism Report - 1991

Division of Evangelism
Baptist State Convention of North Carolina

Paise the Lord we were up in baptisms in North Carolina last year. God continues to bless North Carolina Baptist through Evangelism. Plans are continuing to assist our churches in developing Church Evangelism Committees to strengthen the work of evangelism in the church.

Many churches are still getting involved in CWT and Lay Evangelism Schools. The training of the laity to be involved in witnessing will continue to be a priority in North Carolina Baptist evangelism. One Day Soul Winning Workshops have been conducted across the state to train in witnessing skills.

The 45th Statewide Evangelism Conference was held in Greensboro Coliseum February 4-5. Dr. Charles Fuller, Dr. Darrell Robinson, Dr. Brain Harbour, Dr. J.R. Janese, and Dr. William Shaw, brought the messages. Russell Newport led the music for the conference assisted by Pat Long and Rick Setzer.

The 1992 Evangelism Conference will be held February 3-4 at Greensboro Coliseum. Dr. Henry Gregory, Dr. John Sullivan, Dr. Richard Jackson, Dr. Dan Vestal, Dr. Robert Hamblin, and Dr. Jim Henry will be the speakers. Bill Cox will lead the music assisted by Pat Long and Rick Setzer.

Super Summer '91 at Carowinds was held on July 25-26 with over 27,000 youth and adults attending the event. Two Celebration services were held with Frank Peretti preaching to the group. Music was presented by WITNESS and Stephen Curtis Chapman. Hundreds of young people made commitments.

Two Youth Evangelism Weeks were held at our North Carolina Baptist Assembly, Caswell, with 2,000 in attendance. Six hundred youth made commitments during these weeks.

Again, this year the Student Evangelism Team "WITNESS" served in churches all across North Carolina. Everywhere they ministered, people were blessed. Leading approximately 100 concerts, 12 college/seminary students presented the gospel through exciting and meaningful Christian music.

Regional Evangelism Training Conferences were held across the state during the month of October. Emphasis for these conferences were on Total Church Life, which is a special program designed to reaffirm the purpose of the church - making Evangelism a priority. Four Total Church Life Seminars were also held across the state to provide training in this program.

Let us continue to work and witness that we may continue to see people come to know Him. It is our prayer that baptisms will begin to rise each year.

J.W. Hutchens, Director

1991 Annuity Board Report to the Associations

Protection is an instinct each adult has toward his spouse and children.

It hurts to see a child fall or a spouse passed over for a promotion. We want to shield loved ones from the hurts of everyday life.

That kind of protection is impossible, but there is financial protection available to ministers that can provide a life-saving margin for your family in the event of your disability or death.

The good news is it costs you nothing if you are an eligible participant in the Church Annuity Plan.

The Protection Section of the Church Annuity Plan is provided by the state convention, and includes several benefits.

These benefits can mean receiving:

- ..up to $67,500 in special survivor benefits if you die prior to retirement, or while receiving a disability benefit.
- ..up to $300 a month if you become disabled and unable to perform any gainful employment due to physical or mental incapacity.

Additionally, up to $35 each month can be credited to your retirement income account during your disability and your survivor benefits will remain.

This valuable family protection is funded from Cooperative Program dollars that match dollars contributed to your account by you and your church.

"The Church Annuity Plan offers significant up-front family protection that leaves your dollars free to build your retirement security. It is an important benefit that many ministers overlook in the retirement plan," Frank Schwall, senior vice president of Member Services.

The average annuitant in North Carolina receives $287.43 per month, up from $234 last year.

North Carolina has 3,396 members making contributions to Annuity Board retirement plans.

It is exciting to think about what has been done to help ministers retire with dignity and to have protection as they plan for retirement. Strong efforts have been made to make all of our churches (and ministers) aware of the opportunities and the need to act on them.

But there is still much to be done! Consider these facts:

Small contributions make the annuitant's benefits small:

In North Carolina:

185 receive less than $50
482 receive less that $100
1041 receive less than $200
1338 receive less than $300

There is a great challenge still before us to help ministers prepare for the future and to help churches be responsible employers.

For more information about enrolling in the Church Annuity Plan, call the Annuity Board's toll free number, 800-262-0511. In North Carolina, you can call or write.

Baptist Men Report

The year 1990-91 has seen the Baptist Men of our association wearing many different hats. The year has shown growth in mens units as well as involvement of others. The Baptist Men's council has been formed and there is an enlistment effort to have a full slate of men to represent and be able to promote each of the ministries that men are about.

This year we have seen men finding their place of service in many new ways. We have had men's units in service to their local church body, the community, and even new opportunities in state, nation, and the world. These servant opportunities have come through both planned events as well as spontaneous reaching out to needs of another.

Baptist Men have served in many ways in their local churches. They have worked in and around church property. Men have cut wood for church members, as well as many other service ministries in Christ's name. Men's units have visited shut-ins and transported church members back and forth to the hospital, doctor, etc.

We have seen Baptist Men reach out and coooperate in building a home for a family in need. Others have helped with another home for a habitat family. We have mens units that helped weather proof a home and build a deck.

Our Baptist Men, this year have been involved in helping other churches get a building both here and across the state. Mens units have been involved in building married housing at Fruitland and a cafeteria at Cameron Boys Camp. Others were involved in the observatory at Gardner Webb College. We have had men to go to New York and help with our state partnership there, with the inner city ministry. There have been others that have helped with disaster relief training and are planning a local unit for our association. A large number of our men were involved in helping with the new associational office building from planning to planting of trees.

Men from our associaton have been into the prisons to plant seeds of love and to become a friend to one in need. We have seen others in prayer for men and women gone to war leaving family and loved ones.

Baptist Men have sponsored and supported men and women in overseas trips. his past year has seen teams in Sao Paulo, Poland, Togo, Kenya, Peru, Jamaica and lans are being drawn for others to go to Russia and Pakistan.

There is need for God's presence to be felt everywhere and that's where our men re. My prayer is that as we men are in our marketplace, church, community, state nd world that God's love will show and we be willing to share it with our brother.

General Board Report

The General Board has met two times this year. It convened in January at araway Conference Center, and in May at the campus of Wingate College.

Some very good reports were given concerning our partnership missions projects n New York, Sao Paulo, and Poland.

A special Institutitons Relationship Study Committee has been appointed and approved to look at the total relationship of this convention to the member institutions, olleges and universities.

Annual Report of Christian Action League of North Carolina, Inc.

Public Morals

This has been a most eventful year for the cause of Applied Christianity.

With North Carolina facing a 1.1 billion dollar shortfall and with news accounts tating that citizens from North Carolina are spending 100 million dollars annually in he Virginia lottery, it appeared almost inevitable that a lottery bill would pass the 991 legislative session.

In addition to the economic factors, the gambling industry had 13 lobbyists working the halls of the Legislature daily promoting lottery legislation.

Even though lottery legislation passed the Senate, it was quite evident that the lottery lobbyists could not line up enough votes to get the measure through the House of Representatives. Lottery supporters did not push for a vote, for they knew that the egislation would be dead. Therefore, the proposal will be eligible to be considered in he next legislative session when it convenes in June, 1992.

Between now and then, it is of utmost importance that you secure a commitment rom your representatives in the North Carolina House to oppose state-sponsored ambling. The Senate will not be voting on the lottery in 1992 because it has already assed that body.

Key lottery supporters were Senator Ken Royall (D-Durham), Senator George Daniels (D-Caswell), Representative David Redwine (D-Brunswick), Representative oe Mavretic (D-Edgecombe), Representative Robert Hunter (D-McDowell) and Representative Frank Rhodes (R-Forsyth).

Opponents of the legislation were led by Governor Jim Martin, Lieutenant Governor Jim Gardner, Senate President Pro-Tem Henson Barnes (D-Wayne), and Speaker of the House Dan Blue (D-Wake).

While we were successful in side-tracking lottery legislation, the Legislature refused to enact the following proposals:

1. PARENTAL CONSENT. . . North Carolina remains one of the few states in the nation that allows a minor to receive an abortion without parental consent. Legislation to enact parental consent passed the House, but died in the Senate.

2.DRUNK DRIVING. . . The House passed legislation that would change the alcohol blood level from .1 to.08 as the breathalyzer standard for Driving-While-Impaired. The Senate refused to act on this proposal.

3. OPEN CONTAINERS OF ALCOHOLIC BEVERAGES IN MOTOR VEHICLES. . . It is ironic that an open liquor bottle is prohibited in a motor vehicle,yet there is no limit to the number of open beer containers allowed in a motor vehicle. Highway safety authorities confirm that a large majority of the drivers charged with driving-while-impaired are beer drinkers. N.C. Highway Patrol officials endorsed the open container legislation, but it got "hung up" in a House committee.

4.TEEN-AGE PREGNANCIES. . . In order to address this growing problem, legislation was introduced to require sexual abstinence instruction to be a part of the curriculum of our public schools (such instruction has been very successful in reducing teen-age pregnancies in other areas of our country). However, such a program was opposed by our N.C. Department of Public Instruction. Education officials charged that such legislation would be imposing a standard of morality upon our youth. The measure simply stated: "The State Board of Education shall adopt rules to provide that the public school curriculum shall include instruction, in appropriate grades and classes, that abstinence from sexual activity outside of marriage is the expected standard for all school-age children, that abstinence from sexual activity is the only certain means of avoiding out-of-wedlock pregnancy, sexually transmitted diseases, including AIDS, and other associated health problems; and that a mutually faithful monogamous relationship in the context of marriage is the best lifelong means of avoiding sexually transmitted diseases, including AIDS."

5. ABORTION FUND. . . North Carolina is the only Southeastern state that used state tax funds for medically unnecessary abortions. Some $400,000 of state tax funds have been budgeted by the state legislature to pay for these elective abortions. Therefore, we are denying thousands of babies right here in North Carolina their constitutional right of life, liberty, and the pursuit of happiness.

How can we turn the tide on these important moral issues? It will occur when North Carolina Baptist and other Christians are willing to become actively and publicly involved in upholding our Judeo-Christian moral standards. It is not enough to wring our hands and just talk about problems. We need to cry out publicly and act against sin. Baptists need to be informed about the stands taken on these issues by those who are running for public office, and then vote for those who reflect our standards.

In addition to a demanding legislative session, the Christian Action League has successfully assisted several counties and municipalities in liquor, beer and wine referendums.

Baptist Children's Homes of North Carolina

Another year has come and gone, and we have seen many changes at Mills Home n Thomasville. Almost all the cottages now have "Houseparents" again. Many of he children have come to know Jesus as their Savior. The lives of the children are illed with hurt and sorrow. They really need to know that someone loves them. YOU, the wonderful churches in the Three Forks Association, have showed that you are. Our drive at Christmas 1990 for food was a tremendous success. Because of you, he saddness of our children was turned to gladness. I wish that all of you could have een the smiling happy faces. Because of no offering for eighteen months, the drives his year are so important. In the month of August, we need your help with school upplies. Someone will come from Mills Home to pick up the supplies. Our children t Mills Home will not have what they need to begin school unless you help. Because f you, our sponsor churches, so many needs have been met this year. May God ichly bless you as we work together this year to meet the needs of our hurting hildren at Mills Home. Please bring all school supplies to our Associational Office by August 30. In Matthew 25:40 Jesus tells us that when we help the children at Mills Home, we are helping Him. May God grant that we are all faithful to our Lord until He comes.

Church Development Director Report

This has been a time of getting to know each other. It has been a privilege to visit n many of the churches and begin to know the people. I have been able to work with several as we looked at their program and use of building space. One church participated in a Church Growth Probe, one in a Great Challenge Stewardship program and one is presently involved in PACT (a long range planning process).

In North Carolina 70 percent of the churches are either plateued or declining. This s also true of the Three Forks Association of churches. Most churches want to grow nd to take seriously the mandate of the Great Commission. There are two essential ngredients for church growth: a positive attitude and a strong commitment. These ngredients are absolutes for a church to experience growth.

I firmly believe that Every Church Can Grow. As Church Development Director am anxious to help each to redream their dream and reach, teach, and win people to Christ.

Please call on me and allow me to help you build a growing church.

Director of Missions Report

J.C. Bradley of the Home Mission Board has well defined a Baptist sociation: "A Baptist association is a self-governing fellowship of autonomous urches sharing a common faith and active on mission in their setting. The churches at comprise an association are free, independent, self-governing, autonomous churches that decide to associate themselves to do certain things together."

During the past year we have seen this definition come alive in Three Forks. There something fascinating to me about churches deciding to do things together. When od's people decide to do things together, things get done.

I am a firm believer in the fact that if we fail to plan, we plan to fail. I will ever be rateful for the Long-Range Planning Committee who worked hard to put together a ve year plan for our association. We are still seeing fruits of that labor.

One of the objectives of that plan was to strengthen the association. One of the oals within that objective was to construct a new building. In 1988, when the plan as adopted at Laurel Springs Baptist Church, I never dreamed that the goal would ecome reality in 1991. Praise the Lord! Things will happen when God's people ecide to work together. We have one of the nicest, if not the nicest, Baptist uildings in North Carolina. The building is complete with only $50,000 ndebtedness. To God be the glory, great things He has done!

This has been a challenging year for me as your DOM. I have had many opportunities of service for which I am grateful. Listed are some of the highlights of the ear: Worked with many committees and councils, celebrated anniversaries with vo of our churches (Three Forks, 200th, Pleasant Grove, 100th), served as leader for

our Brazil Partnership team (200 + decisions made by Brazilians), participated in the dedication of two church fellowship halls (Laurel Springs and Cool Springs), saw over 100 Sunday School workers trained during our training school, participated in the ordination of several deacons, one pastor (Mike Taylor) and one Foreign Missionary (Dr. Robert Ellison), preached one revival within the association (Tabernacle), helped to begin a Support Group for pastors and staff, worked with several Search Committees, taught Vacation Bible School in two churches, helped with a deacon retreat, did several mission presentations, taught at Fruitland Bible Institute, had opportunity to assist my son, Todd, with information concerning the Tent-Maker Program of the Foreign Mission Board (Todd is now serving in Elazig, Turkey), assisted with the organization of a youth crusade in the western part of the county, participated with a group of High School Baptist Young Men on a mission trip to Smithfield, NC, taught January Bible Study, and made preparation for the World Missions Conference.

My concern is for us to expand our ministry and reach the people of our area with the gospel of Christ. Thanks for the opportunity of serving the Lord with you in Three Forks.

Respectfully submitted,
Harold Bennett, Jr.

Associational Council Report

The Associational Council has met every quarter during the year to review and plan the program work of our association. It is the goal of the council to challenge, inspire and be a resource to each church.

The council has planned and prepared activities which benefit each church. The council is faithful in coordinating programs that will strengthen each church. Watch your calendar and the newsletter for the up-coming programs.

The council has calendared activities for the coming year. Please be sure that each church has a copy of the 1991-1992 calendar.

The council members are always willing to assist any church when asked. If your church has needs in any program area, please feel free to contact a council member or the associational office.

Harold Bennett, Jr.

Brotherhood Report

Paul says in Philemon 7 "Your love has given me great joy and encouragement, because you, brother, have refreshed the hearts of the saints." (NIV) Baptist men in churches of the association are experiencing the joy of missions by doing missions. It is amazing to hear of the many ways men and boys are involved in ministries in the church communities and other parts of the world.

Men have been working in such projects as improving the living conditions of needy families, have painted the prison chapel, help build a house for a poor family, help elderly by wood cutting, transportation, and tending to those who are sick.

Some are helping in the partnership with the Poland and Brazil and the New York Projects.

As men discover they have talent, time and spiritual gifts and use them to serve hers in Christ's name the rewards are worth the effort.

It is disappointing to come to the end of another year and realize that all plans and als have not been met, but we will go forward and try to help churches with the ptist Men's program.

Accountant Report

I have examined the statements of cash receipts and disbursements and changes in cash position of the Three Forks Baptist Association for the years ended June 30, 1991 and 1990. My examinations were made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as I considered necessary in the circumstances.

A statement of cash receipts and disbursements does not purport to show financial position and results of operations in conformity with generally accepted accounting principles because it does not give effect to accounts receivable, accounts payable, accruals, and other items.

In my opinion, the accompanying statements of cash receipts and disbursements and changes in cash position present fairly the cash transactions of the Three Forks Baptist Association for the years ended June 30, 1991 and 1990, on a basis consistent with that of the preceding year.

The additional information presented on the following pages 4 to 7 was prepared on the basis of audit procedures applied in my examination of the cash transactions. This information is, in my opinion, fairly stated in all material respects when considered in relation to the basic financial statements taken as a whole.

Howard's Creek Baptist Church

It was not unusual for the earliest constituted mountain churches to lend leader ship and financial support in the establishing of other churches as the need was envi sioned. Such was the case with Howard's Creek Baptist Church. E.J. and Mary Norris Edmond, Nancy E., Isaac, Rachel, Fanny E., E.R. and B.E. Greene, Mary Hodges and Edward G. Minton from Meat Camp, R.J. and Mirah Minton from Three Forks Silas and Elizabeth Penley from Mt. Vernon, and John Hodges from Brushy For had become an arm of Meat Camp and the strength and witness was growing. Th meeting place was in a log school house. On August 19, 1882 with John Hughes an Larkin Hodges serving as Elders, Howard's Creek Baptist Church was officially con stituted. The pastor was John Hughes and E.J. Norris and Edmond Greene serve as deacons.

In a short while after the construction, the first church building was constructe of logs near the home of E.J. Norris. Some of these original logs were used in con structing the second building on land given by Wyatt Hayes in 1900. This buildin served the local congregation until 1975. Some renovations were made but many con veniences were enjoyed—wood, coal, and eventually an oil furnace furnished hea for the building; the benches were modern splitbacked; sawdust-filled spittoons wer along the wall for the convenience of those who needed them; night services wer possible by the use of kerosene lamps between the windows and gas aladdin lamp suspended from the ceiling in the middle of the sanctuary and around the pulpit and a board fence in the rear of the church provided adequate hitching post accom modations for horses which had been used to transport the parishioners to th "meeting house." It is noted that in 1932 the expense for kerosene was 13 cents an 19 cents was paid for gas. However, this bargain was replaced in the late 1930's b electricity. Hats were used to receive the collections and baptisms were in the water of Howard's Creek.

One of the responsibilities of the parent church was to guide the growth of th mission. This was done by the minutes of the monthly business meetings being rea and approved at Meat Camp. As the strength grew and the success of the congrega tion was assured, this practice ceased. It is interesting to note that during busines sessions, men sat on the right side of the church and women and children were seate on the left. In 1924 in conference the church voted to have "tellers" or "counters" who reported the actions of the church. Also it was customary to have both a sprin and fall revival. In keeping with the spirit of the community, for many years th children from the community school attended the morning services. If the evangelis or pastor got thirsty during the delivery of the message, a pitcher of cool spring wate awaited him on the communion table which was often partaken of.

Howard's Creek was only one year old when it united with other churches in th Three Forks Baptist Association on August 30, 1883. Its first contribution to th Association was $1.00. The first Sunday School was begun in 1884 with 60 pupils This was only the beginning of a continuing expansion of Christian training and mis sion programs. Today there is a graded Sunday School enrolling 229, a Youth Direc tor, a Music Director, Discipleship Training, Brotherhood, Baptist Women, Baptis Young Women, a college and career leader, Mission Friends, G.A.'s, and Acteen all of which are very active.

A ground-breaking ceremony was held on May 26, 1974 for the construction o this lovely sanctuary and 10 months later the first service was held in it. The be

rom the original building, given by Mr. and Mrs. Jorden McGhee, was a continuing eminder of the services at the church. On September 18, 1977, only 2 1/2 years later, "note burning" service was held with the lovely structure debt free. It is noted that ne pulpit furniture was made by various members of the congregation. Various nemorial gifts have been received throughout the years including its first organ and ne public address system which is presently being used. Today the metal gym building remodeled for Sunday School rooms, a fellowship hall, and a study for the Youth Minister.

This church practiced the same basic disciplinary action of its members as most ther mountain churches. There were other interesting stories, however, not related. One of these states that at one time the second Sunday in June was observed as Chewng Gum Day with all children being given chewing gum. It is also recorded that on Wednesday night at prayer meeting a black snake was found in the church. It went nder the piano and from there through a small hole in the floor behind the pulpit ear where the preacher stood.

One of the highlights of business entries is that of Christian concern for the members vho had had serious illness or bad luck and always a way to help was recorded. Other enevolences are recorded as well.

From this body have come 2 churches—Doe Ridge in 1894 and Perkinsville in 1947. There have been 2 ordained ministers from this church—John Norris and Lewis Hodges, and Edsel Greene was licensed. This congregation has had 24 pastors with Rev. David Vannoy presently serving a congregation numbering 466.

The Three Forks Association has been hosted by this body in 1909, 1937, 1962, 986, and today, 1992.

Howard's Creek is truly a light on a hill beaconing to all to come to the Savior.

Earl Greene, Historian
1992

South Fork Baptist Church

In the mountain community of Todd, there was a growing need for an organized Baptist Church. A group of community citizens began meeting in what became known s the Shiloh Meeting House. It was soon determined that sufficient strength existed or an organized church along with the desire for one so on February 1, 1833, eight harter members from the Three Forks and Old Fields churches officially constituted South Fork Baptist Church. This church joined the Mountain Association and durng its first year of existence 35 members were added by experience and 12 by letter. n November, 1841, a delegation was sent to Three Forks Church to help organize he Three Forks Baptist Association of which South Fork has remained a member o the present time except for a brief interval. Its first monetary contribution to the ew association was 75 cents. During the first year Rev. William B. Swanson preachd for the congregation but was not called as pastor. Transient ministers were depended pon for preaching and the church records do not record the election of a pastor ntil 1838 when Elder Isaiah Wilcoxson was elected. The first recorded pastor's salary vas in 1892—$13.00.

On April 2, 1869 it was agreed to build a new church if funds could be had and n January 1872 "it was reported the house was covered." The third building was ccupied in 1901—a wooden frame structure—and the present structure was erected n 1950. This church has the distinction of having been in two counties while occupy-

ing the same building without it being moved. In 1833 it was organized in Ashe County In 1849 it found itself in Watauga County. One hundred years later it voted to relocate to Ashe County. In 1955 the educational building was completed. A parsonage was constructed in 1969 and a baptistry was built in 1975. In 1979 a public address system was installed. Today the congregation is involved in a 2 phase building program. Phase I includes the construction of Sunday School rooms, bathrooms and a new septic system. Phase II will include the construction of a new sanctuary and the renovation of the present one into a fellowship hall.

As was usual with all churches, difficult times were experienced during the Civil War. Several groups broke away and organized new groups but South Fork was eventually declared the "approved" church by the association. It is recorded that in the early 1800's, the Rules of Decorum were read every three months. In 1835 and following, it is recorded that the church met and after "Divine worship proceeded to business."

Record keeping has been very important for this fine congregation even from the beginning with Nathaniel Church serving as the first clerk. It is noted that in the 1800's obituaries of deceased members were read at the business meeting and then became a part of the record of the body. The first book for recording minutes was purchased in 1848 for 96 1/4 cents paid for by donations from 11 people. In 1853 an invitation was issued for "sister churches to commune with us at our next communion service." Another record states that the first janitor was Lewis Seatz who was paid $1.00 for the year. In 1833 it is recorded that "the church granted Nathanul Church privilege to go and preach the gospel where ever God shall call him to go." (sic)

Christian education has been a very important part of this body. In July 1872 it is recorded that in "answering a resolution in the interest of a high school in our Associational bounds—agreed to say we favor the interest and will aid in accomplishments as far as we are able." In 1879 E. Tatum served as the first Sunday School Superintendent with an average of 27 attending. Today the enrollment is 142. The 222 congregation today, under the leadership of Rev. Ray Minton as pastor participates in a fully organized set of approved programs of the Southern Baptist Convention. It is a caring body as evidenced by its continued missions record.

It is recorded that the association has met with this body in 1844, 1858, 1879, 1896, 1912, 1926, 1933, 1953, 1963, 1984, and today—1992. Histories were given at many of these meetings. It is interesting to note that in some of the early meetings it was also the responsibility to provide room and board for delegates for the two or three day sessions plus care for any animals the delegates arrived on. Today the only need is one meal which the community graciously provides.

Missions Development Council Report

This is the first year to have a report on Missions Development. We trust that eac church will take seriously the need for doing more about missions where we are an around the world.

Many missions needs are being met by the association, by churches, and by in dividuals. There are many areas of mission service here and around the world. T help us be more aware of needs and our responsibilities, we need to have in eac church a Missions Development Council—composed of people who are intereste in missions, including the directors of WMU and Brotherhood.

It is our aim to work together in Association and Church Missions Developmen and to grow in our mission services.

General Board Report

The General Board has held two meetings on January 28-29 and May 19-20 at Cam Caraway.

The Executive Committee has met two additional times on March 3 and April 7

All committees and sub-committees of the General Board have met at least once

The following is a list of some of the actions and concerns of the General Board

1. The Institutions Relationship Study Committee is beginning to formulate idea and a recommendation should be forthcoming to be considered by the Board an Convention.

2. The General Board is concerned that many people and churches, youth groups etc., have been unable to attend either Caswell or Caraway on the schedule they prefer

3. As of May 15 available Cooperative Program Funds were within 1% of the sam period of 1991; however, optional programs of funding, of which there are 5, hav increased by more than $500,000.00.

4. For a period of two years, beginning in 1993 (1994 if contracts have been signe and cannot be voided for 1993), the Baptist State Convention shall meet on the Fri day and Saturday of the week specified in the Constitution.

5. The General Board passed the following addition to Article II, 4, of the Busines and Financial Policy of the Baptist State Convention of North Carolina and th General Board, a new paragraph "a".

No funds of any kind, designated or undesignated, shall be accepted by this Con vention, its programs, institutions, or agencies, from any church which knowingl takes, or has taken, any official action which manifests public approval, promotio or blessing of homosexuality. Any such church shall not therefore qualify as "cooperating church" as defined in Article IV, A, 3 of the Constitution of the Bap tist Convention of North Carolina.

Vacation Bible School

On Saturday, March 7, 1992 five representatives from the Three Forks Associa-
on attended the State Vacation Bible School Clinic at College Avenue Baptist Church
Lenoir, North Carolina. These representatives received excellent training and in-
rmation relative to the VBS 1992 theme "Fantastic Journey."

Information regarding the State Clinic and VBS '92 was shared at the Associa-
onal Pastor's Conference on Monday, April 6, 1992 by the director. Pastors were
otivated to become involved in VBS by promoting, preparing, praying and praising.

The Associational VBS Clinic was held on Thursday evening, April 16, at Oak
rove Baptist Church with a total of 94 persons in attendance. Eighteen churches
ere represented. A class was held for every age group from birth through adults.
lso, a nursery was provided. Oak Grove's WMU did an exceptional job in prepar-
g for our meeting. They were wonderful hostesses!

To promote the VBS Clinic the director requested that each pastor become involv-
d. Letters were sent to them personally as well as the directors at each of the forty
urches in that association. Many directors received phone calls to remind them of
e date. The Associational Newsletter also promoted the '92 Clinic.

This clinic was planned and conducted to meet the needs of our churches. Its goals
ere to: (1) train church VBS faculties with state-trained Association faculty, (2) to
romote VBS and Mission VBS/BBC in every church. (3) to encourage follow-up
f prospects for Sunday School, and (4) to encourage reporting of results after VBS.
Ve have attempted to meet these goals in the above mentioned ways. The staff and
irector will be available throughout the summer to assist each church in planning
nd presenting VBS for 1992.

ine church choirs singing two selections each. The church was full and the singing
as wonderful. There is a video of the Choral Praise at the association office that
an be checked out. Another Choral Praise is planned for August 16, 1992.

On March 1, 1992, a concert by Bobby Michaels, a Christian recording artist and

Many of our churches have had on going mission action projects such as regular visits to our nursing homes, visiting the residents at Grace Home and having them to visit our churches, providing food and supplies to the Baptist Children's Homes and many more.

On May 5th, the 79th Annual Associational WMU meeting was held at Mabel Baptist Church with 92 present representing 20 churches. All organizations were involved in the program. Mission Friends did the Memorial Service; Acteens did the special music, Baptist Young Women the prayer calendar and devotional. The GA director did a choral reading. Ms. Carolyn Hopkins, BYW & BW Consultant—NC-WMU, was our guest speaker. Our theme was "Called and Accountable." Scholarships were given to two young men, Mr. Chris Wilmoth of Rutherwood Baptist Church and Mr. Dean White of Mount Vernon Baptist Church. Both have plans to attend Southeastern Seminary in the fall.

May the Lord's words of Acts 1:8, our watchword for 1991-92, come to pass in our lives and may we declare with new vigor that all are called, the world is lost and time is urgent. May we be found faithful in following the call of God in the ministry and witness to which our Lord has assigned us.

Baptist Student Union Report

1991-92 School Year

BUD FISHER
Baptist Campus Minister
Appalachian State University

The Baptist State Convention of North Carolina supports an active student ministry program on approximately forty-seven (47) college and university campuses within North Carolina. Our convention financially supports sixteen full-time ministers who are primarily tasked with the proclamation and witness of the Christian faith on our campuses. These ministers work with student groups such as the Baptist Student Union, they cooperate with college/university administrative personnel in service to the individual institutions, they offer pastoral assistance to faculty and staff in personal and professional concerns, they explore creative approaches to student ministry with Baptist churches geographically located close to a campus, and provide student resources for outreach ministry and worship for these same churches.

Some of the 1991-92 highlights for our statewide Baptist Student Union network are as follows:

1) Approximately $67,000 raised for missions and ministry work throughout North Carolina, the United States and the world;
2) Approximately 250 college students throughout North Carolina who have been selected, trained and are now serving for the summer of 1992 in our state, our nation and our world; and
3) A number of special conferences and learning experiences that involve ministry in the following areas: a) high school seniors preparing for college b) black student ministry; c) international students; and d) evangelism.

Our local Baptist Student Union here at Appalachian State University (ASU) remains committed to the spiritual enrichment and development of students on the campus of ASU. The following weekly programs have been provided to give direction to our commitment to students: 1) Monday evening Student-led Worship followed by a supper; 2) Bible Study groups; 3) Family Support groups; 4) a Spiritual Formation group; 5) an Outreach Visitation group; and 6) a Friday morning Prayer Breakfast.

The ASU/BSU continued our commitment to outreach social ministry with involvement in our community with programs such as our Rest Home Ministry team, our involvememt with Watuaga Youth Network, and our Environmental Ministry of Recycling. We also worked with and assisted the following organizations: the Hunger Coalition, Meals-on-Wheels, the Hospitality House, Project on Aging, the Shelter for Homeless Persons, and Resort Area Ministries.

Our BSU sponsored student ministry teams in a variety of areas during the 1991-92 school year: BSU Choir, Puppet/Clown Team, a contemporary Christian singing group, a mixed gospel quartet, and five outreach ministry/focus teams. These groups have ministered at approximately 55 churches, covering a number of associations in Western and Piedmont North Carolina.

ASU/BSU students are actively involved as Summer Missionaries this summer. We have approximately 63 student summer missionaries serving from our group. The majority of these students are serving in North Carolina; however, we extend well beyond our state...to Illinois, Florida, Texas, South Carolina and Georgia. We also

tend beyond the continental United States to include a student in Kazakhstan SSR), a student in Taiwan, a student in Japan, and three (3) students in Brazil.

During the Spring Break week in March, twenty-five (25) of our students gave up eir break to spend a week doing ministry. Ten (10) of these students worked in e inner-city of Atlanta participating in a soup kitchen and shelter mission for street eople. The other fifteen (15) students spent the week in Comer, Georgia, at Jubilee a ministry with third world refugees.

Our Baptist Student Union here at Appalachian depends entirely on local support r our program money. We do not receive any program funds from the North arolina Baptist State Convention. We are deeply grateful to the seven (7) churches our Three Forks Association who have supported our BSU ministry through their urch budgets. Also, we are grateful to the entire association for their interest and pport of this vital ministry to students.

Prison Ministry Report

July, 1991 - June, 1992
N.C. DEPARTMENT OF CORRECTIONS
Prison Unit No. 4660

Herbert H. Hash, Jr. has presently served three years as Prison Chaplin on a partime basis. He continues to be supported by the Watauga County Ministerial Associaion for 20 hours a week annually. However, with increased funding coming in due o a push for a full-time prison ministry, the Association approved a 30-hour week or May 16 - August 15, 1992. The Prison Committee of the Watauga County Ministerial Association, which has been meeting monthly since August of 1991, coninues to solicit support for a $27,000 annual budget. This budget was approved in rder to make a full-time prison ministry a reality.

Thirteen of our local churches are involved in conducting Sunday and Thursday

worship services throughout the year (9:00 a.m. and 6:45 p.m. on Sundays and 6:45 p.m. on Thursdays). The churches are as follows: Brushy Fork Baptist, Cove Creek Baptist, First Baptist Boone, Greenway Baptist, Oak Grove Baptist, Perkinsville Baptist, Rutherwood Baptist, Grace Lutheran, Boone United Methodist, Deerfield Methodist, Saint Luke's Episcopal, Advent Christian, and Watauga Christian Center. Oak Grove Baptist and Advent Christian alternate on Sunday evenings, and the Watauga Christian Center conducts all of the Thursday evening services.

Chaplain Hash conducted a Bible study at 6;45 p.m. on Tuesdays throughout the year. Occasionally, approved volunteer workers assisted the chaplain in this study. Presently a coordinated Bible study using Prison Fellowship materials is being planned for Tuesday and Thursday evenings in August and September, 1992. This will be done in preparation for the series of preaching services which will be held in the prison chapel September 27-October 1.

On May 24-27, 1991 a series of five preaching services was held in the chapel for inmates. The average attendance was 16 inmates and 11 visitors (mostly guest speakers, musicians, and prison volunteer workers). There were 8 inmates and 1 visitor who rededicated their lives to Christ during these services.

The following were significant contributions to prison ministry during the year: (1) Amplified Bibles and Survival Kits from Brushy Fork Baptist; (2) Ceiling fan for prison chapel donated by Advent Christian; (3) Rotted embankment timbers in prison chapel yard replaced by Fred Houck (now the new Superintendent of the prison); (4) Christmas cards donated by the Three Forks Baptist Association WMU and Hallmark Haus; (5) Christmas gift packages provided for each inmate by the Brushy Fork Baptist, Cove Creek Baptist, and Boone United Methodist Churches; (6) Bibles given by Samaritan's Purse; (7) New Testaments given by Anderson Prison Ministry; (8) Bibles (NIV) given by Nora Wilson of Cove Creek Baptist; (9) Mother's and Father's Day Cards donated by Three Forks WMU; (10) copying furnished by Templeton Tours; and (11) Bed, dishes, and other household furnishings given by Laurel Springs Baptist and Television given by Ronnie Forrester to inmate's wife Trina Dillon and seven-month-old twins Wesley and Whitney.

The following approved volunteer workers made significant contributions to prison ministry during the year: Ted Hellman (single-cell), Henry Strahan (single-cell), Louis Torres (sponsor), Noel Watson (sponsor), and Bill and Marlene Wilson (Worship and Bible study). For the second year in a row Henry Strahan was named by the prison officials as "Volunteer of the Year."

Foreign Missions Report

In spite of a world that drastically changed in 1991, some things consistantly remain the same. God's plan of salvation hasn't changed. The needs of the lost world haven't changed. And the Lord's mandate for Baptists to be a missions people has not changed. Southern Baptists have responded to God's calling in the past year. The following invites you to see our unchanging objective: to reach a lost world for Christ.

..BAPTISMS (233,334) by churches related to Southern Baptist foreign missions climbed to a record total in 1991. It was the third year since 1987 that worldwide baptisms set a new record.

..NEW CHURCHES (1,576) for the year represented a 6.5 percent increase over 1990. Our mandate is to reach people for Christ and, in turn, to start new churches around the globe.

..TOTAL CHURCHES (27,932) advanced by 15.8 percent over 1990, a net gain of 3,810 churches. Many of these churches have few visible resources, but each carries the power of God for bringing others into a saving relationship with Christ.

..MEMBERSHIP (nearly 3 million) grew at a rate of 12 percent-an extra 400,000 people in 1991. The number of members in Baptist churches overseas has been constantly growing through the decades.

..PREACHING POINTS (22,736) increased 11 percent in 1991. These locations serve as beginning points of new churches and are key to long lasting effectiveness of evangelism.

..VOLUNTEERS (more than 10,000 for the third year in row) went to all parts of the world, in spite of the many tense locations and a weakened U.S. economy.

..CHURCH EVANGELISM EFFECTIVENESS flourishes. Churches relating to Southern Baptist foreign missions baptized an annual average of one convert for every 12 church members. That ratio is more than three times greater than that of Southern Baptist Convention churches.

..TOTAL MISSIONARIES continued to climb. The 3,906 missionaries serving at the end of 1991 represented a net increase of 43 from the previous year's total of 3,863. God continues to call many able and prepared persons to spread the gospel in far corners of the world.

..TOTAL COUNTRIES that we are serving in - 122. Goal by the year 2,000-125.

President Keith Parks of the Foreign Mission Board challenges each of us as Christians stand at the door of the greatest challenge and greatest opportunity. There are lost millions without Christ who stand before a brief window of opportunity. All our energies, expertise, spiritual resources, and personnel should be mobilized to do all we can as quickly as we can.

Southern Baptist giving to foreign missions continued to grow in 1991. Most came through two channels: the Cooperative Program and the Lottie Moon Christmas Offering. But churches and individuals also gave to support hunger and disaster relief efforts and other special projects. In return, the Foreign Mission Board sought to spend the funds in keeping with their commitment to Southern Baptists.

1992 Annual Report
Associational Sunday School

The associational work in Sunday School is carried out by a team of age group Sunday School workers known as the ASSISTeam. ASSIST stands for Associational Sunday School Improvement Support Team. Among the work done by this team during the 1991-1992 Associational year was a Sunday School Literature Workshop conducted at First Baptist Church, Boone, on September 23. Thirteen churches were represented and total attendance was forty-two. The workshop was designed to give teachers of all ages a chance to become familiar with the improvements which were being introduced in SBC Sunday School literature. Also offered on the same night at FBC, Boone, was a Pastor-Sunday School Director's Clinic. This clinic was attended by nineteen pastors and S.S. Directors representing twelve of our churches.

An Associational Training School was held on October 28-29, 1991 at Perkinsville Baptist Church. Sixty-four people representing fifteen churches attended either one or both nights. The new study course series titled *Breakthrough: Sunday School Work* was the text for the study.

Four ASSISTeam members, including our Director of Missions, were able to attend the Assist Training Institute at Ridgecrest in February. One team member who was not able to attend Ridgecrest was able to make up her training at a special workshop in North Wilkesboro.

In February our association was extended an invitation to be a part of an Associational Sunday School Emphasis called the Associational Growth Plan. The emphasis is coordinated by Neil Knearim of the Baptist Sunday School Board in Nashville. The purpose of the plan is to improve Sunday School work in the Association by developing a two year growth plan to increase Sunday School enrollment and strengthen the Sunday School organization. Steps in the process include the recruitment of an Associational Task Force and the scheduling of listening sessions designed to receive feedback from pastors and Sunday School directors about the needs in their Sunday Schools. Those listening sessions have been scheduled for October 20, 1992. A vote of approval by the Executive Committee has authorized our Association's participation in this program. The ASSISTeam has scheduled the following events to be placed on the Associational calendar for the 1992-1993 Associational year.

August 17-18	1992 Associational Training School 7-9:30 p.m. Monday and Tuesday night Howard's Creek Baptist Church
September 15	Associational S.S. Leadership Night 7-8:30 Tuesday night Brushy Fork Baptist Church
October 20	Sunday School Listening Sessions Breakfast, Lunch and Dinner on Tuesday Place and schedule to be determined
November 16	Associational January Bible Study Clinic 7-8:30 Monday night Greenway Baptist Church

The ASSISTeam for the coming year consists of Sue McGhinnis (preschool), Kathleen Ward (children), Joe London (youth), Lewis Thomas (adult), and Richard Miller (director). Your director believes this to be an excellent group which will serve you well in promoting the improvement of Sunday School work in the churches of

he Three Forks Association. Much appreciation is due to John Cook and Angela Miller who both found it necessary to resign from the Assisteam this year after several ears of very competent and loyal service.

Respectfully submitted,
Richard N. Miller
Assoc. S.S. Director

Executive Committee Report

The Executive Committee met the third Monday evening in October 1991, January, April and July 1992. At each meeting the Committee received reports from the organizational leaders and reviewed the calendar for meetings of the organizations.

At the October meeting, the Committee approved the payment of the last outstanding bill for the construction of the Association Building ($3,000 to Greene Construction for concrete) and approved the paying of travel expenses of the secretary on Association business.

At the January meeting a lengthy discussion was held with Harold Bennett, Director of Missions, in his capacity as a member of the Institution Relationships Study Committee for the State Baptist Convention.

At the April meeting the Committee approved the purchase of a computer system and printer for the office. The money ($2,002.90) was available from money returned for use of the Association by the State Convention. The Committee approved the use of sales tax refunds for office supplies ($392.31) and the transfer of $238.12 from music savings to the music line. The Committee authorized $120 to $130 for lining the parking lot and authorized Mr. Bennett to secure a security light for the entrance of the lot. The Executive Committee approved the report of the Nominating Committee for the new program directors for the coming year (see Nominating Committee report for names).

North Carolina Baptist Children's Homes

Like a marathon runner, Baptist Children's Homes of North Carolina (BCH) "hit the wall" in 1991-92, but persevered to finish standing up!

In an exhausting year for staff and a myriad of volunteers, BCH successfully concluded its first statewide fund-raising campaign, received its first Thanksgiving Offering since 1979, dedicated expansion of Cameron Boys Camp, broke ground for the new Fleshman-Pratt Education Center in Thomasville, inaugurated an innovative Bible study program at Mills Home, installed two new pastors at campus churches and solidified programs that have placed it among child care leaders for decades.

These efforts enabled BCH to serve more than 1,300 children and families at 13 facilities statewide, including Chris, named All-Conference nose guard for 2A state champion Thomasville Bulldogs; Sandi, who has enrolled at Gardner-Webb College; Deborah, named outstanding Freshman at Thomasville High after enduring a court battle that sent her father to prison for abuse; Jennifer, who married on the Broyhill campus where she'd lived for seven years; Kathy, who will continue to live at Broyhill while she attends college; and a host of others who are making life-changing commitments because they've received a second chance at Baptist Children's Homes.

In April, BCH successfully concluded its "Give a child a chance!" financial campaign by gaining three-year commitments for $11.2 million, topping the $7.5 million goal, and the challenge goal of $11 million. Significant priorities accomplished in the campaign are: expansion and relocation of Cameron Boys Camp to a more secluded site on its 903-acres of wilderness; ground-breaking for the Fleshman-Pratt Education Center, a model day care facility for infants, toddlers and two-year-olds; a unique Staff Training Institute for child care workers and social workers; and more than $2.7 million committed for permanent endowment.

And, the first Thanksgiving Offering for BCH since 1979 raised $510,000, a sum more than $100,000 greater than that realized through the combined offering with Baptist Hospital and Baptist Retirement Homes. BCH sent $1,000 from the Thanksgiving Offering to the Baptist Children's Homes of Sao Paulo, Brazil as fulfillment of a promise to donate 10 percent of everything received over the goal to our partners in the south.

In addition, BCH maintained the partnership with our Brazilian counterparts by sending three training teams to Brazil, and hosting a group of Brazilian pastors in Thomasville.

Most BCH residents come from dysfunctional families where a single parent, most often a mother, is unable to care for her children. Her frustration with life, often due to alcohol or drug abuse, or having been abused herself, leads to limitless freedom for the children, which leads to troubling behavior. Physical abuse, divorce, alcohol, drugs and truancy mark their young lives. Behavioral problems make it impossible for the child to continue to live at home.

Baptist Children's Homes provides a safe environment where children learn to name their problems and set goals to overcome them, which leads to behavior change. At the same time, willing family members also are addressing their problems with the help of BCH social workers. In many cases, children and families are restored.

BCH enjoyed a year of tremendous successes, in human terms and in institutional terms, which will allow it to continue to affect change in lives. Success in the "Give a child a chance!" Campaign will help provide a margin of excellence in the future when the pledges are paid. Already, the enthusiasm engendered by the effort have lifted the spirits of staff across the state.

Still, the Cooperative Program continues to anchor our budget planning. We urge renewed commitment to cooperative giving among our churches. It is essential, not only for us, but for the entire missions enterprise built painstakingly for a century and a half. Baptist Children's Homes receives $1.5 million from Cooperative Program receipts each year. This is the stackpole around which we build our other income planning. A decrease in Cooperative Program dollars to Baptist Children's Homes would seriously jeopardize our ability to care for children.

An increasingly important aspect of our support comes from estate gifts and bequests. More and more people who want their resources to provide new life for children include BCH in their wills.

When Sandi, and Kathy, and Chris, and Barbara come to us, full of potential and hope, we want to be able to continue to tell them North Carolina Baptists care enough to give them a chance!

*Wilma Greene would like to thank all the churches for all their help this year. We praise the Lord for Laurel Springs and South Fork for taking one of our cottages. We want to encourage all 40 churches to participate in the August drive for School Supplies for our children at BCH. God bless you all!

1992: MAKING LIFE FOR OLDER ADULTS THE BEST OF TIMES

One of the greatest needs facing North Carolina Baptists as they move into 1993 the ability to provide affordable quality long-term care services to the "Aged Saints" our Convention.

The fastest growing segment of North Carolina Baptist life are those individuals the age category of 85 and older. That age group is growing at five times the rate any other population segment in Baptist life. The 85 and older age group is also at age group most likely to need the services provided by a long-term care institu-on like Baptist Retirement Homes. Unfortunately in 1992 in our state, there were ot enough nursing care beds to meet the needs of the growing number of Older Adults ho were functionally impaired and needed the services of a long-term care provider. omplicating the shortage problem was the fact that the cost of those beds was high nore than the average North Carolina Baptist older adult could pay). And to make atters even worse, in spite of the high cost of those beds, often the quality of care rovided through those beds was fair at best. In other words, the greatest problem cing North Carolina Older Adults in 1992 was the fact that there were simply not ough affordable quality nursing care beds available for use by people like you and e and our Older Adult family members.

Having become aware some years ago of the above mentioned problem, Baptist Re-rement Homes (for the last five year period) has been working to develop a system affordable quality nursing care beds throughout the State for use by North Caro-a Baptist Older Adults. New nursing care beds became available in the Piedmont area our state in 1989 (through the opening of the Brookridge Retirement Community). 1992, affordable quality nursing care will become available to Western North Carolina aptist Older Adults through the new Rickman Nursing Care Center being built on Rich-ond Hill in Northwest Asheville. It is our institution's hope that by 1994 affordable uality nursing care will also be available to Eastern North Carolina Baptist Older Adults s well. Your support has made the above possible.

In 1992, North Carolina Baptists through their gifts to the Cooperative Program and orth Carolina Offering for Older Adults made it possible for Baptist Retirement Homes provide financial assistance to more than 60% of all the Older Adults living in its ealth care related facilities. In addition, Western North Carolina Baptists contributed ore than $2.5 million toward the construction of the new Rickman Nursing Care Center Ashville. . . a new facility that will enable Baptist Retirement Homes to make life for any Western North Carolina Baptists truly. . . the Best of Times.

Thank you North Carolina Baptists for your support. Please continue to pray for ur ministry and its ability to meet the ever growing needs of the Older Adults of our onvention.

Singles Again

This has been an interesting year for us. Singles Again have gone through some hanges. We experimented with meeting twice a month and found that most of the group specially newer members) needed to meet every week. We have had Bible studies and veral guest speakers. They have discussed: Home Decorating, Small Repairs, Cook-g for one or two, How to go on with your life after death or divorce of a spouse. We so had a meeting at the associational office for the pastors to meet with us and share eir thoughts and have a time of fellowship. We continue to reach new people and share e peace and joy of Christ.

The Biblical Recorder

Last year we reported to you: "The Baptist world is changing rapidly; some would ntend it is for good while others think it is nothing short of a tragedy." In these past 2 months, the changes are beyond description--on the world scene and in Baptist life.

Whatever one's view may be, there is an indispensable need for correct and reliable formation. The *Biblical Recorder* was born and continues to serve for that purpose. ever was the *Recorder* more needed than now.

People are reading less than any time in recent history. It is true of secular publica-ons, it is true of wholesome books from respected libraries, it is true of religious publica-ons. We live in an electronic age where we often think we know the answers to the sues only to discover we do not.

An informed Baptist is a better Baptist; an uninformed Baptist may be an uninvolv-d or disruptive Baptist. No democracy, including our local churches, can survive long ithout an informed, involved constituency which makes decisions based upon accurate formation from reliable sources.

The most important thing facing us at this point is to get the *Recorder* into more Bap-st homes than ever before. Your support as a subscriber and reader and your encour-gement to others will enable the paper to better serve the constituency with accurate nd helpful information delivered to Baptist homes and churches. We need your help!

In order to save churches large amounts of money and to increase the readership of he *Recorder*, Church News Service (CNS) was launched in 1990. This system lets any ongregation have their church newsletter incorporated into the *Biblical Recorder* which aves staff time, postage and printing costs. Usually, for less than what it costs to pro-luce the church newsletter, CNS gives the entire Baptist communication package to each amily in the congregation.

The paper focuses more and more attention on North Carolina Baptists with news, eatures and inspirational articles which will encourage individuals and churches in their vitness and ministry. One sure way to conquer problems and overcome the barriers to ffective witness and ministry is to have the facts, know the issues and be adequately nformed.

That is why the *Recorder* was born; that is why it serves today.

Brotherhood Report

The Baptist Men's movement continues to make great progress in the associatio Men and boys are becoming more conscious of the meaning of missions.

With the Baptist Men of North Carolina there is partnership with New York sta and Poland. There are many requests for help in New York, and in Poland there is st need for construction workers. A seminary in Russia will begin construction in the ne future.

There are a number of projects around the state for those who have limited time f work to give to missions. In this country men and boys are working on many project

The Baptist Men-RA Banquet was a very enjoyable time. It was a blessing to he the reports of men who had gone to many parts of the world. They shared how Gc had used their talent and spiritual gifts to help others.

One of the greatest needs of Baptist Men is leadership. Men are willing to do but unle someone heads the organization not a lot is accomplished. The association leadershi is no different. There is a need for someone to devote time to relay information to chu ches about training conferences and the many mission opportunities at home and aroun the world. It is my regret that I was unable to give the attention to this important tas this past year. I have great love for Baptist Men's work and my prayer is that a goo Brotherhood Director can be found.

It is an honor to have the Baptist Man of the Year in our association. Skip Green received the award at the Baptist men's convention in January. Skip is a good examp of how it is possible to operate a successful business and devote much time to God work. He has been instrumental with building projects across the state as well as i Poland, Brazil, and Jamaica. He has also been the leader in getting the Disaster Relie van working to where it is now one of the best in operation anywhere.

Thanks, Skip, for your devotion and love for the Baptist Men's work.

Annuity Board Report

Honoring God's Retired Servants

Many Southern Baptist ministers and their spouses can enjoy comfortable retirements But it has not always been so. In the fall of 1916, William Lunsford, pastor of Edgefiel Baptist Church, Nashville, Tennessee, spoke to a regular Monday morning meeting o the Nashville Pastor's Conference. He spoke of the wretched plight of old and disabl ed Baptist preachers, their widows and their children. From that meeting, a denomina tional conscience was stirred.

In 1917 the Southern Baptist Convention appointed a committee, and in 191 messengers approved what has become the Annuity Board of the Southern Baptist Con vention. By 1920 the Board was distributing $1,000 a week in relief benefits and on minister received a $15 retirement check that year.

The Annuity Board is now the 132 largest pension fund in America with assets o more than $3 billion. In this, its 75th year of ministry, the Board will pay more tha $100 million in retirement benefits to more than 21,000 annuitants. More than $600,00 from the Southern Baptist Cooperative Program will bring relief to poor and aged ser vants of God. Another $500,000 will be given to needy annuitants through the Board' Adopt An Annuitant program.

Because churches love their ministers, they provide protection from financial hardps of sickness, disability, death and old age. Through the Annuity Board, churches fill the pledge to ministers recommended by Dr. Lunsford in his report to the Conntion in 1923:

"We will stand back of you; if you fall in the work, we will care for you; if you die, will not permit your family to suffer; if you grow old in it, we will comfort your clining years."

Annuity Board Sunday is a good time to honor God's retired servants. It's also a good ne to evaluate the retirement and protection plans for each church staff member.

North Carolina Baptist Hospital
Report to the Associations
1992

Baptist Hospital utilizes the skills and training of more than 5,700 employees t provide outstanding health care in settings as varied as the Brenner Children Hospital, the Trauma Center, and the J. Paul Sticht Center on Aging and Rehabilita tion. Last year, the Joint Committee on the Accreditation of Health Care Organiza tions said that Baptist Hospital ranks in the top 10 percent of all hospitals in the natio

During the past year, the hospital admitted 24,000 patients. It performed 16,66 surgical procedures, including 1,020 open heart operations, 29 kidney transplants an 80 bone marrow transplants. The AirCare helicopter flew 742 missions.

Total revenue of the hospital during the year was $407,280,000. Cooperative Pro gram gifts from the churches were $656,180, which was applied to the budget of th Department of Pastoral Care. The Mother's Day Offering and other special gifts fro the churches totaled $424,406 and was used for benevolent care for patients who ha no other means of paying their hospital bills.

The Pastoral Care Department, which is funded in part through the Cooperativ Program, provided clinical pastoral education to 55 students during the past yea The Pastoral Care staff provided more than 53,000 specific ministries to hospital pa tients, family members, and staff. And, the counseling division provided over 24,00 counseling sessions. The professional staff of the Pastoral Care Department continu to respond to requests for help from churches in conflict, from pastors and the families across the state.

The various services of the hospital are readily accessible to all North Carolin Baptists and others. A telephone call to the Health-On-Call Office (919-716-225 can secure an outpatient appointment with any one of the various specialists on th staff or can begin the process of gaining admission to the hospital if that need indicated.

Charges for the hospital services compare very favorably with those in oth hospitals of the state. Reports from the North Carolina Medical Database Commi sion indicate that Baptist Hospital's charges are lower than the average in oth hospitals which provide similar services and are considerably lower than in the oth teaching hospitals. Our hospital did not have an increase in it's rates for the curre fiscal year of July 1, 1992 - June 30, 1993.

The hospital's physical plant continues to expand. A new 840-space parking dec was opened in January. A new Emergency Department/Dietary building which wi also make possible more private patient rooms is under construction now. Constru tion will begin soon on the 170-bed skilled and intermediate care nursing facility an on the J. Paul Stitch Center on Aging and Rehabilitation. This expansion will mak it possible not only to serve more people, but to serve them better.

The staff and patients of Baptist Hospital are grateful to North Carolina Baptis for the heritage they have given the institution and for the moral and financial su port they continue to give to its ministry.

Annual Report
Christian Action League of North Carolina, Inc.
1991-1992

This has been another eventful year for the cause of Applied Christianity to say ıe least. The gambling industry pulled out all "stops" to get pari-mutual gambling ıorse and dog racing) on track and to get a lottery bill enacted. Both attempts failed. The pari-mutual proposal is in a Legislative Study Committee with the proponents aiting for a more favorable climate before making a major push.

It has been a different story with the lottery measure. The gambling employed 14 f the best known and most successful lobbyists ever to walk the legislative halls to ush for cause. They were successful in getting the lottery bill through the Senate, ut it hit a stone wall in the House. Led by House Speaker Dan Blue (D-Wake) and louse Finance Chairman Joe Hackney (D-Orange), lottery opponents kept the pro- osal "bottled-up". House lottery leader, Rep. David Redwine (D-Brunswick) told ıedia representatives that he was within two or three votes of getting the bill out f the House Finance Committee. The truth is that he was never within 10 votes.)ut of the 50 House Finance Committee members, lottery forces could never count ıore than 20 supporters.

The Senate leadership sought to tie the lottery bill to a state employees and school :achers pay raise, but that failed. Then, they wanted to tie it to educational bonds)r the university, community college, and public school systems. That failed. In spite f tremendous pressure being put on House Speaker Dan Blue by the Senate Leader- hip and pro-gambling forces to support their cause, he remained adamant in his pposition to any state-sponsored gambling legislation.

Governor James G. Martin is to be commended in his unwavering opposition to ny gambling proposals.

We urge your association and your churches to pass resolutions of appreciation) be forwarded to Governor James G. Martin, State Capital, Raleigh, N.C. 27611; House Speaker Daniel T. Blue, Jr., Legislative Building, Raleigh, NC 27611, and) your Senate and House members for their opposition to state-sponsored gambl- ıg, the lottery.

The gambling industry will be back in 1993, and the best way to secure the support)f your elected officials for future battles is to express your appreciation for their upport in past battles.

The League has also remained in the forefront of working with communities across he state in opposing liquor, beer, and wine referendums.

Our Raleigh office is a source of information on other moral and ethical issues onfronting the Christian community.

Thank you for standing with us with your prayer and financial support as we assist ou and your churches in the cause of Applied Christianity.

1991-92 Director of Missions Report

Each year when I am asked to do this annual report I see it as a two-fold task:)ne, to report the happenings of the past year and two, to evaluate what we are do- ng as an association. Evaluation is not always a pleasant experience. It causes me o ask questions like, could we have done more and what could we have done that

would have proved more successful?

Webster defines the world progress as a moving or going forward, an increase in proficiency. It is always my goal as a Director of Missions to see progress. We have seen progress during the past year. Most all of our program areas continue to grow. For the first time in our history we have over 10,000 members in our churches.

Out of all things that I have been involved in over the past year, four things stand out: World Missions Conference, Mission Vision '95 Workshop, Total Church Life Seminar and the budget. Twenty-five churches participated in the World Missions Conference with total attendance of 8,351. The Mission Vision '95 Workshop was well attended. During the workshop material was presented to church leaders that informed them about demographics and trends for the 90's. The Total Church Life Seminar was very challenging to all who attended. Twenty-one churches were represented with 73 people registered. During the seminar, J.W. Hutchens challenged churches to define their church field and organize to evangelize and reach all who are unchurched. I could not complete this report without extending appreciation to all of the churches who have helped me to make this the best financial year that Three Forks Baptist Association has ever had. We completed the year over budget and reduced our indebtedness on the Baptist Building to about $10,000.

Listed below are a few of the many opportunities of service for which I am grateful to have participated: Worked with many committees and councils, served as a team leader for our team going to Araraquara, Brazil, assisted with ordination services for several deacons and one pastor, worked with the local prison committee, taught once a quarter at Fruitland Bible Institute, served on the Institutional Relationship Study Committee of the Baptist State Convention, active on the board of directors of RAM, assisted two churches with a mission partnership in Pennsylvania, helped three churches to deal with crisis situations, met with a group to discuss the possibility of beginning a mission in the Foscoe/105 area, conducted Soul Winning Workshops in two churches, helped the ASSISTeam to develop plans for a special Sunday School emphasis for the coming year, filled many pulpits, assisted in revivals and weddings, served as a judge for the local and state Youth Speakers Tournaments, judged the RA Mission Fair, was a member of the VBS Clinic Team, attended the SBC, attended the week of Christian Study and Fellowship at Mars Hill, attended the Summer DOM Conference at Wingate, spoke in area camp grounds on Sunday, taught VBS in two churches, helped one church with baptism, attended the Baptist Building Staff/DOM Conference, helped South Fork with a Sunday School Growth campaign.

Thanks for the many opportunities of ministry. Thanks for the opportunity of serving the Lord with you in Three Forks.

Respectfully submitted,
Harold Bennett, Jr.

Associational Council Report

The Associational Council has met every quarter during the year to review and plan the program work of our association. The council is made up of dedicated Christian leaders who are committed to Christian development and ministry.

The council is available to help or assist all churches in reaching their community for Christ, developing the believers and making missions a priority.

The council has planned, budgeted and calendared activities for the coming year.

We hope that the new associational calendar, with the new format, will be a great asset to each church.

The council members are always willing to assist any church when asked. If your church has needs that the council can help with, please feel free to contact any council member or the associational office.

Church Development Director

As with happiness or love, church growth often eludes us if it is sought feverishly. One should not view growth as a goal within itself or as a prerequisite to success or bigness. Church growth results from the accomplishment of the church's multifaceted mission. Growing churches major on meeting needs of people rather than promoting institutional concerns. Church growth is a course of action to attain a better quality of church life and an increase in the numbers of people reached. As a church seeks to be the people of God, that church will witness the changed lives of its members. These changed lives should result in church growth.

Church leaders should examine the congregation and the community in such a way that ministry needs are discovered. Each church must clearly define its own ministry targets. Needs discovery allows people to see new possibilities and builds positive anticipation.

An old saying goes, "If you don't know where you are going, any road will take you there." To grow, a church must decide that growth is its destination, then plan how it intends to get there. This kind of intentional action then becomes a way of life for the church. Growth means choosing to create the church's own future.

I believe that every church can grow. I am anxious to help your church to become a growing church in 1993.

North Carolina Baptist Foundation, Inc.
Annual Report to Baptist Associations of North Carolina

July 1992

The North Carolina Baptist Foundation, as an agency of the Baptist State Convention of North Carolina, is committed under the guidance of the Holy Spirit in serving North Carolina Baptists and others in generating an increased awareness of Christian estate stewardship principals as a means of financially undergirding churches, institutions and mission endeavors on a permanent basis.

Assets are managed under the direction of the Foundation Board of Directors with interest income being paid in perpetuity to Baptist causes named by the donor or to the donor (or heirs) for their lifetime (or specific period of time) before the income is then paid in perpetuity to the named Baptist causes.

Earned income distributed and paid to Baptist churches, institutions and mission causes during fiscal year 1991:	$1,100,606
Earned income distributed and paid to individuals (with Baptist causes named as future beneficiaries) during the fiscal year 1991:	$1,062,643
Total market value of Foundation assets, December 31, 1991:	$36,283,384

During 1991, the Board of Directors, with the assistance of a nationally recogniz ed investment consulting firm, adopted a detailed Investment Policy to govern th types of investments that its fiscal agents may make in keeping with the Christia commitment of the Foundation, as well as attempt to insure that the future spendin value of the invested trust fund dollar will keep up with inflation. A study revealed that during the past five years the fiscal agents managing the Foundation assets ranke near the top nationally with other investment managers who operate under invest ment guidelines similar to the ones provided by the Foundation Board.

The Foundation staff and operations are housed in a building adjacent to the Bap tist State Convention Building in Cary. Individuals and church groups are invite to call and arrange a visit of their Trust Agency's office building.

The significance of the Foundation services was illustrated in a recent experienc that staff members had while eating in a fast food restaurant in Durham. In takin a seat adjacent to a table occupied by a young black police officer, we observed th enthusiasm of a white lad of about 4 years of age as he stood talking to the officer As the mother and a younger child, coming from another area of the restaurant called for the lad to join them, he walked away from the table 6 to 8 feet, turne around and said to the officer, who was now standing and preparing to leave, "Ca I give you a hug?" After an affirmative answer from the officer, the child walke over to the officer, reached around his legs and gave him a hug. The officer confirm ed to us that he wished the world was filled with people like this child. The exampl corresponds to what so many already have done through the Foundation. As the approach the time of leaving this earthly life, they look back affectionately on wha the Lord has done for them during their life and decide that they want to leave a expression of their love through an enduring and lasting gift (a "hug", if you please that will serve the Lord until His return.

Dedication

D. Harold Bennett, Jr.
Director of Missions 1984-1993

In 1984, God sent a dedicated man to our Association as Director of Missions. Rev. Harold Bennett, Jr. is a native of western North Carolina and possesses a unique understanding of mountain people and their culture. He came with a vision for spiritual growth and having been a school teacher and pastor, he was prepared to undertake this leadership position. Harold has become a good friend to the pastors, endeared himself to the lay people, supported the various organizations through prayer, encouragement and inspiration and challenged the leaders of the Association and of the local churches to a deeper commitment of what God has called us to do. Under his capable leadership there are many evidences of spiritual growth that have become a reality due to his hard work and devotion. We as members of the local churches within the Three Forks Baptist Association, sincerely thank Harold for all his contributions as he has allowed God to work through him. These past eight years have been very important ones for our Association. Our prayer is that God will continue to do great and mighty things through Harold, as he continues his ministry as pastor of Greenway Baptist Church.

Respectfully submitted,
Mrs. Bertha Robinson

Blowing Rock Baptist Church was organized on July 11, 1903 in the public school hous This little red school house was located near Mayview Lake now in Broyhill Park. Th Presbytery consisted of J.J.L. Sherwood, J.M. Payne, and I.W. Thomas. I.W. Thom who had also served as School Superintendent of Watauga County from 1885 to 189 served as its first pastor. Mr. J.D. Brown served as the first clerk. Twelve men and wo en were charter members: Mrs. Emma Greene, Mrs. Jane Benfield, Mr. and Mrs. J.M Hodges, Mr. and Mrs. J.D. Brown, Mrs. Exie Lentz, Mr. and Mrs. J.E. Greene, Mr John Edmisten, Mr. J.A. Edmisten and Mrs. Artie Peoples. In a meeting held at Zio Hill Baptist Church on August 25, 1903, Blowing Rock joined the Three Forks Associa tion with messengers Enzor Greene and J.D. Brown who reported the following: 50 cen for minute fund and other objects $5.14. Only six males and eleven females made up th membership, an increase of 5 members. The first pastor's salary was $60.00.

W.I. Henderson and wife Ora T. Henderson of Mecklenburg County and Jno. D. Shaw Jr. and wife Bettie T. Shaw of Scotland County sold to the following trustees of Blowin Rock Baptist Church, J.B. Clarke, J.M. Hodges, and J.E. Greene 1 and 1/4 A. on O tober 7, 1903 for $500.00 on Main and Broad Street.

The first building was a one-room construction of wood with wooden benches and stove in the middle of the floor. This building stood under a big maple tree to which th horses were hitched during the services. These were union services. The Baptist ministe was responsible for the first Sunday service with the Presbyterian, Episcopalian, an Methodist filling out the month. Sunday School was held each Sunday with teachers fro the designated denomination sharing the teaching.

After being received into the Association, a motion was made to hear a letter from W.F Gwaltney of Hickory asking for aid for the Blowing Rock Church. One year later it wa recorded that $1.00 was pledged to the Orphanage. The Association annual minute reporte aiding in building a church house while the State Mission Board paid part of the pastor salary enabling the church brethren and the Association to give more aid in erecting building. Two hundred seventy-five dollars was paid on the lot for the erection of th church building mostly paid by the Blowing Rock brethren with the frame being up. Ye there were needs to buy lumber, shingles, doors and windows to enclose the building be fore winter. An offering was taken and received $3.17 and Br. J.J.L. Sherwood agree to pay $5.00 to the church.

In 1904, the following finances were reported: Minute fund - $.50, pastor's salary $50.00, building and repairs - $63.87, State Missions - $1.32, Home Missions - $1.5 Foreign Missions - $1.67, Orphanage - $2.38, and Old Minister's Relief - $1.52. Twelv had been added by letter for a total of 23: 9 males and 14 females.

In 1905, it was reported that the house was covered, enclosed and floored. The doo and windows were in and it was being painted outside. The total amount received wa $867.67 of which $338.83 was reported from special offerings. It was this year the fir death of a member was recorded.

The church was almost completed in 1906. The outside painting was complete, ceile and the pulpit and seats were put in. Yet to be completed was the inside painting and th church owes about $150.00 on the house and lot with the total cost being about $1,200.0 "This burden has been borne nobly as we are told to assist each other in love, as th minutes record." This year the Sunday School enrollment had increased to 53 with th total expense being $5.52. J.D. Brown was Superintendent. Today the Sunday Scho enrollment is 95 with an average of 60.

A joyous announcement was recorded in 1909 when it was stated that the ''house has en completed 2 years with contributions from brethren, sisters, and friends and all obli-tions paid.''

The original building was used until 1924 when a new church was built at a cost of 7,000. Appreciable growth began to take place and Blowing Rock called its first full-ne pastor, Rev. Ben Lee Ray, in 1941. The home of W.L. Robbins was purchased by owing Rock Baptist Church to be used as its first parsonage for about $4,000.00. The ed was made on December 2, 1943. In 1965, property was secured from Ernest A. nner and wife Helen, D.C. Coffey, Jr. and wife Lura, and Mrs. Charles F. Brown. is lovely structure seating 360, Broyhill Chapel seating 160, and the educational facili- seating 200 which is enjoyed by all, was built for a total cost of $300,000. The first rvice was held in the Broyhill Chapel in April 1968. A total of 23 pastors have served s congregation with Rev. C. Donald Rogers presently serving a membership of 212. storal aid continued from the State Mission Board until 1941.

In August 1913, a WMU was organized with 21 members and Miss Rose Edna Brown rved as president. A Sunbeam Band was also organized.

One interesting item was noted. In 1917, the church voted to form a field with Cove eek and Boone First with M.A. Adams serving as pastor. The minister would live in one and serve Boone 2 Sundays per month, Cove Creek one, and Blowing Rock one. ter Boone First withdrew from the arrangement and became a 3/4-time field. The minister rving Blowing Rock and Cove Creek lived in Cove Creek. This continued for some time. The Association met with this church in 1969, 1977, and today, 1993.

The opportunities of this lovely church are unique. Being located in a tourist communi- its ministry reaches literally ''around the world''. A strong program is evidenced and rely it has found favor in the eyes of the Lord.

Earl Greene, Historian, 1993

Pleasant Grove Baptist Church

On June 14, 1891, a presbytery consisting of A.J. McBride, J.J.L. Sherwood, and Dav Greene, along with 28 members from Cove Creek and Mt. Zion (now Zionville) co stituted Pleasant Grove Baptist Church. The ''firsts'' include: Pastor - David Greene, Tre surer - James Perry, Clerk - Robert Perry, and Deacons - Rufus Smith and James Isaa In a meeting held with Mt. Gilead Church on September 15, 1891, Pleasant Grove join the Three Forks Association. At that time a membership of 36 was reported with 75 cen being given to the minute fund. One year later, Pleasant Grove reported 32 males a 39 females; a total of 71. Twenty-three baptisms were recorded and sixteen joined letter. Today the total membership is 446.

The first structure to house this body was completed March 24, 1894 on 3/4 acres land deeded to the deacons by James A. Rayfield and his wife Polly J. for $7.50 ne the public school house. This was the year of the organization of a Sunday School w 77 scholars attending and 10 officers and teachers. Fifty quarterlies were purchased a the total expenditure for Sunday School was $3.00. In 1993, an average Sunday Scho attendance stands at 122.

The salary for the first pastor in 1892 was recorded as $23.00 while the total financ were only $26.35. A parsonage was completed in 1951 and as the church continued grow and prosper, a decision was made in 1959 to call its first full-time pastor to the fie of service, Rev. B.R. Tuttle. As early as 1925, monetary contributions were record for the care of retired ministers.

Missions in many forms have been a part of this body's service - helping those in t community with medical bills, food, etc., Foreign Mission offerings, Indian Territory m sions, supporting Mills Home with money and food, and giving church pews to anoth church in Tennessee. In 1932, the first W.M.S. was organized. Mrs. Mollie Adams serv as the first president and that same year a contribution of $1.00 was given for missio A strong mission support is a part of its program today.

Throughout the years some interesting notes were recorded. In 1892, $2.00 was pledg to the Orphanage. It is noted that two additional parcels of land were purchased for $19.8 On April 7, 1939, it was recorded that electricity was first received at a total cost of $53.7 It is one of the few mountain churches to enjoy air conditioning which was installed 1992 along with new carpet and pews.

Disciplinary action was rendered as needed but it is recorded that often restorations we made and love prevailed. It has been throughout the years a caring community. As a tes ment to this, 5 ministers have been ordained by this body.

As we meet in this lovely sanctuary today, we remember that the first service held he was on February 5, 1961. Since that time many improvements have been made. Rev. J ry Smith is presently serving as pastor since 1989.

This sanctuary is a true reflection of the loving and caring community which it serv It is a tribute to our Lord and Savior Jesus Christ.

The General Board formed the Institution Chart Committee in January to assist our agencies and institutions to amend their charters conform to the convention action. 1993 Sunday School Report

The Associational work in Sunday School is carried out by a team of age group Sund School workers known as the ASSISTeam. ASSIST stands for Associational Sunday Sch Improvement Support Team. During the past year this team was expanded from five me bers to nine members. The larger team has lightened the load for this team of volunte while at the same time broadened the experience and expertise.

The ASSISTeam has functioned primarily by providing training for Sunday School wor-rs in the local church. These training opportunities have included three Associational aining Schools, a Vacation Bible School Clinic and a Pastor/Sunday School Director orkshop.

During the year the team was assisted in planning by Neil Knierim of the Sunday School ard. Mr. Knierim led a series of listening sessions for pastors and Sunday School directors October. The information used in the listening sessions was used to plan training events 1993.

One training event remains on the calendar for 1993. That is a Sunday School Leader-p Night, September 14 at 7:00 P.M. at Greenway Baptist Church.

The ASSISTeam consists of the following:

Preschool: Sue McGhinnis, Ellen Norris
Children: Kathleen Ward, Mike Surber
Youth: Joe London, Pat Vines
Adult: Lewis Thomas, Dean Coffey
Director: Richard Miller

This is an excellent group which will serve you well in promoting the improvement Sunday School work in the churches of the Three Forks Association.

Richard N. Miller, Assoc. S.S. Director

Missions Development Council Report

As Christians our mission is to make Christ known to the world. Churches are God's imary agencies for fulfilling this mission. The purpose of Missions Development Coun- is to plan for and encourage involvement and prayer support of missions in church mmunity; in the association; and in state, home, and foreign missions. Some kinds of ork being encouraged are:

1. Ministries in Nursing and Rest Homes. Much is being done by WMU organizations and others.
2. Support of local prison ministry by personal involvement, by regular financial support of chaplaincy and other expenses. We encourage each church to give regularly (budget or otherwise) as well as individual and other contributions. Contact Chaplain Rev. Herbert Hash (Tel. 264-2586) for more information on prison ministry.
3. There are various opportunities for churches to be involved in Mobile Home Park ministries and in various resort areas.
4. Cooperation in New York partnership through financial assistance and personal involvement. Some have already given personal assistance in Thousand Island Association (the area assigned to NC). Our associational coordinator is Rev. Gordon Rawls. Contact him about various types of participation. (Tel. 264-9520)
5. Support of Ukraine partnership in 3 specific areas:
   a. Renovation of a building to be used as a seminary.
   b. Provide financial and construction personnel assistance for completing the construction of 13 churches.
   c. Support of 100 "home missionaries" for 3 years. It will take only $750.00 per year to support one Ukranian home missionary. This can be done as a

church or combination of churches, etc. Report to association office if y
are supporting a missionary. Send check for support of a missionary to: N
Baptist Convention, c/o Dr. George Shore, P.O. Box 1107, Cary, N
27512-1107. Be sure to put on check "For Ukraine Missionary." At writi
of this report July 1993, we are aware of support for 4 missionaries. T
Ukraine Partnership Coordinator is Mr. Perry Greene, Jr. (Tel. 262-10

We encourage each church to have a Missions Development Council composed o
mission minded persons plus directors of WMU and Brotherhood. It is their responsib
ty to promote missions work in local community, association, and in the partnershi
etc. We invite and encourage each church to have persons attending our quarterly me

Interim Director of Missions Report

Although my tenure has been short, it has been most rewarding. The Tax Semi
was attended by leadership from nine churches. The Refocusing the Call Seminar w
Dr. Tom Jenkins, Director of Missions Division of the North Carolina State Convent
was attended by sixty persons. The Missions Awareness Dinner featuring the New Y
and Ukraine Partnerships was well attended with 72 persons representing the sixt
churches. It has been my joy to be able to visit or worship in twenty-seven of our church
I found in each of them a warm spirit and an excitement in the work of the Kingdo

An Association is a group of churches associating with one another, working toge
as a team in harmony and unity with mutual respect for one another. We come nov
ask what does it mean for an association to be churches on MISSION together.

Southern Baptist Churches are autonomous, that is, each governs itself. Each chu
has its own local and individual ministry. As an association the churches decide as a gr
what ministries they want to do together, as a joint venture, apart from and in addi
to what they are doing individually.

In order for an association, a group of churches who are associating with one anot
to be on MISSION, those churches must come together and make decisions as to wh
ministry/mission needs they want to cooperate together in doing. Again, that is wha
the churches want to do together, as a joint venture, that they are willing to actively p
ticipate in and are willing to jointly fund.

The New York and Ukraine Partnerships are wonderful examples of MISSION w
churches can unite in doing together to advance the Kingdom of God.

I join you in prayer for the Search Committee as they seek God's man to lead this a
sociation into the next century.

1993 Baptist Hospital Report

Founded in 1922, Baptist Hospital ia a missionary enterprise of the Baptist churches North Carolina. The essence of our purpose is to carry out a ministry of healing as ght by Jesus Christ. We remain fully committed to this mission as were our founding ers. In the midst of changing health-care norms, we have not, nor will we, deviate n this mission. The following paragraphs report, not only basic facts, but various results how we have sought in the last year to remain true to our heritage while providing lity health care at affordable prices.

PROVIDERS AND RECIPIENTS OF HEALING

Our healing team now consists of 5,852 employees. The Medical Center (NCBH and SM) personnel total employment is fast approaching 9,000 people making us the sec- largest employer in Forsyth County. In our 806-bed facility, we had 23,247 inpa- nt admissions. Our Outpatient Department, physicians' clinics, and other related depart- nts received 490,667 patient visits.

Our chaplaincy division joined with our health-care professionals to provide spiritual l emotional healing. With 15-40 chaplains present at various times, 52,934 ministries re provided to patients, families, staff and groups.

A new department of our Pastoral Care program named the Center for Congregational alth was given birth. Its purpose is to (1) train Intentional Interim pastors; (2) train urch leaders; (3) provide a minister's assessment program; (4) establish a Minister's lp Line providing an opportunity for church leaders to receive guidance via a telephone l. The Pastoral Counseling Division opened a new counseling center in Wilmington nging our total counseling centers to 11 across the state. The centers provided 16,205 unseling sessions.

POINTS OF EXCELLENCE

. The Joint Commission on Accreditation of Healthcare Organizations ranks Baptist spital in the top 9% of all hospitals in the nation.

. We performed our first pancreas transplant and first double organ transplant (pan- as and kidney) this year.

. We are one of only 26 comprehensive cancer care centers in the nation, treating more ncer patients than any hospital from Baltimore, Maryland to Atlanta, Georgia.

. Quality infant through adolescence care in our Brenner Children's Hospital.

. Our neonatal transport team is the largest in North Carolina and one of the 10 largest the U.S.

. Our Level I (highest award) Trauma Center has 2,100 admissions a year.

SUPERB FINANCIAL STEWARDSHIP

In the midst of escalating health-care costs, we have a proven record of excellent wardship.

. The latest report of the North Carolina Database Commission comparing hospital major services charges vs. Baptist Hospital reveals, for our most frequent diagnoses:

Duke - 36% higher
Carolina's Medical Center (Charlotte) - 36.5% higher
UNC-Chapel Hill - 28% higher
Average statewide - 9% higher

2. We are one of only 17 similar hospitals nationally with a ''AA'' bond credit ratin
3. Averaging the last two years and the projection for 1993, the Consumer Price Ind will average 3.9% and the Medical CPI will average 9.7%. Baptist Hospital char increases for the same period will average 3.3%, well under both the above mention indexes.

EXPANSION FOR MEETING THE NEEDS OF THE FUTURE

Emergency Department/Dietary

Under construction at the present time to be completed by June 1995, this facility w total 750,000 square feet. Our current ER was designed to handle 29,000 patients annu ly, but it is handling more than 40,000. Our new ER capacity will be 70,000 annual This building will also house three floors of patient private rooms, our Pharmacy Depa ment, and a 35-bed Day Hospital, new kitchen and cafeteria.

J. Paul Sticht Center on Aging and Rehabilitation

It will include geriatric care, research, and education; psychiat and also provide comprehensive acute rehabilitation services including nutrition asse ment, physical, outpatient, speech, and recreational therapy.

BAPTIST BENEVOLENT CARE FUND

Last year Baptists across our state gave $422,000 to our annual Mother's Day Offerir All of these monies went toward relieving the financial burden of scores of former p tients who have little or no health-care insurance and no financial means to pay their hospi bills. The churches and individuals help make this ministry possible and we are gratef

In conclusion, it is readily seen that this healing ministry we share together says to c patients and their families: ''We care about your health-care needs, your spiritual a emotional needs, and your financial burdens, and we express our caring through service

1993 Baptist Children's Homes of N.C.

P.O. Box 338 • Thomasville 27361-0338 • (919) 472-1000

Chris starts college at North Carolina State this fall on a football scholarship. After leadi Thomasville to a state championship in 1991, Chris also earned national honor soci recognition, was active in the community counseling drug abusers...and became a Chr tian at Mills Home.

Kathy married a Christian young man who was a volunteer at Broyhill Home, where he lived. She continues her education at Haywood Technical College while working and becoming a young wife. She and her husband, Kris, are members at Woodland Baptist Church, where she was active in leading children's programs, even as a Broyhill resident.

Several rows of supportive staff members cried during the wedding when the minister asked, "Who gives this woman to be married?" Child care worker Jim Johnson responded, "Her mother and I do."

"Her mother," was Jim's wife, Vivian. Together, Jim and Vivian helped Kathy develop from an angry and withdrawn child, to a beautiful, confident Christian leader.

Ashley was growing up too fast...and her parents didn't know how to handle it. They wanted to treat her like a child; she wanted adult freedoms. When their constant clashing came to blows, they knew they needed help.

Through the family clarification program at Mills Home, both Ashley and her parents learned the roles they played in the family conflict, and how to listen, forgive and adjust in the future.

"We're very grateful to Baptist Children's Homes," said Ashley's mother, Victoria. "I don't know what we would have done. I don't know what would have happened to Ashley. I've had friends say to me, 'I never knew there was a place like that.'"

Well, there is a place like that.

Thank God. Baptist Children's Homes in 1992-93 served 1,453 children and their families through programs of intentionalized services at 13 facilities across North Carolina.

Those facilities include four residential care campuses; seven emergency care homes; two homes for behaviorally troubled girls; therapeutic camping for boys; a maternity home; a home for teen-age mothers and their babies and a model daycare facility.

Baptist Churches, through the Thanksgiving Offering, Cooperative Program and direct gifts funded about one-third of BCH's $10 million budget. A significant source of income continues to be from estate gifts from those who remember children in their wills.

BCH's model daycare service took a giant step June 27 when the new $1 million, 10,000 sq.ft. Fleshman-Pratt Early Childhood Education Center was dedicated. It will accommodate 75 infants, toddlers and two-year olds.

During the dedication, Robin Britt, N.C. Secretary of the NC Department of Human Resources, said BCH is "a true model of how young children can be shaped, nurtured and loved," and that "we will be looking at institutions like the Fleshman-Pratt Early Childhood Education Center as we find models to replicate."

T. Winfield Blackwell, president of the Fleshman-Pratt Foundation, whose lead gift started construction of the building and said, "Think how many children will be raised and shaped by the dedicated staff who serve here, and surely a goodly number will be developed, not only to be good citizens, but active ministers in God's service."

Churches interested in beginning or improving their daycare ministry can get free help from director Mary Lou Dickey. Call (919) 472-3503.

BCH also dedicated a counselor's lodge at Cameron Boys Camp; completed a strategic planning cycle for the next three years; celebrated the 50th anniversary of Odum Home in Pembroke; completed a three-year partnership with the Baptist Children's Homes of Sao Paulo, Brazil; and produced a new video about BCH, available Aug. 15.

Swelling with emotion at the dedication of her new building, Daycare Services Director Mary Lou Dickey promised, "we will not fail" those who trust BCH with their children.

Michael C. Blackwell, who celebrated his 10th anniversary as president of BCH July , echoes that promise. "Baptist Children's Homes has been a cutting-edge ministry for

North Carolina Baptists since 1885. As a disintegrating society moves the edges furth and further, we're honing our ministry sharper and sharper. Thank you, North Caroli Baptists, for your support.''

Foreign Missions Report

Southern Baptists share a rich heritage of missions that has endured for a century an a half. Today's Southern Baptist missionaries join a long list of servants - like Lottie Moo William Bagdy and Bill Wallace - in sharing the mystery found in Colossians 1:27: "Chri in you, the hope of glory." They are builders, laying the foundation for a bridge yo can cross to reach a needy world.

And the building does not end in 1992. Until the Lord comes, the Foreign Mission Boar will be about the business of delivering the salvation message to people groups aroun the globe. We know "they are precious in His sight."

BRIDGING THE DISTANCE

In 1992 Southern Baptists joined believers in 129 countries to share the rich messag of Christ's forgiveness. Just as for the last 148 years, that message brought bountiful harves

New Life: Through churches related to Southern Baptist efforts, 199 proved to be another record-setting year for baptisms aroun the world: 251,901. This was an 8 percent increase over th previous year.

New Fellowships: Another record setter: 1,606 churches were born in 1992. Th 5.8 percent increase in one year demonstrates the aims of th Foreign Mission Board.

SUPPORTING THE BRIDGE

As you prayed for missions in 1992, you gave millions of dollars through the Cooperae Program and the Lottie Moon Christmas Offering. You also sent special financial ts for world hunger and relief.

Lottie Moon Christmas Offering reached its highest total ever - more than $81.4 miln given for world evangelism and ministry. One hundred percent of the Lottie Moon fering goes for overseas missions budget.

In 1992, more than $69 million came to the Foreign Mission Board through the Cooperve Program.

Southern Baptists responded to a hurting world with $7.4 million for relief and hunger eds through the World Relief fund.

CROSSING THE BRIDGE

Foreign missions efforts continued with milestone results in 1992. Southern Baptist misnaries went in all directions to spread the good news of Jesus Christ. Their travels took em into the heart of the world's problems: hunger, war, ethnic strife, ignorance and pelessness.

Missionaries to Japan saw church growth surge beyond expectations. Their goal of starting churches by 1995 likely will be surpassed earlier than anticipated in this hard-to-reach ld.

In Thailand, a provincial governor accepted Christ as Savior in part through missionary forts - despite the fact that 95 percent of the Thai people claim the nation's official religion, ddhism.

Southern Baptist missionary, Nela Williams stood courageously in war-ravaged Croa, where she aids refugees.

YOUR PLACE ON THE BRIDGE

God has provided Southern Baptists with a proven way to reach the world for Christ. He asking you to take a specific job in building more extensions on the missions bridge? s plans for foreign missions, and for you, are marvelous. We encourage you to find od's place for you - on the bridge.

The Biblical Recorder

The only thing that is unchangeable is change itself! For most of us it is impossible comprehend the radical and often destructive changes which are taking place in our rld. In politics, morals, economics and church life, our Baptist world is faced with cisions and issues without equal.

Whatever one's view may be, there is an indispensable need for correct and reliable formation. The *Biblical Recorder* was born and continues to serve for that purpose. Never as the *Recorder* more needed than now.

People are reading less than any time in recent history. It is true of secular publicatio it is true of wholesome books from respected libraries, it is true of religious publicatio We live in an electronic age where we often think we know the answers to the issues o to discover we do not.

An informed Baptist is a better Baptist; an uninformed Baptist may be an uninvol or disruptive Baptist. No democracy, including our local churches, can survive long with an informed, involved constituency which makes decisions based upon accurate inform tion from reliable sources.

The most important thing facing us at this point is to get the *Recorder* into more Bap homes than ever before. Your support as a subscriber and reader and your encouragem to others will enable the paper to better serve the constituency with accurate and hel information delivered to Baptist homes and churches. We need your help!

In order to save churches large amounts of money and to increase the readership the *Recorder*, Church News Service (CNS) was launched in 1990. This system lets congregation have their church newsletter incorporated into the *Biblical Recorder* wh saves staff time, postage and printing costs. Usually, for less than what it costs to prod the church newsletter, CNS gives the entire Baptist communication package to each fa ly in the congregation. Anticipated increases in mailing costs makes CNS a greater va in 1994 than even when it was started in 1990.

The paper focuses more and more attention on North Carolina Baptists with news, f tures and inspirational articles which will encourage individuals and churches in their w ness and ministry. One sure way to conquer problems and overcome the barriers to effec witness and ministry is to have the facts, know the issues and be adequately inform

That is why the *Recorder* was born; that is why it serves today. For more informa on how your church can subscribe or use CNS, contact:

1993: The Best of Times

d you know that:

In 1993, North Carolina reached place number ten (10) among all the states in the Unit-States in regard to the size of its adult population over the age of sixty-five (65).

That one-half of all the people who have ever lived to be sixty-five (65) are now living.

The fastest growing segment of North Carolina Baptist life is composed of those adults ghty-five (85) and older and that by the year 2000 that age category will double in size.

That by the year 1996, North Carolina's "Baby Boomers" will be turning fifty-five 5) every 18 seconds.

That by the year 2010 one out of every two people living in North Carolina will be ty (50) years of age or older?

hat do figures like those above mean for North Carolina Baptists?

They point to the fact that one of the greatest needs facing our Convention as we move to the year 2000 is the provision of quality, affordable long-term care services to func-nally impaired Older Adults through the expansion of existing long-term care facilities, d through the development of creative approaches to long-term care such as rural home alth services, community day care programs, and respite programs for homebound care oviders.

In an attempt to meet the above mentioned need, Baptist Retirement Homes of No Carolina, Inc. in 1993:

• Opened the Rickman Nursing Care Center in Asheville, NC (a 100 bed Medicaid ce fied nursing care facility). The Rickman Center is a state-of-the-art long-term care facil that has been developed to meet the needs of the poor elderly in Western North Caroli (80 percent of the resident population will be recipients of benevolent funding).

• Renovated the Albemarle Baptist Home in Stanly Baptist Association and renamec the Taylor House. The Taylor House has no financial requirements for admission a is designed to provide care to the assisted living level of care resident, regardless of his/h ability to pay for the long-term care services provided.

• Developed a new addition to the Brookridge Health Care Unit in Winston-Salem in der to provide an area for small group work with residents suffering from dementia. T state-of-the-art program will enable Baptist Retirement Homes' staff to improve the qual of life experienced by members of its resident community who are mentally impair

Baptist Retirement Homes is keenly aware of the fact that without the support of No Carolina Baptists none of the above would have been possible. As a result of the pray and funding that the "Homes" receives through the Cooperative Program and the No Carolina Offering For Older Adults, it has been able to offer hope to many Older Adu whose future would have been uncertain without the caring involvement of North Caro na Baptists. It is because of you that our institution has been able to make life for ma Older Adults in 1993....The Best of Times.

Thank you North Carolina Baptists for your support!

Larry L. Lewis, President

INTRODUCTION

Andrew's winds hit Dade County like the shockwave of a powerful explosion. Ev the strongest buildings collapsed. So much destruction came so quickly. And almost quickly came the response. While Andrew was still clear-cutting a 20-mile swath in So Florida, disaster units from 10 Baptist state conventions were in route to help the th sands left without food, water and places to live. Southern Baptists nationwide pra for South Florida. They sent food, clothing and supplies. They gave $1.5 million. Th came by the thousands to help rebuild homes and churches. And they witnessed, expla ing to those they helped how faith in Christ can rebuild broken lives.

It was a holistic response, one that all Southern Baptists can be proud of. And it is example of how home missions, at its best, works everywhere: by going in Christ's na and spirit where people are in need.

Home missionaries are going where the people are to help Southern Baptists reach th A.D. 2000 goals: 50,000 churches and church-type missions; 500,000 baptisms per ye

000 home missionaries serving; and 75 percent of all churches growing and ministering. It has been said many times that missions is the glue that holds Southern Baptists together. 'hile there always have been, and always will be, differences among Baptists, missions something we all can agree on. And it's something we can all become involved in. Home missions is a cooperation among local Baptist state conventions and the Home lission Board. The work of 4,868 home missionaries is possible because of your prayers nd your gifts through the Cooperative Program and the Annie Armstrong Easter Offer-g. We want to thank the Woman's Missionary Union and the Brotherhood Commission r promoting this offering. In 1992, Southern Baptists gave $37,615,371, the largest offer-g on record, through the Annie Armstrong Easter Offering to support home missions. his is a 5.89 percent increase over 1991.

1993 Annuity Board Report to Associations

The Annuity Board focuses on the care and protection of God's messengers. It striv to ensure all pastors, other ministers and eligible church and association employees, w their families, have adequate income for retirement and adequate insurance protection cluding life, disability and medical coverages.

As the first quarter of 1993 ended, 35,309 persons serving 20,062 churches were p ticipating in the Church Annuity Plan. This is the highest number of members in the his ry of the Plan.

While these statistics reveal progress, far too many of God's servants are not protect or have inadequate protection. God's word clearly teaches us to provide for His call servants. The Annuity Board challenges churches and associations to be faithful to Go instruction.

The Church Annuity Plan provides financial security before and after retirement. Protection Section includes valuable disability and survivor benefits funded by state co vention Cooperative Program dollars.

A recommendation: The minister or employee agrees to contribute 5% of pay (p housing); the Church agrees to contribute a 2 for 1 match (10%) of pay (plus housin The percentage may vary, and maximum contribution limits are set by the law. The chur by entering into a Cooperative Agreement certified by the state convention, may ma it possible for the member to receive state convention matching contributions.

The Church Life and Health Program provides excellent insurance protection. Th have been no medical rate increases since July 1992, and no increase is anticipated t year. Work is continuing to allow us to offer a Health Maintenance Organization (HM to the program.

For 75 years the Annuity Board has served those who serve the Lord. If we may se you, call us toll-free at 1-800-262-0511.

Church Music Report

The Music Council met on a called basis during the year to plan and carry out seve music activities. The members were Betty Hodges, Rutherwood; Lynn Packwood, Boo First; and director, Mary Frank Smith, Cove Creek.

The second annual Choral Praise was held on August 16, 1992 at First Baptist of Boo Eight church choirs sang two selections each and a music drama was presented by C e Creek. Over five hundred attended and the music was sung to the glory of God. A vi o of this event is in the association office that can be checked out if you missed it. On February 27, 1993 choir directors and their spouses were guests of the associat n for an appreciation banquet at the Holiday Inn of Boone. Although it was a cold and sno y night that kept the attendance down, there was warm fellowship inside. We hope to m e this an annual event and invite church accompanist next year.

A workshop to be led by Neal Eller for choir members and directors was scheduled March but was cancelled due to the Blizzard of '93. It has been rescheduled for October 12, 1993.

The Three Forks Association music department earned both the basic and the advanced usic Ministry Standard of Excellence this year. According to Neal Eller, Associate Music rector of the Baptist State Convention, receiving both certificates is a first for any asciation. The certificates are hanging in the association office.

The music director attended the Key Leadership Conference at Ridgecrest in May and hurch Music Week in June.

Baptist Student Union Report

1992-93 School Year
Bud Fisher
Baptist Campus Minister
Appalachian State University

The Baptist State Convention of North Carolina supports an active student ministry proram on approximately forty-five (45) college and university campuses within North Caroa. Our convention financially supports seventeen full time ministers who are primarily sked with the proclamation and witness of the Christian faith on our campuses. These inisters work with student groups such as the Baptist Student Union, they cooperate with llege/university administrative personnel in service to the individual institutions, they ffer pastoral assistance to faculty and staff in personal and professional concerns, they xplore creative approaches to student ministry with Baptist churches geographically loated close to a campus, and provide student resources for outreach ministry and worship r these same churches.

Some of the 1992-93 highlights for our **statewide** Baptist Student Union network are follows:

Approximately $70,000 raised for missions and ministry work throughout North Carolina, the United States and the world;

Approximately 250 college students throughout North Carolina who have been selected, trained and are now serving for the summer of 1993 in our state, our nation and our world; and

A number of special conferences and learning experiences that involve a ministry in the following areas: a) high school seniors preparing for college; b) black student ministry; c) international students; and d) evangelism.

Our **local Baptist Student Union** here at **Appalachian State University (ASU)** remains mmitted to the spiritual growth and enrichment of students on the campus of ASU. The llowing weekly programs have been provided to give direction to our commitment to udents: 1) Monday evening Student-led Worship followed by a supper; 2) Bible Study roups; 3) Family support groups; 4) a Spiritual Formation group; 5) a Senior Support roup; 6) an Outreach Visitation group; and 7) a Friday morning Prayer Breakfast. Pastoral are and pastoral counseling is made available by the Campus Minister to all students at ny time as the need may arise.

The ASU/BSU has continued our commitment to outreach social ministry with involvement in our community with programs such as our Resthome Ministry team, our involve-

ment with Watauga Youth Network, and our Environmental Ministry of Recycling. W also worked with and assisted the following organizations: the Hunger Coalition, Mea on-Wheels, the Hospitality House, Project on Aging, the Shelter for Homeless Perso and Resort Area Ministries.

Our BSU sponsored student ministry teams in a variety of areas during the 1992-3 school year: BSU Choir, Puppet/Clown Team, a contemporary Christian singing grou a mixed gospel quartet, and five outreach ministry/focus teams. These groups have m istered at approximately 65 churches, covering a number of associations in Western a Piedmont North Carolina.

ASU/BSU students are actively involved as Summer Missionaries this summer. We ha approximately 53 student summer missionaries serving from our group. The majority f these students are serving in North Carolina; however, we extend well beyond our state. o New York, Texas, South Carolina and Georgia. We also extend beyond the continen United States to include a student in France, a student in Scotland, a student in Botswa and four (4) students in the Ukraine.

During the Spring Break week in March, twelve (12) of our students gave up their bre to spend a week doing ministry in Hazard County, Kentucky. These students worked n home renovation projects as they built meaningful relationships with families who are suf ing in the midst of chronic poverty.

Our Baptist Student Union here at Appalachian depends entirely on local support fr our program money. We do not receive any program funds from the North Carolina Ste Convention. We are deeply grateful to the eight (8) churches in our Three Forks Associa tion who have supported our BSU ministry through their church budgets. Also, we ar grateful to the entire association for their interest and support of this vital ministry o students.

Bill Warren

As this report is being prepared, we are in the midst of a battle with the gambling indus try. N.C. has been targeted for legalized gambling by the $2 billion gambling industr since our state is the largest one in the nation without legalized gambling.

When the General Assembly convened on January 27th for its 1993 session, the gam bling industry had already hired 14 of the most influential and effective lobbyists that mone can buy to ''peddle'' their influence for gambling legislation.

As of this date, the N.C. Senate has passed Senate Bill 11, The State Lottery Act, b a vote of 27-23. With a swing of just two votes, this state-operated lottery measure coul have been defeated. The proposal is now before the N.C. House. How does your N.C House member stand on this issue? The vote in the House is going to be very close a it was in the Senate, and your legislator could make the difference. This legislation wi pave the way for the state to go into the gambling business, and this is not a proper rol of government to say the least.

There is also a pari-mutuel gambling proposal (horse racing with off-track betting parlor before the General Assembly. The Senate Bill has already passed a Senate Committe and is currently in the Senate Finance Committee. The House Bill has also passed a Hous Committee and is currently in the House Appropriations Committee.

Someone has said: ''The only lesson we learn from history is that we don't learn fro history.'' North Carolina had an experience with pari-mutuel gambling with dog track in Currituck and Carteret Counties in the early 1950's. The N.C. Supreme Court close them down as being a public nuisance.

Perhaps there is no industry that is ''riddled'' with corruption as much so as the gam bling industry. Last year we had legislators indicted in S.C. for accepting bribes fro gambling lobbyists. Some 10 public officials have pled guilty to corruption charges i Kentucky over a gambling ''scam'', and 12 others are under investigation. In Arizon legislators have gone to prison due to a gambling scandal. We have had a Governor fro West Virginia and one from Maryland to go to prison due to a gambling scandal in the respective states. Wherever you find legalized gambling, undoubtedly, you will find co ruption in government.

Drunk Driving: When you deal with politicians, tenacity is a key. For ten years, w have sought legislation that would establish .08 as the standard for drunk driving in Nor Carolina. In the past, we were able to get such legislation through the House, but th Senate was the graveyard. The measure would always be referred to a hostile Senate Com mittee composed largely of trial lawyers, and that would be ''death'' to such a proposa

With a change in Senate leadership, that legislation will become law on October 1, 199 which will be a useful tool in helping to remove drunk drivers from the highways.

The League continues to assist local communities in combating our No. 1 drug proble alcohol. Let us know if a liquor referendum is to be held in your area, and we will b ready to help.

Thank you for standing with us in the cause of Applied Christianity.

Baptist Children's Home Report

It has been such a privilege to serve as your representative for this year. Due to my lness I have been unable to do all that I wanted to do, but God has been so faithful and as sent me helpers each time as I have needed them. Denise Smith, our secretary at the ssociational office has been such a great help. As she notified you our churches, you nmediately sent help. The drives were so good this year and more and more I see God lessing your church for your faithfulness to our Baptist Children's Home. Our children t "Mill's Home" need you more each year. With your help the cottages were able to eet so many more of their needs. I still need to visit more of our Three Forks churches. I have not spoken in your church yet, please call me and give me a date to speak in our church. WMU leaders please mark your calendar! Every year in May we will work collect paper products and they should be taken to our associational office by the last hursday in May. Every year in August, we will collect school supplies, and take them the Home by the last Thursday in August. In November we will collect food products, non-spoilable foods) and Christmas presents for each child. Churches who do not spon- or a cottage should also send help. With everyone doing a little, ALL the needs will be et. All foods and presents should be to the associational office by the first Thursday December. May God **richly** bless every church and person who helped this year. Be- ause of your help at Christmas of 1992, all children at Mill's Home received a present or the first time. You have blessed so many lives by taking time to care. May we all ontinue to obey God's word in Matthew 25:40 - Inasmuch as ye do it to one of the least f these my brethren ye have done it unto me.

Vacation Bible School Report

The State Vacation Bible School Clinic was planned to occur on Saturday, March 20th 1993 from 8:30 a.m. to 4:00 p.m. at Miller's Creek Baptist Church in North Wilkesboro NC. The team from our Three Forks Association was scheduled to attend. However, th blizzard of 1993 intervened and closed all roads leading out of Watauga County, and th clinic was cancelled.

Janice Haywood, state V.B.S. director, was unable to reschedule this event and mad the decision to forward all literature for associational leaders. Each teacher received packet of information to utilize in planning for our local clinic.

The theme for Vacation Bible School for 1993 was "SUMMERSHINE". Promotic for this theme and for V.B.S. was done by sending letters to each church V.B.S. directo making telephone contacts, and advertising on WATA radio station. Also, the associa tional newsletter promoted V.B.S. and informed everyone of the date of the association clinic.

On Tuesday, April 20, 1993 at 6:30 the Associational Vacation Bible School Clinic wa held at Greenway Baptist Church with a total of 70 persons present and 13 churches attendance. A class for each age group birth through adults was offered. Also, a nurser was provided. The WMU at Greenway served refreshments at the conclusion of the meetin

This clinic was conducted to meet the needs of our churches. Its goals were to tra church VBS faculty, to promote VBS and Mission VBS/BBC in every church, to encoura follow-up of prospects for Sunday School, and to encourage reporting of VBS result We have attempted to meet these goals in the above mentioned ways. The staff and dire tor will be available throughout the summer to assist each church in planning and preser ing VBS for 1993.

Stewardship Report

Christian Stewardship is one of the most vital, yet most misunderstood subjects within ur churches today. There is a clear Biblical mandate calling for every Christian to prac- ce stewardship in all areas of life. The Stewardship Committee is committed to this con- ept. One of the efforts to promote Stewardship is the annual dinner, at which time ideas nd materials are shared with those attending. Another method of sharing the Biblical ba- s for Stewardship is sharing with individual churches. Your committee has much to offer nd desire the opportunity to share why being a Christian Steward is not an option, but form of worship.

Associational Council Report

The Associational Council met each quarter to discuss ongoing work of Association. Ve're fortunate to have a number of people in leadership positions who are experienced nd have provided assistance this year. During this time of transition since Rev. D. Harold Bennett, r.'s resignation this council has worked exceptionally well to continue leading the As- ociation to forward established ministries. Thanks to each member of the council for your ooperation and willingness to serve all our churches.

Executive Committee Report

The Executive Committee met in October 1992, January, April and July 1993 to hear eports from the organization leadership and review calendar dates for activities within ach organization. Business matters of the Association were also acted upon.

The October meeting was highlighted with a video concerning the findings of the In- itutional Relationships Study Committee for the Baptist State Convention.

In January, the Executive Committee heard and accepted the resignation of our Direc- or of Missions, Rev. Harold Bennett, Jr. The loss of his leadership within this associa- on was felt and expressed by many at this meeting. A search committee was also elected) seek a new Director. The committee includes: Mr. Dennis Greene, Chairman; Mrs. uby Reese, Mrs. Sue McGhinnis, Rev. Ray Greene, and Mrs. Mary Frank Smith.

During the April session, the Executive Committee approved the purchase of a new opier for the office. The support of a native home missionary in the Ukraine ($790 per ear) was also approved. Steps were taken at this meeting to research the possibility of hanging our current Association year (July 1 through June 30) to match that of the Bap- st State Convention (October 1 through September 30).

Several matters of business were proposed or recommended at the July meeting, which ill be reported during the annual meeting.

Three Forks Association is blessed with people of vision, willing to carry on the work f the association through our representatives to the Executive Committee and our or- anizational leaders.

Bethel Baptist Church

Even before Watauga County was formed in 1849, there was a valley settleme in the Beaver Dam section. Rev. William Fathing came from Wake County to c missionary and evangelistic work here. After he moved his family to the area, h only lived one month but he left a true legend. Four of his sons became preache and served as the first four pastors of the Bethel Church. The Bethel Baptist Chur of Christ was officially constituted on July 4, 1851 with R.P. Farthing, Jacob Green and J.A. Farthing serving as the presbytery. The ten charter members all came fro the Cove Creek Church--A.C. Farthing, Mary N. Farthing, Anne W. Farthing, Rach W. Farthing, W.B. Farthing, Anne Farthing, Stephen J. Farthing, Margaret Fart ing, Madison Johnson, and Nancy Johnson. Some very interesting records follo in the August, 1851 meeting. Stephen Farthing gave the first church book and serv as its first clerk. It is noted that the second book cost $1.75. W.B. Farthing was elect as first treasurer as well as first deacon. The body was to hold worship services t fourth Saturday and Sunday of each month. It is noted that the first collection w 85[c]. It was decided that the Communion would be held four times per year. Al in this meeting, the Rules of Decorum were read and, as is evidenced througho the minutes of this church, were strictly adhered to. On August 22, 1851, Bethel join the Three Forks Baptist Association in a meeting held at Pine Grove Baptist Chur in Johnson County, Tennessee. The first delegates were J.A. Farthing, W.B. Fart ing, and M. Johnson, It was recorded that the 1851 statistics included 1 baptisr 3 joined by letter for a total of 14 with a contribution to the Association of 50[c]. T post office was Sweetwater. The first person received into the fellowship by lett was Christine Smith. Ten years later the member had grown to 95 and 50 years lat the total was 153.

This body has been housed in a total of 4 buildings. The first meeting place w to be "at an apple tree on the road between J.A. Farthing and J. Farthing." A cor mittee consisting of W.B. Farthing, William Johnson and S.J. Farthing, was appoint to build a meeting house and to obtain a site to use land at the above named pla ca 1852. The first deed was made on December 29, 1852 "between William B. a Thomas Farthing near the waters of Beaver Dam Creek at an apple tree." The cor mittee reported funds by subscription of $74.35, paid for lumber and labor $40. 3/4, left in subscription $31.57 1/4. The second building was built below the ro in front of the first ca 1872 at a total cost of $290.07. The old building was so for $27.00 along with some nails for $5.81. This left $250.58 for the membersh to raise for its payment. There had been many donations such as drying and hauli lumber, buying seats, a pulpit and stove for a cost of $100.00. It is reported th in 1882 the "Brethern of the church presented a Bible to the church while the Siste presented a new hymn book. In 1883 lamps with reflectors were purchased at a cc of $5.00. The deacons were instructed to keep wood and fires and keep the hou swept and water on the stand and lamps lighted for night services. The third buildi was erected in 1924 "just back of the north west corner of the old church--the mc suitable place for the location of the new church house." It was voted to tear dov the old house in order to ascertain the amount of materials that can be used. It w reported that $2,063.65 was received for the new building with $1,903.00 still du However, it was later reported that the house had been paid for with $7.38 left. 1925, the value of church property was $8,000.00. The present lovely structure w begun on April 25, 1992 after a vote only 13 days previously. It was constructed a jacent to the 1924 building and was dedicated on April 24, 1993.

In a rural mountain community, the church afforded the basic disciplinary measres. The first exclusion is recorded in September 1853. The first exclusion is recordd in September 1853. Along with the usual breaking of conduct codes of drinking, ornication, stealing, using indecent language, quarreling, etc. some very interesting easons for disciplinary action are recorded. One member asked that his case be postoned while another confessed he did not swear out right but agreed to try to quit. ne man "laid in an alligation against himself for acting as a judge at a shooting natch in 1852" but was forgiven. One member was excluded after "throwing down fence and turning hogs into her neighbor's plantation. Also insulting the messengers f the church on this matter." One member was excluded for "giving directions to band of robbers on how to get into the settlement." This followed the Civil War.)ne was dismissed after being "in court for killing his neighbor's horse." Often exlusion was not done but a typical case is recorded as follows: a member was reportd to be in "poor condition spiritually and a committee was appointed to try to reclaim im." Family members were dealt with on numerous occasions thus fostering wholeome family relations in the community. Of course a few left this beautiful valley nd joined congregations of other faiths and beliefs. In 1858 the church even wrote letter to the Association questioning some of its actions and made recommendaons for improvement thus proving that Christian principles were important to them 'hether in the church or in other organizations.

Often biblical questions arose in the congregation and it was not possible to find ne answer in the community. A query was sent to the Association for help. In April 855 one was sent regarding the selling and using of liquors. This was resolved by ffirming that the members should abstain. In September 1889, a query was sent which ead "Is it scriptural for ministers to baptize persons professing faith in Christ without ne authority of a church and if so, what relation do persons so baptized sustain to ne church?" Valuable guidance for a mountain church was often received through nese queries.

Along with the queries, various resolutions have been a recorded part of this hisory. One such states that the "church expresses her disapproval of places of amusenents, card playing and such like with music that leads to dancing which has been ooked upon as detrimental and destructive to the spiritual welfare of Christ--implored nd entreated our people to abstain from such practices." Later serenading was aded. One church was refused correspondence "owing to the manner in which that ody came into existence." The Civil War had caused immeasurable grief and so n 1864 it was resolved to "set the eighth of April for fasting and prayer to Almighty od."

One of the strengths of this body has been is exceptional participation in missions t all levels. It is especially heart-warming to read of the numerous records of adinistering local missions in times of need. Various gifts were shared with families hose homes had been lost by fire, took a collection for the widow and children of deceased minister, donated money, 65 pounds of flour and half a bushel of corn another sick member, helped bear the funeral expenses of a member, etc. Neighoring churches were not forgotten, either. Mountain Dale Church received enough eats to seat their house and a collection for the "house of worship at Antioch" was aken. In 1928 the church sent a truck load of potatoes, apples, cabbage, and canned oods to the Baptist Orphanage. On various occasions crops were grown for the suport of the church. At one point they met to shuck the corn of a sick neighbor. Love as been shown in many other ways and these permeate its continued historical growth. What better way to grow!

Some additional bits of information are worthy of note. For a number of years the church had multiple pastors and asked them to see that someone was always present to preach. It is also noted that 4 of the early pastors were brothers--sons of the first minister in the area. Servants were an integral part of the church. The first servant to receive a letter of dismission was in August 1854. In 1853 a designated area of seating the servants was recorded. The record states that "a place was set apart for the female blacks on the left against the wall in the back and male blacks on the right against the wall in the back." Later many servants left Bethel to constitute their own church--Little Zion. As stated earlier, the Civil War took its toll. The first locks were installed on the church doors in 1863. In July 1865, the treasurer reported a balance of $8.00 in Confederate money. In 1911, a tree was sold from the church lot for $1.00. In 1901, it is recorded that the enrollment for Sunday School was 131. The first school recorded was in 1879 with an average attendance of 30. In 1896, the "teacher in District 16 was to carry the key to the church door and ring the church bell once a day." The first mention of Vacation Bible School is recorded in 1932. The first wiring for electricity was recorded in 1938. The public school was granted the privilege of using water from the well during the drought in 1941. Each young man in the armed services of World War II from the Bethel Community was remembered by correspondence from the church. The first communion to be served at Bethel was served by deacons from Cove Creek and Antioch churches. The first mention of electing a pastor for an indefinite time was in 1927. Throughout the minutes it is recorded that various gifts of land as well as other objects have been donated.

One interesting and valuable information is that of the obituaries recorded in the church books. A deep respect and love for the said member is stated. Women were also an integral part of this record. One such entry was recorded in 1895 and stated that the sister's life "among us was one worthy of imitation." Men were revered and honored for their dedicated service to the body.

There has been the usual systematic growth of this body. As the church became financially able, various improvements were done to the buildings and land. In 1947 it was voted to plan, find a place, and work out finances on building a parsonage. Cooperation in missions has been a vital part of this body. Records show giving to Foreign and Home missions early in the life of the church. It continues today.

One mark of the growth of the Bethel Baptist Church is that from this body there have been a number of churches constituted--a real tribute to a strong church. Many ministers have been ordained from this body. As early as 1889 Brother J.H. Farthing was requested "to devote his spare time to preaching in destitute portions of the county." This shows the genuine concern for others which has been evidenced throughout its existence.

This church today has a membership of 144 with Rev. Lynn Powers serving as its pastor.

The Association first met with Bethel in 1860.

Truly this church can be characterized by its loving concern and respect for its members and for its willingness to aid those who are in need whether at home or elsewhere. This beautiful debt-free sanctuary is a fitting tribute to this community and to the God who has guided them through the years.

Brushy Fork Baptist Church

1994

"We the Presbytery, Elders D.C. Harmon and Joseph Harrison, being legally ap-
ed for have this day met and examined the strength of the brethern and sisters
Brushy Fork for the purpose of constituting a Baptist Church find 11 members
h a prospect of strength to whom we have read abstract principles and finding
m orthodox, we therefore constititute them a Baptist Church. This the 26th day
February 1858." [sic] This finalized the goal of the 11 charter members--M.C.
rmon, Moses Hatley, J.A. Hagaman, Sarah Reece, Susan Danner, Elvirah Holtz-
w, Elizabeth Hicks, Sallea Hagaman, Malissa Harmon and Sarah Hagaman from
ve Creek Baptist Church and Sarah Mundy from Three Forks Baptist Church.
v. D.C. Harmon was elected as its first pastor and continued to serve for a total
24 years. J.A. Hagaman served as the first clerk of this body. The first deacon
s M.C. Harmon and the first treasurer was Wiley Holtzclaw. In his first report
the church in 1859, it recorded "from the church $3.70, paid Association $1.00,
id for church book $1.75, paid for tablecloth $.85, paid for bottle and wine $.77
2. Church due treasury $.67 1/2." This dedicated group had its humble beginnings
out one mile southwest on the location of the Brushy Fork Church site in a small
hoolhouse. Its first name was Philadelphia," however this was to be changed after
ly three months to its present name--"Brushy Fork." Brushy Fork chose to join
e Three Forks Association and on September 2 and 3, 1858 in the annual meeting
South Fork Baptist Church, this was finalized with J.A. Hagaman, M.C. Har-
on, and Wiley Holtzclaw serving as delegates.

Early in its existence, the idea of Sunday School was important because it is recorded
at in 1859 "took up the subject of Sabbath Schools and started one at the school
use." The first Sabbath School organized in the church is recorded in 1879 with
average attendance of 26. J.R. Hagaman served as the first Superintendent. It
interesting to note that in 1901 the total Sunday School expense is recorded as $4.58.
1908, the enrollment in Sunday School was 39 and it was reported to be open 12
onths of the year. Today this vital part of the church is active and growing and
rves all ages from birth to senior citizens. The average attendance today is 156.

According to the minutes, this body has been housed in a total of 3 buildings. The
st was built in 1859/60 and was a log construction. This quickly grew inadequate
r the needs of the community because the first 10 years recorded a membership
104. The second building was erected in 1889 just above where the present build-
g stands. By 1908 the total membership was 187 and a property value of $1,000.00,
ncrete evidence of continued growth. This church seemed destined to grow and
the 1930's five Sunday School rooms were added to the structure. This, too, proved
adequate for the needs of the body. The third building was constructed in 1949
ith an educational plant being added in the 1960's. To this plant many additions
d improvements have been made. In 1956, the parsonage was built. In 1972, the
dy purchased 20 additional acres of land--a preparation for the continued growth
this body. In 1975 a sound system was installed and additional Sunday School
oms and a fellowship hall were constructed. Growth has been inevitable. From the
tal of 11 charter members of this church, God has blessed it to grow to a total
417 today. The Civil War years witnessed a slight decline in membership as shown
the accompanying handwritten Associational letter of 1865.

In keeping with the social and economic mores of the times, "protracted" meet ings were the highlight of each year. These afforded social as well as spiritual welfar for the body and often lasted as long as two weeks. Twice daily horses, buggies, an wagons brought parishoners from miles around to the "meeting house." Others ar rived on foot to attend these revival meetings. Since the community school hous was nearby, it was customary for lunch period to be extended to 1 1/2 hours so a the students could walk the short distance and attend the daytime service. All con verts were then baptized in the creek below the church. It is noted that in 1879, 4 baptisms were recorded, 5 additions by letter, dismissed by letter 1, and excluded 1

Tithes and offerings are only one area in which the church can be measured. Littl did the founding fathers know in April 10, 1958 when the first offering was take in the amount of $1.65 that today the budget would have grown to exceed 120,00(The pastor's salary reported was $37.50 in the year 1901 but by 1908 it had increase to $68.97. Few could survive on that today. When no service was held because o lack of a preacher or inclement weather, it is recorded as "a Disappointment." Thi body has been mission minded almost from the beginning. J.H. Farthing, pasto said, "Missions means giving the gospel to all people." Mission support is recorde for Foreign, Home, State, and Local as well as the N.C. Orphanage even in its earl beginnings. Caring for the needs in the local community is one of the strengths c the congregation today.

In 1858 the responsibility of keeping the community in line with the expected be havior of the day fell to the local church body. This was true of Brushy Fork. Som of the interesting reasons for disciplinary action recorded include "being mad an very vexed," "playing a violin at a party," "fencing up a brother's road," "slander, "disobeying the church," etc. Members often "laid in an allegation against them selves" and submitted to the discipline. One brother said "he was ready for trile. [sic] It seems that parishioners and ministers alike were dealt with. May 1935 recorc the following: "The Board of Deacons in conference with the pastor made the fo lowing resolution to wit: That we as a church have been too lenient in our churc discipline toward those who have violated our rules of discipline and have let man things pass unnoticed that should have been dealt with, therefore we as a church a knowledge our faults and failures and decide to let the past be the past and resolv that we will be more strict in the future to execute our discipline toward all offende with partiality toward any." [sic] When disciplinary action was necessary, it was a ways done in love toward all and often the member was received back into the fe lowship and forgiven in the same meeting. Exclusions were recorded throughout th church's history. The Rules of Decorum were read quarterly and adhered to strictl

Not all biblical questions could be answered within the body and queries were sen to the Association for a resolution and guidance. The subject of these often include alcoholic beverages, membership, ways of doing the Lord's work, dealing with var ous unchristian behavior, etc. Christian love always prevailed and God's guidan was always sought.

Another measurement of growth is that of numbering the ministers who have bee ordained and sent out from this body. There have been many. Some are still servir sister churches and others have been called to their eternal reward.

Interesting bits and pieces are found on its pages of history. One example is th recording of the church voting to have a Christmas tree for the children. Also aft the Civil War the church "agreed to strike off even with the treasurer. He had his hands $2.00 in Confederate money and Confederate money was dead."

Throughout the written history of this body a genuine Christian love for each other nd for God has permeated its pages. Even though problems had to be solved, it as always done in love and caring concern. God has richly blessed this body and uided its growth. A testimony to this is found in this lovely sanctuary today. Many ave been blessed and uplifted by just passing by. Your witness is truly a tribute to od and to this community. Today, Rev. Sherrill Dunn leads this congregation in s Christian endeavors. May God richly bless you as you continue to minister to all f us.

1994 Vacation Bible School Report

The Vacation Bible School theme for 1994 was Trail of Treasurers and was ba on the key passage from Psalms 24:1-4. The theme focused on these verses and wonderful world that God created. Participants in V.B.S. worshipped God as Cr tor and learned about ways to be good stewards of the earth.

On Saturday, March 5th our associational V.B.S. staff traveled to the State Wo shop at Miller's Creek Baptist Church in Wilkesboro, N.C. There each team lea received information regarding the theme, curriculum, revisions, etc. Janice H wood, the state VBS leader, presented a motivating and enlightening workshop t inspired us to set high goals for our Three Forks Associational V.B.S. Clinic.

On Thursday, May 12th the Three Forks Associational Clinic was held at Howa Creek Baptist Church from 7-9 p.m. The clinic leaders were:

VBS Director:	Melanie Greene
Younger Preschool:	Lottie Oliver
Middle Preschool:	Ellen Norris
Older Preschool:	Sue McGhinnis
Younger Children:	Judy Branch
Middle Children:	Clara Hollar
Older Children:	Kathy Scroggs
Youth:	Evette Orcutt
Adults:	Lewis Thomas
First Time Directors:	Gayle Beason
Pastors/Experienced Directors:	Teresa Eggers
Musician:	Kathy Cottrell
	Perkinsville Children's Choir
Secretary:	Denise Smith

The total attendance for the 1994 Clinic was 90 with 18 churches represented. T was an increase in attendance from 1993.

The associational office was extremely helpful in publicizing the events relate V.B.S. There were reminders placed in the newsletter periodically. Also, the secre was available to answer questions and relate information to individuals involved. E church has challenged to work diligently for the goals of V.B.S. and to contact h director or the associational office for assistance during the summer.

Pastors and VBS directors were encouraged to submit required reports at the close VBS this summer.

The *Biblical Recorder*

The rapid changes taking place in our world have produced distorted values, vio-ce, threats and uncertainty and the surrender of much that is good and whole-ne while creating false heroes who fail. Baptist must rise up to face these decisions l issues before our window of opportunity is lost forever. We must not squander heritage from yesterday and our mission for tomorrow.

There is no way to address these issues without correct and reliable information. e *Biblical Recorder* was born and continues to serve for that purpose. Never was *Recorder* more needed than now, with charges and countercharges flying, with ple trying to use and manipulate others.

People are reading less than any time in recent history. It is true of secular publi-ons, it is true of wholesome books from respected libraries, it is true of religious lications. We live in an electronic age where many think they know the answers he issues only to discover they do not. It is impossible to know in depth what appening when we depend on "60-second sound bites" of news on television or io.

An informed Baptist is a better Baptist; an uninformed Baptist may be an involved disruptive Baptist. No democracy, including our local churches, can service long hout an informed, involved constituency which makes decisions based upon ac-ate information from reliable sources.

The most important thing facing us at this point is to get the *Recorder* into most ptist homes than ever before. Your support as a subscriber and reader and your ouragement to others will enable the paper to better serve the consituency with urate and helpful information delivered to Baptist homes and churches. We need r help!

In order to save churches large amounts of money and to increase the readership he *Recorder,* Church News Service (CNS) was launched in 1990. This system lets congregation have their church news incorporated into the *Biblical Recorder* which es staff time, postage and printing costs. Usually, for less than what it costs to duce the church newsletter, CNS gives the entire Baptist communication package ach family in the congregation. Anticipated increases in mailing costs makes CNS reater value in 1995 than even when it was started in 1990.

The paper focuses more and more attention on North Carolina Baptists with news, tures and inspirational articles which will encourage individuals and churches in r witness and ministry. One sure way to conquer problems and overcome the bar-s to effective witness and ministry is to have the facts, know the issues and be quately informed. With all the stress and disturbance in the world, "The North olina Baptist Way" has become even more important to us than ever before. That hy the *Recorder* was born; that is why it serves today. For more information how your church can subscribe or use CNS, contact:

General Board Report
1993-1994

Partnership Missions continue to be a vital part of Baptist Life in North Caro with a specific goal that every North Carolina Baptist who wants to be involve Partership Missions will find the opportunity to do so. At the present we are invol with New York Convention, Ukraine and as the Coordinator for the Prague Se nary Building Project to relocate the Ruschlikon Seminary to Prague. It is estim that this could involve 500 persons within the next year.

The staff is involved in a Visioning/Listening effort where the staff visits asso tions and shares visions and listens to association visions to see how the Conven can help the associations reach their goals.

The General Board passed a resolution entitled Cooperation Through Auton to reaffirm the North Carolina Baptist Way. Perhaps at no other time in Baptist tory as we know it are there so many areas of conflicts and disagreements. The is long--churches, associations, state conventions, Southern Baptist Convent Cooperative Baptist Fellowship (Southern and State) and parts thereof such as H Missions, Foreign Missions, Woman's Missionary Union and Seminaries. Let u join in prayer that we may all through GOD's wisdom find a common groun that we may be about His business.

As of July 7, 1994, the income of the North Baptist Convention has the follo comparisons to 1993:

1. Unrestricted Cooperative funds up 9.3% over 1993
2. Cooperative Program-Excluding SBC up 13% over 1993
3. Available Cooperative Program Funds up 8.01% over 1993
4. 1994 Cooperative Program Budget Funds short 2.7%
5. Pass-through Funds - all to Southern Baptist Convention up 42.69%

Single/Single Again Support Group Annual Report

The support group has struggled this year with poor attendance. I feel there is a al need for this ministry, but we need to get the people here first. We need the lp of someone in each church to get the word to their folks that this ministry is ailable. Pastors, don't be hesitant to encourage your members to attend because u are afraid you will be accused of condoning divorce if you support this ministry. ivorce is not the unpardonable sin. God still loves us.

I would like to quote one of our ladies who is a widow on how this group has lped her. She made these comments to a new member of our group. "This group s really meant a lot to me. I could talk here when I couldn't talk to anybody else. could cry here. I could come here, just sit and say nothing if I wanted to. Maybe was easier to talk and cry here rather than to my family because I was afraid my mily would worry about me. This group has really helped me."

During the past year, David Hawley, who is a Christian, a psychologist with the epartment of Corrections, and a member of Mount Vernon, facilitated two sesns on "Making Peace With Your Past." We had a total of ten people participatg in these sessions. Each session ran for 12 consecutive weeks. The only cost to e participants is the cost of a workbook, which is available at the Baptist Book ore. This is geared toward adult children from dysfuntional families and is Biblesed. Each participant must sign a commitment form that they will attend the ene 12 weeks. There's a possibility this could be offered again if there is enough inrest. Other areas of study which are being considered are "Search for Significance," Co-Dependency." and a video series on "Single Parenting."

Please help us keep this ministry going by encouraging your divorced and widowed attend. We meet every Tuesday night at 7:00 p.m. at Greenway Baptist Church. e begin our meetings with prayer requests, praises and answered prayers, followed scripture reading and prayer. We end our meetings by reading a praise scripture; en we stand in a circle, hold hands and pray for each person individually in the cle. Before we leave, everyone hugs each person present (singles don't get many gs). Sometimes, when we have a piano player, we sing hymns before we leave. u are invited to attend at any time if you would like to see firsthand what goes before you recommend it to anyone.

Executive Committee Report

The Executive Committee met for a called business meeting on September 13, and r regular business on the third Monday evenings in October 1993, February, April d July 1994. *Note: we voted in the annual meeting of 1993 to move our associanal year to run from October 1 - September 30. At each meeting the Committee ceived reports from organizational leaders and reviewed the calendar for upcomg events.

At the July 1993 meeting, Johnny Anderson, (Brotherhood Director) reported that home was going to be constructed by laymen for the Mike Hartley family. All costs ere being donated by churches, businesses and interested individuals. The Propers Committee also requested that the area to the right of our parking lot be graded d paved to increase our parking. The cost of the work was estimated at $12,522.80. he motion was approved. Financial support was also presented and approved to

send the New Hope Baptist Church, New York a check for $1,000.00. This money was to be drawn from the Mission Development Committee's account.

A specially called meeting was held on September 13, 1993 to entertain a motion to call Rev. Ken Boaz to serve as our Director of Missions. The motion passed unanimously. Rev. Harold Bennett, Jr. led in a time of commitment.

The October meeting included reports of on-going projects and an announcement regarding a reception for Rev. Ken Boaz and his family on November 7.

Due to inclement weather the January meeting was rescheduled for February 21. A committee to coordinate the 1995 Here's Hope Revival effort was presented and approved. Also, a Mission Fair was scheduled for May 21. Rev. Boaz also presented a new logo called "Mountain Churches on Mission for the Master." Rev. Boaz mentioned the possibility of calling another staff person to serve as Church and Community Ministries resource. There are monies available outside the Association to sponsor this position. A recommendation will go to the Personnel Committee to research the need for this position and its job description and report back to the next Executive Committee meeting. This recommendation passed upon a motion and second.

Highlights of the April 18, meeting are as follows: Rev. Ken Boaz, Director of Missions, addressed the job description from the personnel committee for a Director of Church and Community Ministries. This job would help the churches minister on location, not out of the Association office. This description is written for the consideration of the churches and this body. Also, continue the current budget for an additional three months through September 30, 1994 as the new Association year will now begin October 1.

Area Missionary Report

Author and Pastor Frederick Buechner writes "Listen to your life. See it for the fathomless mystery that it is. In the boredom and pain of it no less than in the excitement and gladness: touch, taste, smell your way the holy and hidden heart of it because in the last analysis all moments are key moments, and life itself is grace."

All moments are key moments and as your Area Missionary I think this really sums up where we are in our area work and the Baptist State Convention of North Carolina. These are new days exciting days because we are in a period of transition within our Baptist family in North Carolina. We are looking for ways to help churches seize the moments of ministry. We are in a new think mode as staff in the convention. We have and are sending out listening teams all over North Carolina to try and discern the heart and needs of local churches, Pastors and staffs to help them to become better ministers and churches in the community they live in. We truly want to be user friendly as a North Carolina State Convention with missions being the engine that drives the train as Dr. Roy Smith states.

Please stay tuned there is more to come as we learn and listen along side you as an association of churches working together to the Glory of our God.

Music Report

The Music Council met on a called basis during the year to plan and carry out the music activities of the year. The members were Betty Hodges, Rutherwood; Bobby Idol, Laurel Springs; Terry Miller, Greenway; Lynn Packwood, Boone, First; and director, Mary Frank Smith, Cove Creek.

On August 14, 1993 there was a choir directors banquet held at Oak Grove with several choir directors, spouses, and accompanist present.

The third annual Choral Praise was held August 22, 1993 at Mount Vernon. There is a video of this inspirational Praise service at Mount Vernon church that can be checked out if you were not able to attend.

On October 2nd and 3rd, a childrens music camp was held at Greenway.

Neal Eller, Associate Music Director of the Baptist State Convention, led a choir member/director workshop on October 12 at Boone, First. Several churches in our association participated but the largest group was from Minneapolis church.

A music reading session for choir director was held on May 23 at Cove Creek.

Two events, a Youth Praise and a Hymn Playing Festival, had to be postponed until a later date.

The director attended Church Music week at Ridgecrest in June.

Terry Miller of Greenway will be the new Association Music Director. She attended the Key Leadership Conference in May and will have some good ideas.

I have enjoyed the five years of service as the Association Music Director and hope you will support Terry as she assumes the duties of this position.

1994 Sunday School Report

The Associational work in Sunday School is carried out by a team of volunteers known as the ASSISTeam. ASSIST stands for Associational Sunday School Improvement Support Team. This team of Sunday School experts has grown to ten and now consists of the following:

Preschool:	Sue McGhinnis, Ellen Norris
Children:	Mike Surber, Clara Hollar
Youth:	Joe London, Pat Vines
Adult:	Lewis Thomas, Dean Coffey
General Officers:	Richard Miller, Bud Russell

During the past year the ASSISTeam has met needs by providing consultation to individual churches as well as workshops for all to attend. Training opportunities have included a Pastor/Sunday School Director Clinic, an Associational Training School, a Sunday School Leadership Night and a Literature Awareness Meeting.

The Literature Awareness meeting introduced the new Sunday School Literature improvements that have been implemented during 1994. These improvements have applied to the Life and Work series initially but will expand to the other lines of literature during 1995. Any church needing assistance related to the literature improvements or any area of Sunday School work is encouraged to seek the help of your ASSISTeam.

Associational Council Report

A highlight of the Council's year was a "mini-retreat" at Laurel Springs on Sat., June 4. We frankly discussed what our association is all about, where it has been, is now and, most importantly, where God is wanting us to go. Then we sought to map out a year's worth of calendar by which we hope to advance the cause of Christ in our association.

"Here's Hope. Jesus Cares for You" simultaneous revivals were targeted as th primary emphasis in our association for 1995. Our annual meeting in October i planned to highlight this evangelistic effort, theme being: "Here's Hope: Built o Nothing Less Than Jesus' Blood and Righteousness." Our prayer is that Jesus wil be lifted up in a glorious way that He might draw all the world unto Himself.

Thanks to our council for their diligence and dedication in the Lord's work (ma we grow in this): Johnny Anderson (Brotherhood), Blanche Roberts (Discipleship) Richard Miller (Sunday School), Mary Frank Smith (Music), Dell Cook (Youth), Bar bara Dancy (Singles), Ruby Reese (WMU), Rachel Brandon (Senior Adults), Davic Higginbotham (Evangelism), Nora Wilson (Mission Development), Gordon Rawl (Stewardship) and Bud Russell (Moderator). Most of these folks went to Ridgecres for "Key Leader Training" or to other training events. This was a good group t work with!

Special appreciation goes to Johnny, Mary Frank, Barbara and Ruby who are takin leaves of absence from this duty. We welcome Bob Shields (Brotherhood), Terri Mille (Music), Jeannie Harmon (Singles), and Judy Branch (WMU) as they assume thei places on this council. May God continue to bless as we seek first His Kingdom.

Ken Boaz

Director of Missions Report

This has been a year of transition for me in my ministry. Having served almost ten years as pastor, it was not an easy move to accept the call to serve as DOM for Three Forks Association. After much soul-searching prayer, I believed "God was in it" and headed for the high country. God has indeed blessed and I am grateful for the warm reception the folks of the TFBA have given to me, my wife, Gail, and our two children, Ruth and David.

A first priority was to "get into all the churches." As of this writing, it has been my privilege to be in 36 of our 40 sister churches. A further blessing has been to preach/speak in 21 of them. Highlights have been: leading Winter Bible Study on "Hosea" at Beech Valley, Cove Creek and Three Forks; preaching in revival at Cool Springs; leading "Roman Road Witness Training" at South Fork and associational clinic; preaching homecoming message at Tabernacle; numerous other opportunities to fill pulpits. Thanks for the invitations!

Other duties have been many and diverse: committee meetings, putting newsletters together, serving on the "RAM" board, ministers' conferences, WATA devotions, assisting pastoral search committees, attending state and associational training workshops, assist in the ordination examination of three candidates, preach at Land Harbor twice, even a bit of manual labor at the Hartley house and Camp Joy. Of course there has been time to play, fellowship, break bread, pray, discuss, dream and in many ways to be a part of the associational family. It has been good!

My on-going priority is to keep us focused on our call as the mission people of God. I like our new logo: "Mountain Churches on Mission for the Master" and pray it is more than a "catchy slogan" but who we truly are as we seek to lift up Jesus Christ as Savior and Lord. The "Mayfest Mission Celebration" was a joyous opportunity to highlight missions among us. Missions Development Council plans to sponsor this again next year though as a "Marchfest" (March 25).

We are keeping before us the possibility of calling a part-time "Church and Community Ministry" director for the TFBA. I feel such an addition to our staff would

be of great benefit to our work as we develop greater ways of reaching out to minister to the needs in our community. It's what our Lord was about and what He called us to be about!

One particular area of missions that has been of great encouragement is that of our partnerships with New York and the Ukraine. It was a treat for my family to accompany a Mt. Vernon team to Ogdensburg, NY in August to assist Grace Church in VBS and Backyard Bible Clubs. We are exploring possibilities to further our work with our partners of the Thousand Island Assoc. As I write this, I am preparing to depart soon for the Ukraine on a construction project. I hope to have a good report at annual meeting, Oct. 18-19. Please be in prayer for these partnership efforts.

I will close my report with this request: PRAY! Let us diligently seek to follow the moving of the Holy Spirit. May God richly bless our efforts together to build the Kingdom to His glory.

In Christ,
Ken Boaz

1994 Annuity Board Report to State Conventions

While the Sunday School Board, Home Mission Board and Foreign Mission Board focus on God's message, the Annuity Board focuses on God's messengers. For over 75 years the Annuity Board has been serving those who serve the Lord. The Annuity Board offers security for pastors, other ministers, eligible church and associational employees and their families.

The Personal Security Program offers up-to-date insurance products to protect against the large and small bumps and scraped of life. The program includes a Term Life Plan, Personal Accident Plan, Disability Plan and a choice of Medical Plans. This is a flexible program; coverage can be tailored to meet each family's unique needs. Each plan is available alone or in combination with other plans.

Over 22,000 church and associational staff members participate in the Term Life Plan. They have found this Plan provides the protection they need at a cost competitive with comparable plans in the marketplace. In this era of rising medical costs, Personal Security Program medical rates have not increased since 1992. Nearly 20,000 Southern Baptist church and associational workers enjoy the protection the medical plans provide.

The Church Annuity Plan provides financial security both before and after retirement. Its Protection Section, funded by state convention Cooperative Program dollars, includes supplemental disability and survivor benefits. State conventions also provide matching retirement dollars for eligible participants. This Plan, designed by Southern Baptists for Southern Baptist churches and associations, provides opportunities for tax savings, competitive investment returns and the flexibility to meet each participant's special concerns. At the end of May 1994, 36,075 participants serving 20,131 churches and associations were active in the Church Annuity Plan.

With $4.4 billion in assets and over 75 years of experience, the Annuity Board offers its participants security and stability. The Annuity Board recognizes each dollar represents retirement income or life and health protection for a Christian servant in a Southern Baptist church, association, state convention or agency. The Annuity Board's mission is unchanged; *it exists to serve those who serve the Lord.*

The Best of Times

As a result of the wonderful support given by North Carolina Baptists, 1994 wil be remembered as one of the finest years in the 43 year history of Baptist Retiremen Homes. The following are some highlights from the year:

• In recognition of its commitment to the spiritual well-being of the residents tha it serves, Baptist Retirement Homes hired W. Paul Riggs to serve as Chaplain to th residents of the Prince Nursing Care Center in Winston-Salem and the Rickman Nurs ing Care Center in Asheville.

• Reaffirming its commitments to the idea that retirement should be a "step-up" for Older Adults, the renovation of the Taylor House in Albemarle was completec and renovation of the Hamilton Baptist Home in Martin County was begun. Wher the renovation of the Hamilton Baptist Home is completed in mid-1995, all of th facilities operated by the Baptist Retirement Homes will be "State-of-the-Art."

• In recognition of the changing profile of institutionalized Older Adults (47% of the "oldest old" in North Carolina suffer from some form of dementia), a specia small group approach to the care for institutionalized Older Adults suffering from dementia was instituted at the Prince Nursing Care Center in Winston-Salem. Through the implementation of this program, Baptist Retirement Homes once again demonstrated its commitment to the principle that everyone has the right to age with dignity and to enjoy a certain quality of life throughout the aging process.

• In an effort to provide Older Adults with affordable care, a sub-acute unit was developed at the Prince Nursing Care Center in Winston-Salem . . . a unit where frai Older Adults can receive such treatments as IV therapy, infusion, wound care, and stroke and bone fracture rehabilitation outside of a hospital setting.

• In response to the need to provide quality long-term care services to the ever growing number of frail Baptist Older Adults, Baptist Retirement Homes expanded its nursing services in 1994 to include an additional 100 Older Adults (80% of that group being classified as the poor elderly . . . men and women who lack sufficient financial resources to pay for the institutional services they receive).

Thank you North Carolina Baptists for helping us make life for Older Adults . . . . . **The Best of Times!**

North Carolina Baptist Foundation, Inc.

Annual Report to Baptist Associations of North Carolina
June, 1994

With The 75th anniversary of the chartering of the N.C. Baptist Foundation approaching, it is exciting to reflect on the fulfillment of dreams of the founding fathers. The prayerful deliberation that led to the vote in the 1919 Baptist State Convention meeting for the beginning of "a trust agency" envisioned a viable entity which would promote and manage funds given by individuals for perpetual support of several struggling institutions and the mission programs at the heart of this missionary minded denomination.

As of December 31, 1993, the Foundation held $45,878,748 under management. In 1993, $1,243,217 was distributed to Baptist work and $1,196,748 was distributed to individuals for a total income distribution of $2,439,965.

The income distributions for the entire 74 year history of the N.C. Baptist Foundation totals: $7,009,154 income paid to individuals and $10,011,893 to Baptist churches, institutions and mission causes for a grand historical total of $17,021,047.

In 1993, the staff of the Foundation consisted of seven full time employees and two persons who provided part-time service in accounting and legal services. In May of 1994, Rev. Coy H. Jeans, Jr. was employed by the Foundation Board as western Area Manager of Trust and Endowment Development. Rev. Jeans will serve individuals in western North Carolina through estate stewardship planning to better provide for families and Christian endeavors. He will also work very closely with Associations and churches in the area. We encourage western North Carolina Baptists to contact Rev. Jeans at his office in Marion at 704-652-9548. The Foundation's main office is located at 201 Convention Drive, Cary, N.C. 27511, telephone 919-380-7334.

Council on Christian Higher Education
50th Anniversary
1944-1994

One year and 338 days after Pearl Harbor, the Council on Christian Higher Education was created: November 17, 1943. The first Council meeting occurred January 17, 1994, four months and 20 days before D-Day. Reports to the Baptist State Convention in those years contained many references to World War II and its effects upon churches, communities, the colleges and Baptist work in general. It was a time of weakness and confusion. War was raging in Europe and the Pacific, and the outcome was still in doubt.

In such a time there were visionary Baptists who by faith could see beyond the clouds of war to the needs of peacetime. A Convention committee of 64 members labored almost two years before recommending that the Council be established. Chowan College was closed in 1944, Gardner-Webb College was not yet funded by the Convention, and Wingate College received only $5,000. The clear aim was to strengthen the colleges, increase their moral and financial support among Baptists, place Christian Higher Education high on the Baptist agenda, and to organize such efforts on a continuing basis.

In 1994, the Council on Christian Higher Education's 50th year of operation, let us give thanks for those pioneer Baptists whose foresight, insight and good works caused North Carolina Baptists to become leaders in the field of Christian Higher Education.

Dr. George Miles

Gardner-Webb University School of Divinity

Report to the Baptist Associations

Thank you for the interest, prayer and support as we have begun the Garnder-Webb University School of Divinity. Let me report our progress to this point by answering the questions we are most often asked.

What is a School of Divinity? Is it purely academic in contrast to the professional education offered by seminaries?

Our purpose is to provide professional education for Christian ministry in a local church. We also help student ministers shape their ministry through courses such as models for ministry, Christian spirituality and religion and personality. Each student meets regularly with a mentor/teacher. We also offer courses in professional areas such as preaching, teaching, worship leadership, church administration, organizational leadership, counseling, evangelism and pastoral care. You can see that we balance classical disciplines with knowledge of practical church leadership and continued personal spiritual growth.

The name "School of Divinity" is usually used when ministerial education is offered by a university. The word "seminary" usually describes a free-standing institution.

Why offer ministerial education in a university?

As a university affiliated with the North Carolina Baptist State Convention, we can provide an excellent ministerial education based on historic Baptist principles. From the beginning we can enjoy the resources of the university such as the programs for the deaf and/or blind students, and masters level studies in other areas such as psychology and business.

How many students do you have?

The School of Divinity is off to a good start. The first semester (Spring 1993) we enrolled 23 students. The fall and spring semesters of our first full year we had 51 students. Projections for enrollment for the fall indicate that we will continue to grow.

Who are your teachers?

Faculty members with long experience such as Dr. Donald E. Cook in New Testament, Dr. Roy B. Wyatt in Old Testament, and Dr. Robert Lamb in church administration form a core full-time faculty. Dr. Albert Meiburg directs Clinical Pastoral Education. Other faculty from the university and from churches and agencies along with missionaries in residence also teach.

How are you doing financially?

The strength of the university has helped us launch the School of Divinity. We are grateful for the Theological Education Grants the Baptist State Convention of North Carolina has made available. Many churches and individuals have helped us. The Christian Service Organization is engaged in a drive to secure additional scholarships.

Where do you stand theologically?

We take the bible seriously, believing its message about sin, salvation and grace should be applied to every aspect of life. We take a traditional, inclusive Baptist approach, welcoming both men and women who answer God's call to prepare with us.

Baptist Children's Homes of North Carolina

No matter how much adults try to convince themselves otherwise, children suffer when parents divorce.

Amber suffered. Because she blamed her mother for household turmoil, and because she was young and confused, Amber told her mother she hated her. She stopped communicating and became withdrawn. She chose wrong friends and attempted to take her own life.

In today's atmosphere, when divorce rocks as many marriages as it misses, thou-nds of children like Amber look for anchors. And in today's atmosphere, just as he atmosphere of the 1880s, and every year since, Baptist Children's Homes pro-des that anchor for hundreds of children.

In 1992-93 BCH served 1,469 young people and their families. Probably an all-ne high.

Through services provided at 13 facilities statewide, BCH offered residential care, aternity care, a home for teenage mothers and their babies, therapeutic camping, odel day care, emergency care and behavioral change.

Through the Cooperative Program, church budgets and the Thanksgiving Offer-g, Baptist churches provided about one-third of the $11 million necessary to care r those children. Other revenue comes from payment for services on a sliding scale, undations and corporations and individual gifts. A significant source of help comes om individuals who remember Baptist Children's Homes, and the children it serves, their estate planning.

"I couldn't handle what was going on at home," Amber said, after a year in the tensive group process at Kennedy Home. "I wanted a way out. I saw (suicide) as e only way. I had totally turned my back on God."

Under the tutelage of Kennedy Home Baptist Church's pastor, Amber has rededi-ted her life to the Lord and was baptized. She is now memorizing Scripture and oing devotions.

Between her renewed faith and the peer group process. Amber has begun to resolve e differences with her mother. When she graduates from Kennedy Home, she plans live with her mother and sister.

"Just being able to talk through it with group and with staff helped make it bet-r," Amber said. "They helped me understand mom may have moved out, but she ever left me. She's always been supportive."

Working through problems at BCH involves identifying your problems, putting name to them. That helps a child realize he/she is not a "problem child" but is "child with problems."

"If I was alive without this place, I wouldn't be in a happy life," Amber said. I'm really thankful there are places like this."

Amber's gratitude expresses the feelings of hundreds of children each year, and e staff who serves them. Many young people need BCH. Thankfully, many Bap-st adults are committed to providing their needs, for Jesus' sake.

The 1994 Christian Life Commission of the Southern Baptist Convention

901 Commerce, Suite 550, Nashville, Tennessee 37203
Richard D. Land, Executive Director-Treasurer

The Christian Life Commission has been charged by the Southern Baptist Con-ention to assist Southern Baptists in applying Christian principles in every relation-hip and area of their lives. During the past year, the Commission has engaged in series of programs and activities designed to help Southern Baptists apply Christian ruths in family life, in citizenship, in religious liberty, in race relations, in alcohol

and drug abuse, in hunger, in pornography, in gambling and in the area of sancti of human life, including abortion, infanticide, euthanasia and "assisted" suicid The Commission has attempted to challenge and energize Southern Baptists to e gagement with our culture through informed and committed involvement with mora social and public policy issues.

The Commission has continued its long-standing efforts to work closely with sta Baptist conventions with full-time and part-time Christian ethics workers and acti Christian Life Committees, as well as with associational and local church Christia Life Committees. The Commission encourages the formation and activation of Chri tian Life Committees at all levels of Southern Baptist life beginning with the loc church. By coordinating and correlating Southern Baptist social concerns throug these committees, the Commission helps make the greatest possible impact for Chri in support of the Convention's total objectives.

At the national level, the Commission has given ongoing attention to the develo ment of closer working relationships with various Convention agencies with relate program assignments, with the six Southern Baptist theological seminaries and wi universities and colleges. Commission staff also served as resource persons in even held in numerous state conventions as well as for other Southern Baptist agenci and entities.

During the past year, the Commission provided support materials for Southe Baptists to assist in the observance of seven special emphasis Sundays on t denominational calendar. These special emphases are Sanctity of Human Life Su day, Race Relations Sunday, Alcohol and Drug Abuse Prevention Sunday, Religio Liberty Sunday, Christian Citizenship Sunday. Day of Prayer for World Peace a World Hunger Day. Support materials provided Southern Baptists in these areas the Commission included theme interpretations, photographs, posters and bulle inserts.

The Convention's action, in its 1991 and 1992 annual meetings merging the Publ Affairs Committee with the Commission, further enhanced the Commission's respo sibilities in the religious liberty, church-state arena. It has been most helpful to ha the freedom under this expanded program assignment to help Southern Baptists u derstand their historic right to be involved as citizens in public policy issues fac by our nation.

The most dramatic development, in relation to the Commission's presence Washington, this year, was the purchase of a permanent facility to house the Co mission's office at 505 Second Street, NE, Washington, DC 20002. The office h been named Leland House in honor of John Leland, great Baptist preacher and eva gelist whose activities were instrumental in leading to the eventual passage of the Fi Amendment to the U.S. Constitution.

During the past year, the Commission's Washington and Nashville staffs ha worked diligently to share with Congress and the White House numerous convi tions and concerns of Southern Baptists. Staff members have been active in co responding and meeting with members of the legislative and executive branches federal government concerning areas of Southern Baptist concern. Salt, the Commission's newsletter published six times a year, seeks to keep Southern Baptis informed on public policy and issues active in all branches of federal governme

The Commission has been particularly active the past year in leading a strong co lition of numerous groups supporting legislation restricting alcohol advertising a requiring mandatory health warnings in alcohol advertisements. Abortion, drug abu

nd pornography are among other issues the Commission staff has beeen involved with during the year through the Washington office.

The Commission's continuing concern about serious threats to religious liberty posed by recent Supreme Court decisions led to working with a coalition of groups seeking to remedy these threats through legislation and judicial action. This work led to passage of the Religious Freedom Restoration Act in the Fall of 1993. The Commission continued to pursue fulfillment of its Program Statement this past year through filing amicus curiae "friend of the court" briefs in cases involving issues included in the Statement.

The Commission's 1994 annual national seminar in Oklahoma City, Oklahoma, entitled "The Family in Crisis: Biblical Models and Answers," combined interpretive biblical themes with addresses on subjects such as "Family Violence," "Pornography," "Divorce," "The Drug Crisis" and "Outcome-Based Education." The seminar, with a registration of 731, included a luncheon discussion of public policy aspects of critical issues impacting the family.

The Commission has been extremely active in the area of Sanctity of Human Life, preparing a wide range of materials to assist Southern Baptists in their most widespread and successfuly observance of Sanctity of Human Life Sunday last January. The Commission produced a Sanctity of Human Life video entitled "The Sanctity of Human Life," which continues to be enthusiastically received by Southern Baptists. The Commission also produced a new video on race relations as part of its efforts to assist Southern Baptists in the Observance of Race Relations Sunday.

The Commission continued its responsibility assigned by the Convention for education and action related to the issue of hunger. Commission staff produced the 1993-1994 World Hunger Awareness/Action Guide entitled Hunger and Children, which sought to discuss hunger in the context of homelessness. The guide was mailed to every church in the Convention to encourage support for the observance of World Hunger Day.

The circulation of Light, the bi-monthly moral concerns journal of the Commission, and Salt, the bi-monthly Washington, D.C. newsletter, continues to experience rapid growth. Circulation is currently around 85,500.

The 1994 North Carolina Baptist Hospitals, Inc. Report

Founded in 1922, Baptist Hospital is a missionary enterprise of the Baptist churche of North Carolina. The essence of our purpose is to carry out a ministry of healin as taught by Jesus Christ. We remain as fully committed to this mission as were ou founding fathers. In the midst of changing health-care norms, we have not, nor wil we, deviate from this mission. The following paragraphs report, not only basic facts but various results of how we have sought in the last year to remain true to our heritag while providing quality health care at affordable prices.

PROVIDERS AND RECIPIENTS OF HEALING

Our Hospital healing team now consists of 5,777 employees. The Medical Cente (North Carolina Baptist Hospital and Bowman Gray School of Medicine) personne total employment is fast approaching 9,000 people making us the second largest em ployer in Forsyth County. Our Outpatient Department, physicians' clinics and other related departments received 523,672 patient visits.

DEPARTMENT OF PASTORAL CARE

Our chaplaincy division joins with our health-care professionals to provide spiritua and emotional healing. With 15 to 35 chaplains present at various times, 58,747 minis tries were provided to patients, families, staff and groups. Mission dollars from th Cooperative Program enabled this ministry to be carried out.

The Center for Congregational Health, in its second year of ministry as a part o our Department of Pastoral Care, continues to expand and strengthen. To date thr 1993, 40 ministers have completed intentional interim training and 29 are in training.

e number of churches calling intentional interim pastors continues to increase. The ining of consultants for conflicted churches and leadership training for young inisters were both begun.

The Pastoral counseling Division now operates 12 counseling centers across the ate. These centers provided 26,716 hours, a five percent increase over the previous ar.

In December 1994, Dr. Dewey Hobbs will retire as Director of the Department Pastoral Care. His eleven years of leadership and ministry have brought quality id expansion in every facet of the department.

APTIST BENEVOLENT CARE FUND

Last year Baptists across our state gave $425,734 to our annual Mother's Day Offer-g. All of these monies went toward relieving the financial burden of scores of former atients who have little or no health-care insurance and no financial means to pay eir hospital bills. The churches and individuals help make this ministry possible id we are grateful.

XCELLENT FINANCIAL STEWARDSHIP

In the midst of escalating health-care costs, we have a proven record of superb ewardship.

) The latest report of the North Carolina Database Commission comparing the average of other state academic medical center charges vs. Baptist Hospital for our most frequent diagnoses reveals our charges are 21% lower.

) We are one of only 17 hospitals nationally with a "AA" bond credit rating.

) Averaging the last two years and the projection for 1994, the Consumer Price Index will average 2.8% and the Medical CPI for hospitals will average 8.9%. Baptist Hospital rate increases for the same period will average 1.8%, under both the above-mentioned indexes.

'EETING THE CHALLENGES OF THE FUTURE

The health care environment is and will continue to be changing. Baptist Hospital proactively facing these changes on a daily basis. Below are listed several visions hich have recently been or will soon be realized.

Paul Sticht Center on Aging and Rehabilitation

This building will usher in a new era in rehabilitation at our Medical Center. With this facility we'll be able to transfer t information straight to the patient's bedside."

COMMUNITY HOSPITAL ASSISTANCE

Developing relationships with community hospitals such as Stokes Reynolds in D bury and Hoots Hospital in Yadkinville enables us to assist them in lowering co s as well as providing quality hospital and outpatient care. We anticipate expandi this endeavor to include other smaller, outlying hospitals. We also have signific affiliate relationships with hospitals in Wilkesboro, Lexington, and Mt. Airy a are in the process of developing other affiliate relationships.

QUALCHOICE OF NORTH CAROLINA

Joining with BGSM and Wake Forest University, Baptist Hospital has develop a managed care plan. Our design is one which offers affordable quality health c e while providing the insured freedom of choice. This plan will be opened for pub c enrollment beginning January 1, 1995.

The 1994 Report to the Association
Rev. Bill Warren

Can God's people make a difference concerning the moral climate of our sta ? There is no doubt about it! The $300 billion gambling industry has targeted our st te for legalized gambling. Why North Carolina? The fact is that N.C. is the largest st te in the nation where the gambling industry has not been able to get their foot in he door. Furthermore, NC is the only state in the traditional Biblebelt where the ga- bling industry has not been able to make any inroads. In order to get their legislat n enacted, they hired 14 of the most influential and effective lobbyists that money an buy to sell "their bill of goods" to the members of the N.C. General Assemb .

Is there anyway to defeat such money and power? Yes! Through the prayers nd influence of God's people! It happened in 1994!

The legislature has adjourned - the members have gone home - the gambling lb- byists have packed their bags and left town.

How was it done? Baptists and other Christians fulfilled their Biblical respons il- ities by influencing their legislators through their prayers, letters, phone calls, nd personal contacts.

The Christian Action League along with the Christian Life Council of the Baptist ate Convention; N.C. Baptist Men; and Woman's Missionary Union, has conducted workshops, THE CHRISTIAN LOOKS AT GAMBLING, to educate and motiate our people into action against this insidious evil. You responded, and now, we an claim the victory.

Furthermore, when communities like Asheboro, Albemarle, Concord, Kannapo-, Thomasville, and Manteo, including Hyde and Harnett Counties, faced battles ith the powerful $140 billion dollar liquor industry during the year, we were delighted provide campaign strategy, research documents, and publicity materials. The liuor forces did not win any of these referendums.

We thank God for your support of our Ministry of Applied Christianity, and we and ready to assist God's people in being the "salt" and "light" that He would ave us be.

Missions Division Report

North Carolina is our primary mission field. The challenges for reaching this mison field are greater than they have ever been.

Our state continues to grow in its ethnic population. Asians and Hispanics are the vo fastest growing ethnic groups in North Carolina. Most of them come to us without church background.

The number of people living in multi-family housing complexes continues to grow aster than the number living in single-family dwellings. The majority of those in ıult-family housing do not attend church.

The breakup of families has become epidemic. By the year 2000, one-half of our ildren will spend part of their lives in a single parent home.

The issue of crime continues to plague us. A youth offender reported that he could ot get a driver's license, but he could purchase a gun.

Those suffering from the HIV virus continue to grow in number.

The resort communities of North Carolina continue to attract millions of people very year, many of whom have not heard the Gospel of Jesus Christ.

North Carolina has over 21,000 inmates in its prison system. Many thousands of ur citizens suffer from hearing or visual impairment. Over 50,000 of our populaon are in nursing homes.

These and many other issues describe our primary mission field — North Carolina.

The Missions Division of the Baptist State convention works with local churches nd Baptist Associations in this mission field to meet these, and many other, human eeds.

A new mission statement was written by the division staff in 1994 to clearly identiy the purposes of the division. The statement reads:

The Missions Division of the Baptist State Convention of North Carolina seeks to direct he mission work of Baptists in North Carolina and work cooperatively to open windows of pportunity for a worldwide mission program. The work of the division focuses upon (1) New Vork Starts and Development, (2) Redevelopment of Existing Churches, (3) Leadership Deelopment for Mission Work, (4) Mission/Ministry Response, (5) Cooperative Planning to ssist churches and associations in realizing their vision for missions, and (6) Association Mis-ion Support.

Behind the statement is our commitment to work with churches and associatio in reaching their corner of our mission field. The Missions Division seeks to wo with churches and associations in a partnership relationship. The way we achieve t goals of the convention for mission work is to help associations and churches achie their mission goals in their community.

In 1994 the division will provide $700,000 in funds for mission work in associ tions. This money is provided through Cooperative Program contributions and gif to the State Mission Offering.

Baptist Children's Home Report

Greetings to you my brothers and sisters in Christ. What a great year we have had in our drives for our "Baptist Children's Home." You have all been so faithful to help with each drive. The Children's Home has reported to me how much this has helped with their food budget. When we show our love to these children by sending paper products, school supplies and food at Christmas this helps "Mills Home" to be able to meet other needs. God will surely bless every church who has participated in each of the drives this year. A good way to see your church grow is to get your church involved in "Home Missions" work at our Baptist Children's Home. We now have people from Boone who work at Mills Home. Robin Vines, daughter of John and Joyce Vines, works as a social worker and is doing a wonderful job. James and Lisa Paul, of Howard's Creek Baptist Church, now work as house parents on "Huffman Cottage." They are our missionaries from Three Forks Association. Please remember to pray for them. Mt. Calvary Baptist Church in Banner Elk became new sponsors for "Simmons Cottage" this year. I still need other churches to help. Please call me and give me an appointment to speak at your church. There is a lot of work that needs to be done at Mills Home. The Brotherhood of Howard's Creek Church, accepted the call on September 23 & 24 to plan a mission trip to Mills Home. They spent the night, worked until midnight and all day Saturday painting and cleaning.

The ladies attended also and worked beside the men. If your church is interested i a work project at Mills Home, please contact me. The children at Mills Home nee you to love them, to pray for them and to continue to care and support them wit our drives. Our Christmas drive will begin on November 1st and end on Decembe 8th. Our drive will be for non-spoilable foods and we want to make sure every chil receives a present for Christmas. As we help the children at Mills Home, we are show ing Jesus how much we love Him. (Matthew 25:40) If I can do anything to help you please call me at 264-0499. May God richly bless you for all your help this year

Senior Adult Report

The Senior Adult ministry can enhance fellowship and build community among ou senior adults and provide opportunities for witnessing and outreach. Special even are a part of this ministry.

A covered dish dinner was held in August at the Greenway Baptist Church Famil Life Center. The Singing Saints of Greenway gave a musical testimony in their rend tion of "A Time to Remember" by Joe Parks.

In September a day trip to Raleigh included visits to the Governor's Mansion, th new N.C. Museum of History, and the headquarters of the N.C. Baptist State Co vention. Three van loads of seniors enjoyed this event.

Brotherhood Report

When Paul speaks of refraining from marriage to be able to devote all your tim to the work of the Lord, I fully understand. The work of ministry to the saints ar to the needs is certainly full-time work. I know I've been unworthy to hold the pos tion of Director for the Association but it has been a challenge. The money we ha in the budget for this position (if we could do it) needs to be doubled. There a so many projects and needs all over this county. Probably our biggest project of th year has been the building of a home for Mike and Mickie Hartley. Beginning la year we had fund raisers, letters sent locally, newspaper articles to raise money, ma power, and support for the project. Several men met several times to lay the groun work and begin the ball rolling on the project. We had the footers poured and pa of the blocks laid before winter hit. It was then April of this year before we we able to begin work again. We have worked just about every weekend since. We ha raised or had donated approximately $30,000.00. We may possibly complete th project by October 1st. The home is 28 feet by 60 feet with a full basement and a elevator. It has been quite an accomplishment. There was one family that receiv lots of furniture, clothes, and several times food, as they relocated. This family ha five children and one on the way. We tried to help out in relocation too. They a doing very well.

Another family that received our help received a furnace, and thanks to Lew Pond a cleaned out sewer. We would have done more with their water problems, but w could not due to power problems.

The R.A. Banquet was a big success. Many thanks to Greenway Baptist for th use of their gymnasium. Jim Marsh catered the meal for us. The program was fill

rinly by the boys themselves. Jim Barber, from the Samaritan's Purse, was our gest speaker. He challenged us to a shoe box toy drive for the children in Bosnia. The boys responded with over 100 boxes for Bosnia. We had approximately 80 in tendance for the banquet.

Another big event of the year was the Mayfest Missions Fair. The Fair came about a result of our missions director visiting the state missions exhibit and wishing t do something similar. This event really replaced our men's banquet and was well ne by all who participated. Once again we thank Greenway Baptist for the use their gymnasium where the event was held. The Fair was on the 21st of May from :00 to 2:00. The idea was for any organization in town that was meeting needs the community to set up a booth and display their information. The list of organitions that participated was: Baptist Student Union, Boone Crisis Pregnancy Center, otherhood, Camp Joy, Church Growth Multipliers, Discipleship Training, Habitat r Humanity, Here's Hope Revivals, Hospice, Hospitality House, Hunger Coaliin, Mission Development, Mountain Aids Task Force, Multi-Housing Ministry, usic, New York Partnership, Prison Ministry, Resort Area Ministries, Samaritan's rse, Singles/Singles Again, Southeastern Baptist Theological Seminary, Three Forks ptist Association, Three Forks Baptist Church, Ukraine Partnership, WVIO, and oman's Missionary Union. The gym was completely filled. WVIO, the local Chrisn radio station was set up and did interviews during the time we were there so ch organization got some good advertisement. The day opened with a short mesge from Ken Schurter from the New York Partnership that the Three Forks Asciation has been involved in. We had several songs and then everyone was free visit each booth. Videos were running all day showing the work of each organizaon. There was a lot of history on the Three Forks Association that was most inresting. Skipper Greene brought one of the disaster relief vans for display and fed lunch. Several people, you know who you are, worked quite hard to have such successful Mayfest Missions Fair. Thank you so much for your hard work.

For the flood victims in Southern Georgia we donated $3,000.00 for necessities. e felt the money would serve their needs better than articles or items. The cost of ansporting articles there would have affected the number of articles collected.

The men from Howard's Creek took a couple of trips to South Florida for hurrine Andrew relief. Approximately 12 men went on the last trip.

We thank the men and women of the association for their help and support of e relief efforts in this county. God Bless you all!!

Missions Development Council Report

Missions - As Christians we are to be on mission for the Lord.
Development - We are to participate in plans and procedures of missions.
Council - We are to share in plans for missions involvement and to encourage others to be involved.

There are many opportunities of missions ministry in our church communities, association, and in many areas of the world. We have made plans and promoted:

1. Continuation of ministries in Rest Homes and Nursing Centers.
2. Support of local prison chaplaincy and ministry through prayers and gifts for chaplain's salary and ministries. Call the chaplain, Rev. Herbert Hash (264-2586) for ways you can be involved individually or otherwise.
3. Involvement in multihousing ministries. An excellent conference on this was led by Mr. Roy Holder (June 9, 1994). If you are interested call him (264-9465).
4. Some contacts by a council member concerning a possible ministry in a resort area.
5. Secured and gave materials on "Hope for Hurting Humanity" to various churches and individuals.
6. Missions Fair, called Mayfest Missions Celebration (May 21, 1994). This was a suggestion from our Director of Missions, Rev. Ken Boaz, and was approved by Missions Development Council, and he led in implementing the Missions Fair. Members of the council were involved in planning and preparing various booths. Other booth displays were done by various agencies, organizations, individuals and a church. More information on the Missions Fair is given in the Brotherhood Report.

Other topics were discussed in our meetings and encouraged: Literacy, the various missions offering during the year, and the "Here's Hope Revivals" in 1995.

We did some items for the Three Forks Informer concerning Missions Development Council meetings and plans; and encouraged the partnerships representatives to provide information for the Informer.

The council approved the use of designated amounts in the associational budget for New York and Ukraine Partnerships. Also, we approved the request from Boone Crisis Pregnancy Center for a donation, and the amount of $500 was given from the designated missions fund. Note: The association, in session August 1993, gave to the Missions Development Council the responsibility of approving use of designated missions fund. (See item no. 48 on page 16 in 1993 annual).

Some items of plans and decisions were made by telephone in contacting counc members about them when it was necessary that they be done before the next regula meeting. Appreciation is due to council members and others for their cooperatio in discussions, plans, and work.

Welcome to the new members being added to the Missions Development Counci

1993-94 Baptist Student Union Report

The Baptist State Convention of North Carolina supports an active student mini try program on approximately forty-five (45) college and university campuses withi North Carolina. Our convention financially supports seventeen full time ministe who are primarily tasked with the proclamation and witness of the Christian fait on our campuses. These ministers work with student groups such as the Baptist Stu dent Union, they cooperate with college/university administrative personnel in ser ice to the individual institutions, they offer pastoral assistance to faculty and sta in personal and professional concerns, they explore creative approaches to stude ministry with Baptist churches geographically located close to a campus, and pr vide student resources for outreach ministry and worship for these same churche

Some of the 1993-94 highlights for our statewide Baptist Student Union networ are as follows:

1. Approximately $74,000 raised for missions and ministry work throughou North Carolina, the United States and the world;
2. Approximately 200 college students throughout North Carolina who hav been selected, trained and are now serving for the summer of 1994 in our state, our nation and our world; and
3. A number of special conferences and learning experiences that involve ministry in the following areas: a) high school seniors preparing for college; b) black student ministry; c) international students; and d) evangelism

Our local Baptist Student Union here at Appalachian State University (ASU) r mains committed to the spiritual growth and enrichment of students on the campu of ASU. The following weekly programs have been provided to give direction to ou commitment to students: 1) Monday evening Student-led Worship followed by a su per; 2) Bible Study groups; 3) Family Support groups; 4) A Spiritual Formation grou 5) A Senior Support group; 6) An Outreach Visitation group; and 7) A Wednesda morning Prayer Breakfast. Pastoral care and pastoral counseling is made availab by the Campus Minister to all students at any time as the need may arise.

The ASU/BSU has continued our commitment to outreach social ministry wit involvement in our community with programs such as our Rest Home Ministry tean our involvement with Watauga Youth Network, and our Environmental Ministry c Recycling. We also worked with and assisted the following organizations: the Hun ger Coalition, Meals-on-Wheels, the Hospitality House, Project on Aging, the Shelt for Homeless Persons, and Resort Area Ministries.

Our BSU sponsored student ministry teams in a variety of areas during the 1993-9 school year: BSU puppet/clown team, a contemporary Christian singing group, mixed gospel quartet, and three outreach ministry/focus teams. These groups hav ministered at approximately 41 churches, covering a number of associations in Weste and Piedmont North Carolina.

ASU/BSU students were actively involved as Summer Missionaries this summer. We had approximately 35 student summer missionaries serving from our group. The majority of these students were serving in North Carolina; however, our students served beyond our state in such places as Detroit, Michigan. We also extended ourselves beyond the continental United States to include a student in France, a student in Botswana, and three (3) students in the Ukraine.

During Fall Break, eight (8) of our students gave up their break to spend four days at the North Carolina Baptist Assembly at Caswell. They worked on renovation projects as well as participating in the evening programming.

During the Spring Break week in March, seventeen (17) of our students gave up their break to spend a week doing inner-city ministry in Washington, D.C. The students worked with renovations projects, food distribution, soup kitchens and elderly day care as they build meaningful relationships with persons who are suffering in the midst of poverty.

Our Baptist Student Union here at Appalachian depends entirely on local support for our program money. We do not receive any program funds from the North Carolina Baptist State Convention. We are deeply grateful to the six (6) churches in our Three Forks Association who have supported our BSU ministry through their church budgets. Also, we are grateful to the entire association for their interest and support of this vital ministry to students.

Three Forks Baptist Associational Youth Report

The Youth Ministry arm of the Three Forks Association has been very active this past year and has seen God at work in the lives of our teenagers. Activities including a Progressive All-Nighter in June, a School's Out Picnic in May, and another all night excursion to Charlotte for the Good Stuff Student Conference with Any Stanley have provided our youth to gather together for Christian fellowship and spiritual growth. Other events included a concert by Contemporary Christian Artist Luke Garrett and two events emphasizing prayer for the youth of our nation (National Day of Prayer in May and The See You at the Pole Rally in September).

One of the most exciting ministries this year involved a group of high school students form various churches who met every Tuesday evening for 9 weeks at the home of Phil and Lynn Ginn to go through the Experiencing God study. The youth were very committed to the weekly and the daily study that was involved and a deep sense of spiritual growth and community developed among those taking part. Plans are in the process to continue offering this opportunity to youth as they become spiritually mature enough to accept the level of commitment and work involved.

Another highlight came in February when 150 youth from all over the county signed covenant cards promising to remain sexually pure until they entered into a marriage relationship. This was part of the Associational True Love Waits Rally which was part of the National True Love Waits Campaign that has exploded into a worldwide movement. The rally was also presented on the local cable station with the help and promotion of several area businesses. The cards that were signed were sent on to be included in a display of 200,000 cards in Washington, D.C in July as part of the National True Love Waits Rally.

God has been moving in the lives of the teenagers of Watauga County. In this coming year the Associational Youth Ministry Council intends to find its part in that moving and be obedient to His guidance so that He may be glorified in the hearts and lives of our youth.

Camp Joy Report

Camp Joy has been used this year by young people and adults.

The Reverend Chris Greer, Executive Director of Burke United Christian Ministries of Morganton, North Carolina brought 40 young people and adults to Camp Joy in July for 9 days. While at the camp they went out each day working on homes in the community for the elderly. They provided all materials and labor for these projects. They painted homes, built steps, ramps and any repairs that needed to be done. While there two showers were installed in the rooms at the rear of the kitchen. They paid $800.00 for using the camp.

The well was drilled last fall and water was put in the kitchen and the girls and boys dorm this spring.

A ditch was dug across the ball field and tile was installed for drainage. The road also had more gravel put on. Trees were cut, grass was moved three times and areas around the houses were trimmed.

Two overhead fans (gift from Burke United Christian Ministries) were installed in the dining room.

A general cleaning in the kitchen, dining room and bunk house was done before the camp was used. Windows washed, curtains washed, all dishes, pans, etc. in the kitchen were washed. Also new table clothes were purchased.

The Associational WMU officers had an overnight retreat on August 19-20. Mrs. Dot Allred led the retreat with a total of 10 attending.

Camp Joy had a booth at the Mayfest Missions Celebration on May 21st. Old record books which Mrs. Nora Wilson has kept down through the years, were on display and pictures of Camp Joy. A 14 page history of Camp Joy has been written. This history is brief but will let you know what Camp Joy has meant to many people down through the years.

It is our desire that Camp Joy will be used and that it will bring "Joy" to those who use it in the future.

Greenway Baptist Church

In our modern age, one might ask just how does a church begin? The few weeks and days previous to its opening, a group of citizens with the foresight of the need for a church in the area prepared and cleaned a service station. Discarded chairs, seats, and a pump organ were brought from First Baptist Church in Boone for use in the Boone Baptist Mission. Those donating their time and efforts were Dr. W.G. Bond, Mrs. Daisy Adams, Mrs. Ben Rosenbalm, Mrs. Eugene Bates, and Mrs. Blanche Roberts. Sunday School was organized and the first service was held on Sunday evening, June 24, 1951. These ladies, along with Mrs. I.T. Barnett, served as its first Sunday School teachers. Vacation Bible School which was held in August enjoyed an average attendance of 25. Cottage prayer meetings were held and Rev. Lloyd Culler held the first revival for this group. Mission pastors included Rev. Howard Barnes, Howard Hodges, and Maurice Cooper. The first block structure was made possible through the generous land gift by Mr. and Mrs. Gordon H. Winkler and other friends in 1955. On January 29, 1956 the dedication was observed in the structure where the present building stands and the name was adopted – Greenway Baptist Church and is officially incorporated. On January 6, 1958 Rev. William R. Eaton was called as its first pastor with a salary of $4,300.00. He was to serve a membership of 118, 99 of whom were charter members. Sunday School enrollment had swelled to 170, Training Union enrolled 79, Brotherhood 39, and WMU 67. Vernie Gaulden served as Superintendent and Clint Cannon served as treasurer. The first deacons were ordained on July 31, 1960 – John Atwell, Ray S. Luther, and Don Ragan. The first wedding was on January 9, 1958 and the first funeral was March 26, 1961. On July 6, 1958, the constitution was adopted and all seemed well, however, 1961 found the body with its first major issue for consideration – budget. Upon a step of faith, the goal for the budget was set at $10,000.00. In May, 1961, Rev. Eaton resigned and Dr. J.C. Canipe served the body as interim pastor. In December, 1961, Rev. C.O. Vance was elected pastor and led the group to a ground breaking for a new sanctuary on July 7, 1963. One year later, July 5, 1964, this sanctuary was dedicated. The parsonage was completed in 1962.

Rev. J.C. Jones, Jr. was called as pastor on March 1, 1973 following Lester Lane who was serving as interim, and on November 2, 1975, ground breaking was held for a new educational building. In November 1976, it was voted to establish a Christian Counselling Center. In 1982 it was voted to start a Day Care program. In May 1987, it was voted to build a Family Life Center and its name was to be McCauley Family Life Center. A new educational building was begun in November 1975 to meet the needs of this vivacious and growing community whose membership had grown to 473 in 1989.

Out of this body have come some young men to preach the Gospel. Richard Greer was ordained in 1966, Dennis Wilson 1972, Nevin S. Alwine 1982, and Bud Russell 1985. Those licensed include Hershel Wynn 1975, Ray Mark King 1976, and Thomas David Moore.

Greenway Baptist Church is a mission minded body. In May 17, 1981, it was voted to sponsor New Life Baptist Mission in Cowen, West Virginia. In July 1981, it was voted to offer the facilities when not in use to Boone United Methodist Church who had suffered loss by fire. In its minutes numerous benevolences are recorded to individuals as well as families. Its records also show Backyard Bible Schools in other states for children. Also items have been collected for the children of the Ukraine.

Greenway Baptist Church joined the Three Forks Association on August 26, 1958 in a meeting held at Poplar Grove Church. It has been an active associational member participating in various activities of the association.

Since Rev. Jones, other pastors include Rev. Jerry Allen, February 2, 1986, and the present pastor, Rev. Harold Bennett, January 17, 1993.

On May 31, 1991, the church sanctuary was destroyed by fire. Services were held outside or in the gymnasium. Bill Edmisten Construction Company completed the new building, enlarged the sanctuary, built new classroom space, and renovated the East Wing. The first services were held in the new air conditioned facility which had cost approximately $400,000.00 on October 25, 1992. Mr. Phil Templeton served as chairman of the building committee. In a service of dedication on November 22, 1992, Dr. David E. Browning delivered the challenging sermon "Lord, send us a vision." This vision became a reality with the revision of the constitution of the body.

One interesting update of its bylaws concerns that of accepting new members. On May 10, 1993, it was voted that members coming by profession of faith, transfer of membership, or statement come under the watchcare of the church until they have completed a New Member Orientation. New members will meet with the orientation committee and the pastor to discuss 1) church covenant, 2) constitution and bylaws, 3) articles of faith, 4) church program and general operation, 5) assignment of "Big Brother of Sister" for new membership training best suited for new member with the concern being to help. Also, it is interesting to note that there is a well outlined pastoral/church relationship covenant in effect. This includes the pastor's expectations of his church, the church's expectations of the pastor, the pastor's obligation to his church and the church's obligation to its pastor, etc.

On May 10, 1995, Rev. J.C. Jones, Jr. was honored by being elected "Pastor Emeritus."

On June 7, 1995, the church voted to purchase the Carter and Kirk lot across from the sanctuary.

Throughout its minutes, progress is recorded. This body now counts a membership of 497 with a Sunday School enrollment of 379 and an average of 185. Truly, in our busy world, this church has been called of God to meet the needs of a growing and expanding community. It is a beacon for all who pass its way. May God richly bless each of you.

Laurel Springs Baptist Church

On September 4, 1784, as recorded in the associational record, "the church at Laurel Springs presented a letter by the hands of her delegates, soliciting a union with us, the Three Forks Baptist Association, which, after examination of their constitution, was received." The delegates bringing this request were Joseph Brown, Solomon Greene, and D.G. Hendrix. Later the Missionary who was appointed to visit the churches reported "that Laurel Springs contributed $3.40 for his support and that the churches were in tolerably good order." It is also recorded that a total of $1.00 was contributed to the Association upon joining the body. This seems a bold step forward because this church was only organized in October, 1873 with eight members from Stony Fork and seven members from Three Forks Baptist Church along with Rev. R.P. Farthing, Rev. William Wilcox, and Rev. Nathan Phillips serving as a presbytery. Out of this group came Michael Cook serving as first clerk, Joseph Brown and G.D. Hendrix – first deacons, Billy Moore–first superintendent, and Rev. William Wilcox – first pastor. This beginning was largely the efforts of Joseph Brown, the only man in the community who was a member of any church. The name "Laurel Springs" was selected because of a large clump of laurel

rubs which was growing around a spring at the rear of the first building made of logs d used split logs for its seats. It is most interesting to note that soon after the Baptist hurch was constituted, a Methodist church was organized in the same building and this riginal log structure housed a place of worship for both Baptists and Methodists for pproximately 15 years.

Having begun with only 15 members, it is on record that 25 years later there was a tal membership of 152 – 58 males and 94 females and the pastor's salary was $39.50. here were by this time three ordained ministers in the body with Rev. C.S. Farthing serv- ig as pastor. Preaching was regularly held the fourth Saturday and Sunday of each month. V.R. Moore, Superintendent, reported 102 scholars and an expense of $9.75.

Laurel Springs has from its inception been a mission minded body. This is evidenced y its contribution to State, Foreign, Home, and Associational missions. Also in 1898, it recorded that $4.72 was contributed for the "poor."

From the first log structure, in 1893 the church was moved two miles to a more central ocation and a new building was constructed where the present one stands. The present uditorium was constructed in 1938 in 90 days under the supervision of Pastor Walter C. reene. In 1947 the first Sunday School rooms, baptistry and restrooms were planned and y 1950 they were completed. In 1959, a pastorium was completed and the first full-time astor was on the field. Soon additional Sunday School rooms, kitchen facilities and park- ng spaces were realized. In June 1976 the church purchased approximately 2.5 acres of and for more parking space and recreation area for youth activities.

In 1990 the church built a fellowship hall. Additional land for this purpose was donated o the church by Mack and Willa Jean Brown. In 1995, the nursery was completely reno- ated.

From this body have come two organized churches – Gap Creek and Pilot Mountain. Also 38 pastors have served this body – the present one being Rev. Gordon Rawls.

Today the membership of this body has grown to 336 with an average Sunday School nrollment of 115. On its membership rolls is found. Mr. Dwight Stanbery who celebrated is 100th birthday on July 13, 1995.

The Three Forks Baptist Association first met with Laurel Springs in 1886, then in 990, 1923, 1948, 1966, 1981, 1988, and today, 1995.

Truly, this lovely sanctuary and well kept grounds is a tribute to those ancestors who rganized it long ago and to the God whom they served. It is a beacon of light and inspi- ation to all who pass its way and a fine tribute in this growing community. May God con- inue to bless its efforts.

Christian Life Commission Associational Report

The Christian Life Commission's assignment from the Southern Baptist Convention is one of Christian moral development by emphasizing the application of the principles of the Christian faith in personal and public life. Effort is made to provide Christian ethics services to other Southern Baptist agencies, state conventions, associations, churches and individuals to enable Southern Baptists to deal with the serious moral challenges of our time. The Commission encourages the formation of Christian Life Committees at all levels of Southern Baptist life beginning with the local church.

Through its Washington, D.C. office, open since 1987, the Commission has a moral leadership role in the nation's capital. The staff in Washington includes the Director of Government Relations, the Director of Media and News Information-Baptist Press Reporter and the General Council-Director of Christian Citizenship and Religious Liberty Concerns. The Washington staff has sought to fulfill the program statement assigned to the Commission to "bring to bear Baptist statements, convictions and insights in Christian ethics and religious liberty upon important policy making groups"; and to "present Southern Baptist insight for consideration in the planning of federal government programs on children and youth, aging, housing, employment, public health and other matters pertaining to social welfare."

During the past year, the Washington and Nashville staffs have worked diligently to share with Congress and the White House convictions and concerns of Southern Baptists. The staff has corresponded and met with members of both the legislative and executive branches of the federal government on areas of Southern Baptist concern. *Salt*, a newsletter, is published six times a year to keep Southern Baptists informed on public policy and

issues in the administrative, judicial and legislative branches of government. Abortion, drug abuse and pornography are among the issues in which the staff has been involved in the past year. The continuing concern about serious threats to religious liberty posed by recent Supreme Court decisions has been the basis for the Commission to address both legislature and judicial concerns. The Commission continued filing *amicus curiae*, "friend of the court," briefs in cases involving areas within its program statement. The Commission continued to call Southern Baptists to a greater understanding of the truth that our faith calls us to informed participation in our nation's political process.

The 1995 annual national seminar, entitled "The War of the Worlds: The Struggle for America's Soul," was held at Southeastern Baptist Theological Seminary in Wake Forest, North Carolina, February 27-March 1, 1995. The seminar program combined interpretive biblical themes with addresses on subjects such as "What are World Views and Why They are Important?," "The Issue is Truth," "The Struggle for the Right to Be Involved," "The Struggle for the Inner City," "The Struggle for the Media" and "The Battle for Human Life." The seminar also included a discussion of the public policy aspects of critical issues impacting the world.

The Commission has been extremely active in the area of the sanctity of human life by publishing a wide range of materials to assist Southern Baptists in celebrating Sanctity of Human Life Sunday in January. The video, entitled "The Sanctity of Human Life," continues to be received enthusiastically by Southern Baptists. The Commission hosted a consultation on violence at abortion clinics in September 1994, which resulted in the publication, "Why Killing Abortion Doctors is Wrong: The Nashville Statement of Conscience," which has generated considerable interest among Southern Baptists as well as news media.

Commission staff also served as resource persons in events held in numerous state conventions as well as for other Southern Baptist agencies and entities. The Commission produced a video on race relations and continues to assist Southern Baptists in the observance of Race Relations Sunday. The Commission also continued its assignment from the Convention for education and action on the hunger issue. The film, "What Shall We Do in a Hungry World?," continued to be used significantly to heighten Southern Baptists' awareness on this issue.

The Commission produced a gambling video, entitled "Gambling: The Hidden Realities," which has been widely distributed by state convention offices to associations in several states. The staff has been very active in providing information to state conventions, associations and local churches on the gambling issue. A new video was produced, entitled "Bites Like a Snake: Students Speak on Alcohol and Drugs," that seeks to help churches warn young people about the dangers of alcohol and tobacco.

The circulation of *Light*, the bimonthly moral concerns journal of the Commission, and *Salt*, the bimonthly newsletter produced in the Washington, D.C. office, continues to experience rapid growth. Circulation is currently around 91,150 for each.

The Commission plans to undertake numerous initiatives during the years ahead. These include: expanding the Nashville and Washington, D.C. staffs to increase its ability to fulfill its program statement; sponsoring seminars on the challenging moral and social issues of our time; implementing every means possible to inform, challenge and energize Southern Baptists to become involved with the vast array of moral and social issues confronting our society; and updating, revising and expanding literature and audio/video material available to Southern Baptists on moral and social issues.

In reviewing its program activities for the past year, the Commission remains encouraged and faces the future with faith and hope in furthering the cause of applied Christianity among Southern Baptists. The trustees and staff solicit the prayers of Southern Baptists as it seeks to discern the Lord's will and work in serving Southern Baptists.

The Commission is committed to a complete Gospel for the complete person. It rejects any inherent conflict between the social and salvation aspects of the Gospel. It was never intended that there should be a dichotomy between the two. The Commission believes it is wrong to seek to feed the hungry and not tell them about the bread of life. It is shameful to seek to clothe the naked and not tell them about the whole armor of God. It is a disgrace to seek to house the homeless and not tell them that in our Father's house are many mansions. It is also less than complete obedience or full discipleship to proclaim salvation and not also seek to minister to people's earthly needs.

Education Commission Report

The Education Commission serves Southern Baptists by promoting educational activities and institutions as sources of leadership to help the churches accomplish their missions and goals. This leadership comes not only from the students and graduates, but from the faculties and staff members of the schools.

During the past year, the Commission has sponsored an emphasis, "Educating for Life." The primary concern in this project has been to focus on ways the educational institutions of Southern Baptists help students in spiritual formation. From chapel services to prayer groups, from local church involvement to overseas missions opportunities, campuses throughout the Convention take seriously this dimension of their task.

The Commission provides specific services to educational institutions, those individuals who serve on the facilities and staffs of these institutions, state convention agencies or persons in positions within the state conventions or structured groups related to educational enterprises, as well as to local Southern Baptist churches and their members. This program provides information, training, and consultation to those who would reinforce educational activities as witnessing activities.

Education has long been recognized as a part of the mission of Southern Baptists to help individuals to grow once they are saved. If young people are to be effective soul winners or make any lasting impact on their society, they need the tools and skills available in the curricular and extracurricular programs of our educational institutions.

SUPPORT.–The 69 Southern Baptist-related institutions at all educational levels received funds in the amount of $94,109,487 from the 18 sponsoring state conven-tions/fellowships and the Southern Baptist Convention. Of this amount, $501,400 was given as an addition to institutional endowment funds and $35,000 for church-related vocation scholarships. Other donations, gifts, and grants for current operations of the institutions totaled $81,879,362. Endowment funds of all institutions totaled $1,495,398,747; property values were listed as $1,433,764,076, making assets for all the institutions total $2,929,162,833.

CHURCH VOCATION VOLUNTEERS.–Church vocation volunteer students enrolled in the colleges and schools sponsored by the various Baptist state conventions and in the six theological seminaries sponsored by the Southern Baptist Convention totaled 21,422 for 1994-95.

PROGRAM REPORT.–For the past seven years the Foreign Mission Board has been assisting a group of 43 Baptist colleges and universities organized to develop educational exchange programs abroad. Cooperative Services International Education Consortium (CSIEC) currently is involved in about 300 projects with educational institutions in 80 countries, particularly in China, the former Soviet republics and other countries known as "World A" among Baptist missiologists. In September of 1994 these efforts gained strength as the Education Commission, Foreign Mission Board and CSIEC signed a joint agreement that will provide for a director and clerical staff persons. These new staff persons will have offices at the Education Commission in Nashville, Tennessee. It is anticipated that the projects which already number in the hundreds will increase significantly. God will surely bless the stewardship of the dozens of faculty members and hundreds of students who will study, teach and live in places where the Gospel can only be shared by lifestyle evangelism because normal missionary efforts are forbidden.

This is one more way the Education Commission serves the Baptist-related colleges and schools as they help Southern Baptists achieve their goal of taking the Gospel to all the world.

During the year, workshops in legal concerns, alumni affairs, admissions, religious activities, public relations, and development were sponsored by the Commission to assist institutional staff members in their assigned responsibilities.

The Placement Registry conducted by the Education Commission continues to assist Baptist institutions in identifying prospective faculty members. In the past academic year, 408 prospective faculty members have been listed in the Placement Registry. It has been the purpose of the Commission to expand this service to all Baptist institutions.

The annual Baptist Seminary, College and School Day is observed on the Convention calendar on the third Sunday in February. The emphasis day for the past year was conducted on February 19, 1995. Materials related to the observance of the emphasis day were developed and distributed to all churches and convention entities involved in the emphasis.

Regular publications of the Education Commission include *The Southern Baptist Educator*, published monthly except July and December, and *Guide to Southern Baptist-Related Colleges and Schools*, produced every two years. In addition to these regular publications, several brochures on related educational subjects are produced.

In January 1993, the Commission published *Southern Baptist Trusteeship* by Arthur L. Walker, Jr. This volume of 106 pages discusses the distinctive role, opportunity, and responsibilities of Southern Baptist trustees elected both by the various state Baptist conventions and the Southern Baptist Convention. A major point stressed by the author is the similarity of the responsibility of the institutional board of trustees to the biblical steward as depicted in the Old and New Testament.

The new book on trusteeship has been marketed through emphases in the annual Baptist Seminary, College and School Day materials, presentations in The Southern Baptist Educator, and workshops and addresses for institutional trustees.

MATTERS REFERRED BY THE CONVENTION.–The motion adopted by the Southern Baptist Convention meeting in Orlando, Florida, June 14-16, 1994 was studied by the Education Commission at its annual meeting, June 26-27, 1994. The following report is made to the Southern Baptist Convention.

In response to the motion by Mike Mitchell (TN) and amended by Craig Kendall (CO) that the Southern Baptist Convention direct its agencies and institutions to maintain fidelity to the Convention, to avoid compromising the integrity of the Cooperative Program, and to decline to receive funds channeled through the Cooperative Baptist Fellowship, the Education Commission voted to comply with the directive of the Convention.

Baptist Retirement Homes Report

Making Life for Older Adults...*The Best of Times*

As a result of the wonderful support given by North Carolina Baptists, 1995 will be remembered as one of the finest years in the 44 year history of the Baptist Retirement Homes of North Carolina, Inc. The following are some highlights from the year:

In recognition of its commitment to the spiritual well-being of the residents that it serves, Baptist Retirement Homes hired Luther Osment of Sylva, North Carolina as its first full-time Chaplain. Reverend Osment's work responsibilities include ministry to the residents of the Brookridge Retirement Community in Winston-Salem and the Western North Carolina Baptist Home in Asheville.

Reaffirming its commitment to the idea that retirement should be a "step up" for Older Adults, the final phase of the renovation of The Taylor House Facility in Albemarle was completed in the Fall of 1995. The renovation of The Hamilton Baptist Home in Martin County was also begun in 1995 and hopefully will be completed by year end. When the renovation of The Hamilton Baptist Home is completed, all of the facilities operated by the Baptist Retirement Homes will be "state-of-the-art."

In recognition of the changing profile of institutionalized Older Adults (47% of the "oldest old" in North Carolina suffer from some form of dementia), the Young Solarium addition was completed in the Fall of 1995. The Young Solarium will house a new small-group program designed to enhance the quality of life experienced by institutionalized Older Adults suffering from dementia.

In an effort to provide Older Adults with affordable care, a sub-acute unit was developed at the Prince Nursing Care Center in Winston-Salem...a unit where frail Older Adults can receive IV therapy, infusion, wound care, and stroke and bone fracture rehabilitation outside of a hospital setting.

In response to the need to provide quality long-term care services to the ever growing number of frail Baptist Older Adults who may not need institutionalized care, the Baptist Retirement Homes developed a new home and community based service program, In Home Care, Inc. ...the new service designed primarily to extend the amount of time that frail Baptist Older Adults can remain in the home environment.

Thank you North Carolina Baptists for helping us make life for Older Adults...**The Best of Times!**

Area Missionary: Western North Carolina

In the movie, "Field of Dreams," the voice kept saying, "Build it and they will come." God built the mountains a long time ago, but it is really true - "They are coming." It is my joy to work with the wonderful people of Western North Carolina. We have many opportunities and challenges before us. More people than ever before are coming to the hills. Many are coming on vacation. We are trying to reach out to them through resort ministries. Ministry is being performed on the lakes, the rivers, in the campgrounds, and countless other ways by a host of volunteers and church workers. We thank you for your help.

The work at Cherokee has expanded this year. Tammy Jackson, our coordinator for the Cherokee Ministries Association, has begun to work full time in this work. This is a leap of faith for Tammy since the convention support can only be part time at this time. We see exciting things happening among the Cherokee Indians as a result of Tammy's work. There is also an increase in the campground ministries as a result of the good work of Nell and Hart Watson working with the SWARM program. Nearly all of this work is done by the volunteer efforts of Campers on Missions.

We need your continuing prayers and support. A number of our programs are dependent on funding from the North Carolina Missions Offering. Truett Camp has really grown as an outreach tool in Southwest North Carolina. The improvements at the camp have been made with much help from this offering. Please urge your church to continue your gifts through the North Carolina Cooperative Program and the North Carolina Missions Offering.

I have had the opportunity to be in many of our churches this year. I do enjoy working for you. We must keep telling the mission story of Jesus and His love because of those who have never heard. We are not done yet!

Tom E. Lolley, Area Missionary
Western North Carolina

Prison Ministry Report

Herbert H. Hash, Jr. has presently served over six years as Prison Chaplain of Watauga Prison #4660 on a part-time basis. He is presently supported by the Watauga County Ministerial Association for 35 hours a week ($8.00/hour) annually. The present Prison Ministry Budget is $17,535.04. The Prison Committee Task Force is proposing a budget of $22,290.00 for 1996.

Thirteen of our local churches are involved in conducting Sunday and Thursday worship services throughout the year (9:00 A.M. and 6:45 P.M. on Sundays and 6:45 P.M. on Thursdays). The churches are as follows: Brushy Fork Baptist, Cove Creek Baptist, First Baptist Boone, Greenway Baptist, Oak Grove Baptist, Perkinsville Baptist, Rutherwood Baptist, Grace Lutheran, Boone United Methodist, Deerfield Methodist, Saint Luke's Episcopal, Advent Christian, and Living Water Christian Fellowship. Oak Grove Baptist and Advent Christian alternate on Sunday evenings, and the Living Water Christian Fellowship conducts all of the Thursday evening services.

Chaplain Hash conducted a Bible study at 6:45 P.M. on Tuesdays throughout the year. Occasionally, approved volunteer workers such as Henry Strahan and T.J. Jackson, as well as some inmates, pinch hit for and otherwise assisted the chaplain in carrying on these studies and services. On the second Tuesday of every other month (with the exception of February this year) the Brushy Fork Baptist Choir conducted a Gospel sing in the inmate dining hall.

Our Fall Preaching Services were conducted October 16-20, 1994. Over the six services we averaged eight inmates and seven volunteers in attendance. There were five professions of faith in Christ and three rededications during these services. Our Spring Preaching Services were conducted April 23-27, 1995. Over the six services we averaged 12 inmates and nine volunteers in attendance. There were six rededications recorded.

Using Prison Fellowship materials we conducted a Marriage Enrichment Seminar for four inmates and their wives on June 16 and 17, 1995. Leaders for the seminar were Drs. Tom Roberts and Jack Mulgrew, Professors in Human Development and Psychological Counseling at Appalachian State University. Dr. Roberts, an active member of Boone United Methodist Church in Boone, directed the eight hours of seminar training. One couple, on the verge of divorce, made a recommitment to God and to each other to make their marriage work!

One "never had been done before" event stirred considerable interest among the inmates. Chaplain Hash invited the Christian Motorcyclists Association to visit the prison on July 22, 1995, and seven "bikers" rode into the sallyport of the prison on their Hondas and Harleys and shared their testimonies with the inmates. Several of the men had their pictures taken on the motorcycles, and though there were no decisions for Christ, a lot of good Gospel seed was sown which has since been bearing fruit. Whereas there were no professions of faith or baptisms in June and July, we recorded six professions of faith and four baptisms in August! Some of these decisions were directly related to the witness of the Christian Motorcyclists.

With regard to volunteer work in prison ministry, two men were recognized for outstanding ministry. On April 10, 1995, Noel Watson, an active member of the Living Water Christian Fellowship, was recognized as "Volunteer of the Year" for 1994 at the Annual Volunteer Appreciation Dinner held at the prison. Fred Houck, Prison Superintendent, presented a plaque to Mr. Watson on behalf of the Prison Staff. Mr. Watson, for many years, has been a faithful inmate sponsor and has also been a key leader in conducting Thursday evening worship in the prison chapel. On July 31, 1995, Ted Hellman and his wife Clemmie were invited to spend a couple of hours at the prison to be recognized by both inmates and staff for his 13 years of faithful service as a chaplain at our prison. In a special ceremony in the prison chapel, Superintendent Fred Houck presented Mr. Hellman with a plaque and praised him for his faithfulness in the difficult but greatly appreciated task of ministering mostly to single cell inmates. In his retirement farewell, Chaplain Hellman expressed his love for both the inmates and staff at the prison.

Another highlight of the year was the commissioning of Herbert H. Hash, Jr. and Henry Strahan as Prison Chaplains. In a service held at the First United Antioch Baptist Church in Durham, NC on June 22, 1995, along with many others, Chaplains Hash and Strahan were commissioned as Prison Chaplains by the NC Advisory Committee on Religious Ministry in Prisons. Roosevelt Wilkerson, Chief of Religious Services in the NC Department of Corrections, presented the commissioning certificates to all the newly commissioned chaplains.

Associational Brotherhood Report

(1994-95 Year)

Brotherhood work across the association has taken an active step this year. The thrust of our efforts has been to get acquainted with men in the association and to be a source of assistance and encouragement. Our efforts have been to build on the established base of previous years.

Events and programs held during the year were as follows:

* Provided a training workshop for men and boys' church program leaders in the fall of 1994.
* Had a Royal Ambassador Banquet at Greenway Baptist Church during RA week the first week in November. The meal was catered by Daniel Boone Inn.
* We worked with other association committees to develop a better boys' recreational basketball program during the winter.
* Continued the RA Car Race event, held at Mount Vernon Baptist Church. Our RA boys scored well in the state event, also.
* Conducted a Men's Banquet for missions on March 6, 1995 with about 200 men attending. The men at Howard's Creek Baptist Church cooked one of their celebrated fish suppers.
* Prepared the way to bring the NC Baptist Men's Medical/Dental bus to the Boone area. The first visit is scheduled for October 14, 1995 and will be located at the Three Forks Association building.
* Worked with the Missions Development Committee on the Missions Fair held at Greenway Baptist Church and in the development of a resort ministry mobile booth.
* Provided several local missions activities such as a work day at Maplewood Baptist Church, Yadkin Association, flood assistance in February, work on the Hartly House near Blowing Rock, and roofing the Hospitality House in Boone.
* Promoted State Brotherhood efforts such as Camp Caraway, the Men's Convention, RA congresses and mission thrusts.
* Continued to stress the need for men and boys to be involved in missions by both learning of needs and going to meet those needs - in the state, the nation and the world.

North Carolina Baptist Foundation, Inc. Report

The messengers present at the Baptist State Convention meeting 75 years ago, when the establishment of the Baptist Foundation was approved, believed that the services to be provided by the Foundation could benefit both the individuals who would use its service as well as Christian purposes for which the Convention had organized many years earlier.

With a well trained and dedicated staff, the Baptist Foundation is now in position to assist any Baptist church member who has a desire to preserve their estate for their families and provide greater financial service to their church, association, missions, Baptist institutions or the Convention in its program of work.

Those who have become involved with the Foundation thus far, many of whom no longer are alive today are providing critically needed resources for either their family members and/or the Christian causes they dearly love. In many instances their use of a trust or endowment fund has helped reduce income and/or estate taxes and increased the value of assets they left for their families at their death. In addition, they continue to provide for sharing the Gospel with the income from endowment funds they created while they were living.

Many North Carolina Baptists are today enjoying the benefit of increased retirement income through the creation of an annuity trust with the transfer of property or other assets which the Foundation sold and invested under guidance of professional managers. When these trusts were created, the individuals were provided tax benefits which enhanced their estates. In most cases, the income they now receive is greater than that received prior to starting the trust. At some future date of their choosing, the assets in trust will serve the Lord in ways chosen by the donors.

During the past year, an area manager was employed to serve the western portion of the state. A twelve-minute video, "Pillars of the Church," was prepared which shares through personal example how the Foundation can serve every church member. A copy of this video is available by request in writing to 201 Convention Drive, Cary, North Carolina 27511. Personal and confidential assistance is available by calling our office at 919-380-7334 or written request directed to the above address.

The total assets under management by the Foundation at the end of 1994 were $47,312,575. A total of $1,241,756 was paid to Baptist churches, institutions and mission causes during 1994. The amount paid to individuals from trusts, which will eventually pay to Baptist causes, was $1,499,098 during the year. During the first six months of 1995, the total performance of the charitable endowment funds under management was 15.3% (annualized).

Home Mission Board Report

The Home Mission Board (HMB) is a missionary-sending agency of the Southern Baptist Convention (SBC). With national offices in the Atlanta, Georgia area, the HMB's purpose is to serve Southern Baptists by assisting churches to proclaim the gospel of Jesus Christ, start and grow New Testament congregations, and minister to people in the name of Christ.

As of December 31, 1994, there were 4,913 missions personnel serving in the United States, the Caribbean, Guam, American Samoa, and Canada. This is only 87 short of the Bold Mission Thrust (BMT) goal of 5,000 home missionaries. The HMB also had endorsed more than 2,300 chaplains who were serving in healthcare agencies, institutions, businesses, the military, and pastoral-care roles. More than 2,000 Mission Service Corps volunteers were serving on home mission fields, exceeding another BMT goal six years early. During the year there were nearly 1,300 church starts. Southern Baptist churches baptized 378,463 people in 1994, an increase of nearly 30,000 over 1993.

Approximately half of the HMB's support comes from individual SBC churches through the annual Annie Armstrong Easter Offering for Home Missions. In 1994, gifts to the offering totaled $37,177,500, about two percent more than the 1993 total and the second largest in HMB history. One hundred percent of the offering goes to support the work of home missionaries in the field. The 1995 Annie Armstrong Easter Offering goal is $50 million, in commemoration of the HMB's 150th Anniversary. About 35 percent of the HMB's income comes from the denomination's Cooperative Program.

The following is a summary of program/support ministry highlights from 1994:

Chaplaincy Ministries – The 2,364 Southern Baptists now serving as chaplains and pastoral counselors reported more than 24,000 professions of faith.

Church Loans – The Church Loans Division closed 107 church loans totaling $21.5 million, including $3.9 million of refinancing.

Language Missions – Home missionaries in the Language Church Extension Division serve among 102 ethnic groups and 97 American Indian tribes, using 102 languages and dialects, in addition to sign language.

Volunteers – Volunteers continue to serve in record numbers and represent more than $100 million in value to the HMB. IN 1994, nearly 80,000 persons served as volunteers, about 5,000 more than in 1993. Mission Service Corps missionaries, numbering 2,016 and serving in 1,385 locations, represent a cadre of committed people responding to God's call to be personally involved in home missions.

Christian Social Ministries – More than 2,500 volunteers were trained to teach English as a second language, tutor children and youth, and assist adult non-readers.

Church Extension – Through Praxis, 47 men and 31 women from six Southern Baptist seminaries participated in church planting during the summer.

Special Ministries – International ministries were conducted at the United Nations, in Washington, D.C., in 40 port cities, and among international students.

Prayer and Spiritual Awakening – The Home Missions Intercessory Prayerline received 82,000 calls in 1994.

The North Carolina Baptist Hospitals, Inc. Report

Founded in 1922, Baptist Hospital is a missionary enterprise of the Baptist churches of North Carolina. The essence of our purpose is to carry out a ministry of healing as taught by Jesus Christ. We remain as fully committed to this mission as were our founding fathers. In the midst of changing health-care norms, we have not, nor will we, deviate from this mission. The following paragraphs report not only basic facts, but various results of how we have sought in the last year to remain true to our heritage while providing quality health care at affordable prices.

"THE BAPTIST"

Affectionately known to many simply as "The Baptist," our hospital now employs 5,544 members who comprise our healing time. We are joined with Bowman Gray School of Medicine and thus The Medical Center has over 9,000 employees making us the largest employer in Forsyth County. In fiscal year 1994-95, our 806-bed facility provided care for 23,712 inpatient admissions. Our rapidly growing Outpatient Department provided care for 557,511 patient visitors.

A NEW DIVISION: PASTORAL CARE AND CHURCH RELATIONS

In May restructuring created a new division with the consolidation of the departments of Pastoral Care and Church/Community Relations. This division consists of four ministry components which are listed below with a brief ministry synopsis:

DEPARTMENT OF CHAPLAINCY AND PASTORAL EDUCATION

Through spiritual and emotional healing to patients, families and staff, approximately 55,000 ministries were provided by our chaplains.

THE CENTER FOR CONGREGATIONAL HEALTH

This rapidly expanding ministry to churches, pastors and staff, and congregational leaders also enables the training of intentional interim pastors. Also, training is provided for leadership and church consultants. Workshops and other events are held as well.

DEPARTMENT OF CHURCH AND DENOMINATIONAL RELATIONS

This department serves as the liaison between Baptist Hospital and the churches, associations, and convention, as well as other church groups. By facilitating appointments, policy interpretation, understanding of our health care services, this function helps keep our vital bond with North Carolina Baptists strong. Mission dollars for benevolent care through this department in excess of $452,000 were given by Baptists to the Mother's Day Offering. This mission effort helps relieve the financial burdens of patients who have little or no healthcare insurance. This is truly a ministry of renewing hope in their lives and is a source of great joy for us.

THANK YOU LETTERS FROM MOTHER'S DAY OFFERING RECIPIENTS:

"I would like to take this opportunity to tell you how grateful I am for the generous contribution made to help me with my recent medical expenses. I have been extremely concerned as to how this account would be settled. I never dreamed that such a fund was available. To all Southern Baptists across the state of North Carolina, I sincerely thank them for their generosity and concern for my well-being. This gift has definitely lightened my life's load. The gratitude I have in my heart is difficult to express on paper, but truly one deeply appreciated."

"Please accept my sincere appreciation for the financial assistance you and Southern Baptists contributed toward my late husband's hospital bill. This was a gracious gesture on your part that truly helped lighten the financial burden left to me due to his extended illness. A gift of this magnitude will not be forgotten by me or my family. Through all this ordeal my faith in God has been unshaken, and your kindness only strengthens that faith."

PASTORAL COUNSELING

With increasing requests from churches and associations across the state, this ministry continues to expand. Our thirteen strategically located counseling centers provided 27,000 ministry hours last year.

POINTS OF EXCELLENCE AND PROGRESS

- FINANCIAL STEWARDSHIP - Annually Baptist Hospital's rate increases consistently are less than both the medical consumer price index for hospitals and general inflation. The most recent North Carolina Database Commission report comparing the average of charges at other instate academic medical centers for our most frequent diagnoses reveals our charges are 21% lower. For all hospitals statewide we are 7.7% lower on those same charges, despite treating the most critically ill patients from across the state.

- QualChoice OF NORTH CAROLINA - A managed care plan providing quality healthcare and patient physician choice. Established by The North Carolina Baptist Hospitals, Incorporated and Bowman Gray School of Medicine and Wake Forest University, QualChoice is now expanding to employers in our region.
- ACCREDITATION WITH COMMENDATION - This distinction was awarded us by the Joint Commission of Accreditation of Healthcare Organizations. With a grade of 96 we earned the distinction as one of America's most highly rated hospitals.
- EMERGENCY DEPARTMENT/DIETARY BUILDING - With a Fall 1995 opening date this 300,000 square foot facility will expand our Emergency Department capacity to 70,000 visitors annually. It will also house a 35-bed Day Hospital, as well as a 900-seat cafeteria, and will double the proportion of private beds available to patients.
- COMPREHENSIVE OUTPATIENT REHABILITATION FACILITY - A 64,000 square foot facility scheduled for completion in the Summer of 1996.
- STICHT CENTER ON AGING AND REHABILITATION - Housing a geriatric research and education center, geriatric day hospital and inpatient acute rehab beds, gero-psychiatry, and adult acute psychiatry, a planned completion and opening date for this center is the Spring of 1996.
- HOME HEALTH SOLUTIONS AND HOME HEALTH SPECIALISTS - Specialists provide at home care such as intravenous chemotherapy, pain management, nursing care, and physical and occupational therapy.
- COMMUNITY HOSPITAL ASSISTANCE - Baptist Hospital continues to develop relationships with hospitals and physicians in other communities inviting them to join our expanding healthcare delivery system.

A CLOSING WORD

Historical methods of delivering healthcare are changing in significant ways. We are constantly seeking to position ourselves to develop the methodologies, services, and delivery systems to meet these challenges. In the midst of the multiplicity of changes remain several treasured, time tested constants. Among these are our commitment to excellence and compassion in providing care, the demonstrated support of North Carolina Baptists, and most significantly, the providence of our Lord. Trusting in these, we move forward boldly and confidently into the future.

Annuity Board Report

As the Southern Baptist Convention celebrated its 150th anniversary this June, the Annuity Board felt proud of its more than 77 years of serving those who serve the Lord. The Annuity Board offers security for pastors, other ministers, eligible church and denominational employees and their families.

Operating within its approved budget, the Annuity Board continues to fund its operations without subsidy from the Cooperative Program. All Cooperative Program money received is allocated by the Trustee Relief Committee to needy ministers and their widows. The operating budget is funded from earnings on assets.

The Church Annuity Plan provides financial security both before and after retirement. Its Protection Section, funded by state convention Cooperative Program dollars, includes supplemental disability and survivor benefits. State conventions also provide matching retirement dollars for eligible participants. This Plan, designed by Southern Baptists for Southern Baptist churches and associations, provides opportunities for tax savings, competitive investment returns and the flexibility to meet each participant's special concerns. At the end of May 1995, 37,076 participants serving 20,231 churches and associations were active in the Church Annuity Plan.

The Personal Security Program offers up-to-date insurance products to protect against the large and small bumps and scrapes of life. The program includes a Term Life Plan, Personal Accident Plan, Disability Plan and a choice of medical plans. This is a flexible program; coverage can be tailored to meet each family's unique needs. Each plan is available alone or in combination with other plans.

Nearly 22,000 church and associational staff members participate in the Term Life Plan. They have found this Plan provides the protection they need at a cost competitive with comparable plans in the marketplace. In this era of rising medical costs, Personal Security Program medical rates have not increased since 1992. Over 20,000 Southern Baptist church and associational workers enjoy the protection the medical plans provide.

With $4.8 billion in assets and over 77 years of experience, the Annuity Board offers its participants security and stability. The Annuity Board recognizes each dollar represents retirement income or life and health protection for a Christian servant in a Southern Baptist church, association, state convention or agency. The Annuity Board's mission is unchanged; it exists to serve those who serve the Lord.

Baptist College/University Report 1995

GARDNER-WEBB UNIVERSITY 1905	WINGATE UNIVERSITY 1896	MEREDITH COLLEGE 1891	
CAMPBELL UNIVERSITY 1887	MARS HILL COLLEGE 1856	CHOWAN COLLEGE 1848	WAKE FOREST UNIVERSITY 1834

The Baptist State Convention is 165 years old. For 161 of those years the Convention has been in the business of founding, adopting, supporting and nurturing Baptist colleges and universities. North Carolina Baptists are known for their broad and deep commitment to Christian higher education. Our seven Convention-related education institutions are: Campbell University, Chowan College, Gardner-Webb University, Mars Hill College, Meredith College, Wingate University and Wake Forest University.

For 1995 the Convention's Christian higher education budget is $6,000,540, or 20.41 percent of the total. These funds are divided among six colleges. Wake Forest is not in the budget, but receives designated gifts from churches and shares in student financial aid funding through the State Missions Offering.

The 1994 enrollment in North Carolina Baptist colleges and universities was 22,473 with 4,075 graduates. Approximately 476 students were enrolled in church-related vocation studies.

Baptist Children's Homes of North Carolina Report

For six-year-old Malinda, darkness brought sleepless nights listening to her mother's boyfriend beat her brother and sister - and praying she wouldn't be next, watching her mom choose her lover's whims over her children's needs, and finally, being abandoned on Christmas Eve in pouring rain on a dirt road.

Her darkness, more than just a light switch clicked off, swirled with pain, fear, confusion and despair.

Today, a bright-eyed teenager living at Broyhill Home, one of four Baptist Children's Homes residential campuses, Malinda finally sees light. After becoming a Christian in 1992, she can forgive her mom and let go of her painful past. "Learning to deal with my issues is a lot easier since I became a Christian," said Malinda. "I'm happy here at Broyhill. The people believe in me, support me and are here for me."

Believing in children and families, offering light to pierce their darkness has been Baptist Children's Homes' goal since its beginning 110 years ago.

Serving 1,513 children and families in 1993-94 in 12 facilities across the state, BCH provides intentionalized programs of residential group care, emergency care, therapeutic camping, maternity care, teenage mother/babies, model day care and behavioral change for girls. Gaston County emergency care cottages in Dallas, operated on a yearly contract basis, were not renewed with BCH following Gaston County's decision to change the facilities' direction to a level of service BCH doesn't provide.

Commemorating 110 years of ministry, BCH published *Intent to Serve*, a history depicting the last decade of BCH's child-centered, family-focused services. Each church was to receive a complimentary copy in the Fall of 1995.

Founded in 1970, the Baptist Maternity Home in Asheville celebrated in October 25 years serving over 900 young, unmarried, pregnant women who were given a quiet, supportive atmosphere to make decisions about their future.

A chapter of BCH life closed with the death of alumni, employee and friend Bill Sisk. Investing 52 years of himself, Sisk, who came to Mills Home at age 8 and returned to work on staff 42 years, died May 21, 1995. "An era has passed," said BCH President Michael C. Blackwell. "It's extremely unlikely Baptist Children's Homes will ever see another individual who invests himself so fully in this place as did my friend Bill Sisk."

Adding to the light, Baptist churches, through the Cooperative Program, designated gifts and the Thanksgiving Offering funded about one-fourth of BCH's $12 million budget with gifts totaling $2,934,304.

Trustee Jim Goldston held his sixth annual Goldston's Carnival for Children raising $28,633 and providing two fun-packed days of rides, games, entertainment and food for children and area residents. "There is nothing more important in this life than children," said Goldston. "This is just one thing we can do to show our commitment, to put our feet to our prayers."

Putting words into action described numerous individuals who gave time and effort with special campus work projects.

This year, the Friends of Children committee added a twist to their annual spring bus tour by pulling on gloves and work clothes to help beautify Odum Home in Pembroke and Cameron Boys Camp near Southern Pines.

A team of volunteers from Denver Baptist Church worked at Broyhill Home clearing brush, painting inside a cottage and building a storage shed; and at Kennedy Home tearing down an old gym built in the 1930s, restructuring an old picnic shelter into an arts and crafts center, removing old heating equipment from Biggs cottage and renovating family conference rooms in the new gym.

"We pray about these kids, and we pray that we will be an example," said Allen Holmes, Denver Baptist's mission trip coordinator. "This is more important than any building or construction work."

Trustees, intent on strengthening BCH's leadership position and continuing its tradition of giving light to families and children, approved a $10.1 million campaign, "Light Their Way," to raise money for special projects, operational needs and endowment. The campaign will run September 1995 - May 1997.

Many children, like Malinda, suffer in darkness. Many families linger in pain waiting for answers waiting for help. Because of Baptists' support, BCH is able to "Light Their Way," offering hope, security and love.

Baptist Children's Home Report

As your representative to the Three Forks Association for the "Baptist Children's Home" for six years now, I am so glad to report that once again in 1995 you have been so faithful to our children's home with your love and support with our drives in May and August. I sincerely wish that each of you could be there to observe the smiles of the children and house parents when the truck rolls in, filled with love from each of you. God surely has a special reward for those who have helped with money and other items.

My prayer is that God will richly bless each of you for taking time to care and help you to be faithful to continue to care until Jesus comes. I could not have made it this year without the help of Denise Smith our associational secretary. She has been such a help to me and our cottages at Mills Home! Please help me to say thank you to her. I had told our committee I would try to serve another year, but after much thought I have decided that my health will not allow me to stay for another year. I believe to serve as Representative you should be able to really work for our Children's Home. Due to severe health problems I am unable to do this. Denise Smith has agreed to continue to work this year in my place. As a former employee of Mill's Home I will continue to be here to help you in any way I can. Please feel free to call me at 264-0499 for advice or any way I can help your church. I will still be here to speak in your churches or to help you in any way I can.

Remember the three drives each year will continue as follows: In the month of May collect paper products - plates, cups, silverware, napkins, paper towels, etc. All donations should be to the associational office by the last Thursday in May. In the month of July please collect school supplies - they should be taken to the associational office by the first Thursday of August. Christmas gifts for each child should be collected in the month of November. We will not collect food supplies at Christmas, but will collect personal supplies

for each child - toothpaste, toothbrush, hairbush, combs, deodorant, bath soap, razors for boys, hair spray for girls, etc. Please remember each child with a gift, big or small. Also at Christmas it is wonderful to be able to help each cottage with their Christmas party that they have before going home for Christmas. Help with things like, drinks, candy, potato chips, debbie cakes and etc. For most of the children this is all the Christmas they will have. Your love means so much.

We also have a need for people to take all the drives down to the cottages. We want to be sure our gifts go where we send them. If you own a covered large truck that could be used, will you please contact Denise Smith at 264-4482. This could be your ministry in your church. God always has someone to do every job. Could this be your job for Jesus in these last days? In Matthew 25:40 it tells us that "In as much as ye do it to one of the least of these my brethren ye do it unto me."

This will be my last report to our churches but will you please continue to carry on this work until Jesus comes. My sincere love and prayers will be with you as long as I am in this world.

Your Sister in Christ,
Wilma Greene

Foreign Mission Report

The spirit of God is moving in the world and Southern Baptist missionaries report remarkable progress in starting churches, discipling believers and training leaders in 1994.

Overseas Baptists affiliated with Foreign Mission Board missionaries started 2,162 new churches. The number of new missions - an indicator of growth potential - reached 25,646 in 1994. This represents 82% of the Bold Mission Thrust goal for churches by the year 2000.

Membership in those churches pressed close to four million, discipleship training enrollment almost doubled with a dramatic increase of 95,407 in 1994. Leadership development reached a new high as the number of seminaries and Bible schools increased to 252 with an enrollment of 17,282.

Southern Baptists support about 4,100 missionaries in 133 countries (with work in 25 other countries) through contributions to the Cooperative Program and the Lottie Moon Christmas Offering.

The Foreign Mission Board had a net increase of 123 missionaries in 1994. Other increases included:

- more than 13,000 short term Southern Baptist volunteers went overseas
- 290 two year workers
- missions work began in more than 370 new cities
- nearly 33,000 students were enrolled in theological education as they prepare to lead new Christians in their own countries.

Southern Baptist short term volunteers continued to give missionaries and long term volunteers a helping hand in 1994. Volunteers worked on projects ranging from two weeks to fewer months in length. They worked under conditions ranging from modern facilities to places they camp, sleep on a hard bunk, take cold showers and eat from a can.

They take part in partnership evangelism and missions, evangelistic crusades and sports ministries. Volunteers worked in community health, hunger, and relief projects, and disaster response. They build churches, dig wells, cook meals, repair Baptist facilities and equipment. They perform as physicians, nurses, dentists, veterinarians, agriculturists, medical educators and paramedics. Volunteers teach English.

Avery Willis, Foreign Mission Board senior Vice President for overseas operations, says that Southern Baptists are in the middle of a "decade of destiny." "These reports show we're in the middle of a decade of unprecedented growth," he said. "More churches have been started overseas in the last seven years than in the FMB's first 143 years," Willis said. "God has prepared our harvest, and we're trying to keep up with him."

Associational Sunday School Report

BREAKTHROUGH has been a challenging theme for the last five years in Sunday School throughout our convention. The word conjures up thoughts of a sunrise breaking through the darkest night and in untold numbers of lives that is just what has happened - a "Sonrise" in the hearts of lost souls has chased away the darkness of sin. Sunday School continues to be the most effective means of bringing lost people into relationship with Jesus Christ and helping them stay in fellowship with Him.

With the beginning of the 1995-1996 year in October, BREAKTHROUGH will be replaced with a new theme: CARRY THE LIGHT. The focus will be one of compassion and community. Through Sunday School churches can CARRY THE LIGHT of hope to those lost in the darkness of a secular society. Our circle of light can be widened to include these people into the community of faith. This is a beautiful picture of the church at work in the world.

On the associational level your Associational Sunday School Council (Associational Sunday School Improvement Support Team or ASSISTeam) stands ready to offer your Sunday School personalized help in the way of consultation and training. We are only a phone call away.

Executive Committee Report

The Executive Committee met four times during 1995. I'm grateful to all the churches who make sure that they have elected committee members and to those committee members who attend the meetings.

The committee responded to several important matters that were presented:

1. The Committee approved two summer interns to work with the New York Partnership. The cost was about $2,125. The program proved to be very helpful to the churches in New York.

2. The committee approved funds to be used to bring a couple from the Ukraine to the association. The cost was $1,319. The couple visited and spoke in several churches.

3. The Missions Development Council and the DOM requested permission to pursue a Church and Communities Director on a volunteer basis. The request was granted. Mrs. Nora Wilson brought a motion from the Missions Development Council to approve a committee to fine tune a volunteer Church and Community Ministries Director job description and to pursue filling this position. The committee would include WMU Director, Brotherhood Director, Missions Development Council chair, the DOM and the Personnel Committee. The motion carried.

4. Rev. Darrell Bare, speaking for the committee studying benevolence made a recommendation that the churches of the association establish a voluntary supported fund that would be handled by the Watauga Hunger Coalition. The recommendation was approved.

5. Rev. Boaz asked for permission to teach an Old Testament class at Caldwell Community College. Permission was granted.

6. The Camp Joy Committee had a survey done of the property at a cost of $1,800. The Executive Committee approved funds to be taken from the Camp Joy CD account.

7. The committee approved $500, left in the budget for the New York Partnership, to be sent to the Thousand Island Association for the purchase of Bibles.

8. The music director brought a motion concerning the Music Council. The motion was ruled out of order because it requires a constitutional change. This matter will be presented at the annual meeting.

9. The committee approved a recommendation by the Missions Development Council that the association endorse active involvement of the association in the Southern Africa Partnership, pending approval at the State Convention in November.

10. The Properties Committee presented needed repairs and updating on the associational grounds. Funding for the repairs and updating will be brought to the annual meeting.

11. The Personnel Committee recommended the following holidays for the DOM and secretary; 2 days - Christmas, 1 day - New Years, 1 day - Good Friday, 1 day - July 4th, 1 day - Labor Day, 2 days - Thanksgiving, 1 day - Memorial Day. The recommendation was approved.

Baptist Student Union Report

The Baptist State Convention of North Carolina supports an active student ministry program on approximately forty-five (45) college and university campuses within North Carolina. Our convention financially supports 17 full-time ministers who are primarily tasked with the proclamation and witness of the Christian faith on our campuses. These ministers work with student groups such as the Baptist Student Union, they cooperate with college/university administrative personnel in service to the individual institutions, they offer pastoral assistance to faculty and staff in personal and professional concerns, they explore creative approaches to student ministry with Baptist churches geographically located close to a campus, and provide student resources for outreach ministry and worship for these same churches.

Some of the 1994-95 highlights for our statewide Baptist Student Union network are as follows:

1) Approximately $72,000 raised for missions and ministry work throughout North Carolina, the United States and the world;
2) Approximately 200 college students throughout North Carolina who have been selected, trained and who served for the summer of 1995 in our state, our nation and our world; and
3) A number of special conferences and learning experiences that involve ministry in the following areas: a) high school seniors preparing for college; b) black student ministry; c) international students; and d) evangelism.

Our local Baptist Student Union here at Appalachian State University (ASU) remains committed to the spiritual growth and enrichment of students on the campus of ASU. The following weekly programs have been provided to give direction to our commitment to students: 1) Monday evening Student-led Worship followed by a supper; 2) Bible Study groups; 3) Family Support/Branch groups; 4) a Spiritual Formation group; 5) a Senior Support group; 6) an Outreach Visitation group; and 7) a Thursday morning Prayer Breakfast. Pastoral care and pastoral counseling is made available by the Campus Minister to all students at any time as the need may arise.

The ASU/BSU has continued our commitment to outreach social ministry with involvement in our community with programs such as our Resthome Ministry team, our involvement with Watauga Youth Network, and our Environmental Ministry of Recycling. We also worked with and assisted the following organizations: the Hunger Coalition, Meals-on-Wheels, the Hospitality House, Project on Aging, the Shelter for Homeless Persons, and Resort Area Ministries.

Our BSU sponsored several student ministry teams during the 1994-95 school year: a BSU puppet/clown team and two outreach ministry/focus teams. These groups had a significant ministry that touched the Three Forks Association as well as other associations in Western and Piedmont North Carolina.

ASU/BSU students were actively involved as Summer Missionaries this summer. We had approximately 25 student summer missionaries serving from our group. The majority of these students were serving in North Carolina; however, our students served beyond our state in such places as San Francisco, California and Washington, D.C. We also extended ourselves beyond the continental United States to include a student in France, a student in the Ukraine, a student in Russia, and a student in South Africa.

During the Spring Break week in March, twenty-three (23) of our students gave up their break to spend a week doing inner-city ministry at the Woodcock Baptist Center in Nashville, Tennessee. The students worked with renovation projects, food distribution, soup kitchens and child day care as they built meaningful relationships with persons who are suffering in the midst of poverty.

Our Baptist Student Union here at Appalachian depends entirely on local support for our program money. We do not receive any program funds from the North Carolina Baptist State Convention. We are deeply grateful to the five (5) churches in our Three Forks Association who have supported our BSU ministry through their church budgets. Also, we are grateful to the entire association for their interest and support of this vital ministry to students.

Senior Adults Report

Senior Adults in the Three Forks Association celebrated summer '95 with a fellowship and covered dish dinner at First Baptist, Boone, on August 15. Pre-dinner music was provided by Susie Buchanan at the piano. Anne Manning, accompanied by Susie, sang a mixture of sacred and secular music for the dinner entertainment.

Following dinner, senior adults attended a caregiver's workshop, led by Maurice Cooper, Director of Laity Leadership Development for the N.C. Baptist Convention. The workshop was created for those who minister to homebound and nursing home residents and use a book of Scripture reading entitled "Let the Bible Speak," compiled by Mr. Cooper. Mr. Cooper encourages those who visit to read the Bible to the residents, many of whom cannot read for themselves.

A Senior Adult Day Trip to Seagrove and Jugtown, N.C. was enjoyed on September 19. Two vans and a car transported senior adults and friends to visit a variety of potteries in the area. Participants were able to see artists at work "throwing pots" and learned about several different styles of pottery and how different appearances are created. Fun, fellowship and shopping were enjoyed on a beautiful September day.

Music Report

The Music Council has worked this year to accomplish three primary goals: to build fellowship among our churches, to provide leadership training, and to serve as a resource to those who need our assistance.

On October 30, 1994, Greenway Church hosted the Adult Choral Praise Festival. We had 12 churches represented with over 450 in attendance. Mount Vernon Church will host the 1995 Festival the last Sunday of October.

Special music was provided at the Here's Hope Rally, November 10, 1994.

A scholarship for one volunteer director was provided to the Music Leader's Retreat at Caraway. I attended a conference for music leaders and pastors in January 1995 sponsored by Christian Supply called "The Gathering."

In April, we held our first annual Children's and Youth Choral Praise, hosted by Perkinsville Church. We had an excellent turnout, with eight churches represented on the program and about 300 in attendance. The children and youth did a wonderful job of leading in worship. We would like every church to reserve the last Sunday night in April for this event in 1996.

A new resource was made available to all churches this year. The Glory Songs Kit is a quarterly resource for music directors to use with their choirs and accompanists. It includes 10 copies of Glory Songs, two copies of Pedalpoint, Worship, The Church Musician, a split-trax accompaniment tape, and other helps for rehearsals and worship planning. The Kit can be checked out at the Associational office.

The last event of this associational year was a Music Leader's Appreciation Dinner and workshop held at Greenway May 18. The wonderful meal was provided by associational WMU leaders. Special music was presented by the "Waiters" Chorus. Leadership training was provided by Keith Critcher, Kathy Cottrell, and myself.

I would like to thank the other members of the Music Council who have worked so diligently all year: Kathy Butler, Betty Hodges, and Mary Frank Smith. Together, we have sought to build fellowship, provide leadership and resources to more than 1,500 adults, youth, and children involved in music ministry of Three Forks Baptist Association Churches.

Christian Action League of North Carolina, Inc. Report

This year has been a significant one for the Christian Action League of N.C. as we gave leadership and support to local communities in their battle against the proliferation of alcohol, provided a voice for Christian morals and ethics in the halls of the legislature and continued our battle against on-going legislation concerning the lottery and other anti-family issues.

1. ***Legislative Issues:***

A. Alcohol

The alcohol industry sought to implement state-wide Liguor-By-the-Drink and beer/wine sales through legislative action. House Bill 599 would have implemented LBD without a vote of the people. The Christian Action League prompted churches to action and strong opposition developed from across the state, the bill was withdrawn and died in committee.

B. Lottery

In the 1995 Session of the General Assembly, there were four lottery bills introduced. Several times in the past decade, gambling forces were able to secure the passage of a lottery measure in the Senate, but not in 1995. Lottery legislation was defeated in the Senate by a 28-20 vote. In the House, HB 838 (Lottery for School Buildings) was brought out of committee by an unusual parliamentary move and placed on the House calendar. Calls and Prayers from CAL members and the Christian community were honored when the measure was sent back to committee where it remained until the end of session.

We praise the Lord for this victory and for the fact that N.C. remains the largest state in the nation that has no state-sponsored lottery. However, we request your prayers as the Christian Action League will continue to be on the front-line fighting this battle again in 1996.

C. Abortion

The Christian Action League and other Christian organizations have continuously lobbied for abolition of the state abortion fund. House Bill 229 has passed and will **cut** the **abortion funding** from $1.2 million to $50,000 and then to be used only in cases of rape or incest.

For many years we have been working for legislation requiring **Parental Consent** before a minor can obtain an abortion. House Bill 481 was adopted this year providing this "common sense" legislation.

D. Abstinence Education

Another proposal that the Christian Action League has been working on became law this year. House Bill 834 (Teaching Abstinence Until Marriage) is pro-family and supports biblical and moral values. This bill requires schools to offer a program encouraging abstinence until marriage and also provides for parental review of teaching materials before comprehensive sex education instruction can be implemented.

2. ***League Leadership:***

Reverend Johnny R. Henderson became the League's Executive Director in July upon the retirement of Coy C. Privette. Johnny brings a wealth of experience to this position. A trustee since 1977, he is the North Carolina Baptist Men's Correctional Ministries Coordinator and serves on the Executive Committee of Prison Fellowship of North Carolina. Also, his church was featured on ABC News last year for its outstanding prison ministry.

We are grateful to God for the prayer and financial support that the League receives from the churches of our association. May others join you as we seek to be the "Salt and Light" in a world hostile to Biblical ethics and morality.

Respectfully submitted,
Joe S. Lennon, President

Discipleship Training Report

"M" Night was held September 25, 1994 at Rutherwood Baptist Church, 7:00 P.M. Theme was "Disciples All-Evangelize the Lost." Rev. Maurice Cooper was our speaker. We had eight pastors, four directors, seven children leaders, four visitors and 160 present. Eleven churches were represented with Sandy Flat Baptist Church and DOM also present.

We welcome Darrell Bare as our Co-Supporter that night.

Children and Youth Bible Drill and Youth Speakers Tournament were held April 9, 1995 at 2:30 P.M. We had seven churches represented with 30 children in Bible Drill. Youth Bible Drill had two and Youth Speaker three. Congratulations to Ashley Bryant as a "State Winner" and "First Runner-up" in the Finals. I want to especially commend the youth of Willowdale for the excellent appearance of how neatly dressed they were.

We have seven "three year winners" in Children. Hope and pray that they get involved in Youth Bible Drill, that more of our churches will get their children and youth involved in memorizing scripture, learning books of the Bible and key passages. Next year the Bible drills will be held Saturday, March 30, 1996 at Perkinsville Church.

"M" Night will be held September 24, 1995 at 7 P.M. at Pleasant Grove Baptist Church. Theme is "Celebration of 50 Years "M" Night and 100 years of BYPU, Baptist Training and Discipleship Training." Our speaker will be Rev. Richard Miller, Minister of Education and Youth from Greenway.

Discipleship is a lifelong journey of obedience to Christ which transforms a person's values and behavior, and results in ministry in one's home, church and the world.

Vacation Bible School Report

The Vacation Bible School theme for 1995 was Windows on the World. The focus was exploring ways and places in which God has opened "windows" for the light of His love to shine through to people everywhere. The motto was "Jesus said, Go make disciples!"

On May 11th the Three Forks Association Clinic was held at Mount Vernon Baptist Church from 6:45-9:00 P.M. The clinic leaders were:

VBS Director	Ardease Greene
Younger & Middle Preschool	Ellen Norris
Older Preschool	Sue McGhinnis
Younger Children	Jamie Critcher
Middle Children	Clara Hollar
Older Children	Karen Petrey
Youth	Dell Cook
Adults	Larry Farrell
First Time Directors	Karen Holder
Pastors/Experienced Directors	Ann Thomas
Music	Keith Critcher

The total attendance for the 1995 Clinic was 68 with 13 churches represented.

The associational office publicized the events related to V.B.S. through reminders in the newsletter and letters sent to each church.

1994-95 General Board Report

Partnership missions and Visioning/Listening teams continue to be very important to the General Board and the average Baptist in North Carolina. Our partnerships with the Ukraine and the New York Convention remain very active and successful with about 200 volunteers involved in the Ukraine and 1,700 in New York in 1995. A new partnership with South Africa will be presented to the General Board in September. The Visioning/Listening is active giving of attention to ways that the convention and Baptist Building staff can become active in assisting churches and associations to find ways to deal with crisis and violence that exist in the society in which we live.

The report of the Restructuring Committee concerns almost every one of us. Dr. Smith was able to present an amendment to the report which was passed, that recognizes the historical position of Woman's Missionary Union and also recognizes that auxiliary as an entity in Baptist Life.

The budget committee is busy in the preparation of the budget for 1996. This year they seem to have many problems such as plans A, B and C as adopted last year as well as the North Carolina Mission Offering as it applies to the WMU and Baptist Men, and Baptist Students and Theological Students that attend Baptist Colleges and Universities.

The following is a comparison of convention income as of June 30, 1995 with June 30, 1994.

1. Unrestricted Cooperative Program funds-all plans-up	up 1.55%
2. Cooperative Program - Excluding SBC	up 0.72%
3. Available Cooperative Program Funds	up 2.17%
4. 1995 Cooperative Program Budget Funds	down 4.95%

5. Pass-through Funds - all to SBC	up	27.00%
6. Foreign Mission Funds	up	10.67%
7. Home Mission Funds	up	4.86%
8. State Mission Funds	up	3.64%

Missions Development Council Report

More dedicated Christians are needed in carrying out God's plan for proclaiming His message here and to the world. Progress has been made through prayers, plans, and participation of Mission Development Council (MDC) members, our Director of Missions (DOM), The Partnership Representatives of New York and Ukraine, churches, and individuals.

Since Associational meeting in October 1994, the MDC has met five times, January, April, June, August and October. In the April meeting we decided to meet every two months - needed because of our plans and involvement. We have encouraged, cooperated, and supported work of the Association, including support of the local prison ministry (prayers, donations and involvement); Here's Hope revivals; Resort Area Ministries; continuation of ministries in rest homes and The Nursing Center; and the various missions emphasis during the year. We have had reports regularly from our representatives of the partnerships (New York and Ukraine), and from our DOM on these and other areas of mission work and opportunities.

Request was made and granted by the association in October 1994, that the MDC be allowed to have more than six members appointed by the association. We now have nine appointed members plus representatives of partnerships, mission organizations of our association, and our DOM.

Most of our plans and work have been discussed and approved in our regular meetings. When items have required immediate plans and/or approval, the members have been contacted by telephone with an explanation and their response has been received.

In the January meeting, there was discussion on the need and possibility of a Volunteer Church and Community Ministry Director. Bobby Stafford of The NC Baptist Convention met with us in the April 1995 meeting. He presented the needs and possibilities of such work. This was discussed in our next regular meeting. Information on this was presented to The Associational Council and to The Executive Committee in their meetings. This will be considered in the future.

The Missions Fair of 1994 was evaluated. Plans were made for this in 1995. The MDC asked DOM Ken Boaz to chair the 1995 Missions Fair. There was excellent participation of various organizations and agencies of our area in providing interesting and informative booths, but attendance was a disappointment. The MDC prepared a booth and some MDC members were with it all day. The Missions Fair for 1996 is to be in Boone Mall on May 18th.

We have supported and encouraged involvement in the partnerships of New York and Ukraine, have had regular information on these by the representatives and DOM.

UKRAINE: In the January 3, 1995 meeting, we endorsed the invitation to Nick and Olga Pimonenko from The Ukraine to come to our association. This was done under the leadership of our DOM and they were in our association February 17-23. It was a rewarding and informative experience for us. We encouraged the giving of money to provide medical supplies to be sent to the Ukraine. There was a good response by churches and in-

dividuals. We have been informed in our meetings about mission work in the Ukraine by "Skip" Greene who is very involved in this part of partnership and its promotion. Through influence of some MDC members their churches have supported a native Ukrainian missionary for a three year period.

NEW YORK: Plans were made by our New York representative, Rev. Gordon Rawls and DOM Ken Boaz for "Here's Hope" Revivals, as some of the churches in our designated partnership wanted to be involved. Thus five pastors and DOM Boaz went in May to help with revivals, having good success. Plans to have two young ladies to go as interns during the summer of 1995 were discussed and approved by MDC, and for further approval of Executive Committee. They worked with some partnership churches in various ways. They met with MDC in August meeting and gave a good report on their work, which we felt was of devoted spiritual involvement. Also, much valuable work has been done in New York partnership by others in our association through financial support and personal involvement.

SOUTHERN AFRICA PARTNERSHIP: To be endorsed by our state convention. In August, first meeting we endorsed active involvement of our association. We approved the suggestion that our association send representatives on survey team.

MISSIONS BOOTH: This is a major project promoted by MDC The men of Rutherwood Church volunteered to build the mobile ministry booth. Churches, Brotherhoods, and individuals are encouraged to give monies for the construction of the booth. Its use will be under the supervision of MDC, and churches are encouraged to be involved in this ministry of witnessing at various functions in our area.

We approved the application of Bethel Church to request financial help from The Baptist State Convention. As required, this was signed by DOM and MDC chairperson.

In August meeting, approval was given to encourage churches to help Boone Crisis Pregnancy Center in their building project and ministry.

In the absence of representatives of New York and Ukraine partnerships, the DOM and MDC chairperson met and prepared budget requests for the partnerships. Also, we prepared MDC budget request. These were given to the appropriate people. The partnership representatives were given copies of the budget request and explained why they had to be done. During the year the MDC approved the use of various mission funds in these areas:

1. Expenses of Ukrainian couple invited to visit in our association.
2. Mission projects with New York partnership:
   (1) Partial assistance on some of those who went to New York in May for revivals.
   (2) Expenses of the two young ladies who did mission work with some of the churches for about two months.
   (3) Approved using part of The New York Partnership budget item to help on use of personal vehicle.
3. Help a church with septic system expenses for an elderly couple in our area whose home had been condemned and they did not have a place to go.

There are many ways in which all of us can be involved in missions. Let us be faithful in this as well as other areas of Christian ministry.

Sincerely submitted,
Nora M. Wilson

THEME: "A Time To Grow"
"May the Lord make your love for one another and for all people grow more and more." I Thessalonians 3:12a (TEV)

The WMU of the Three Forks Baptist Association has provided many opportunities for spiritual and missions growth during the 1994-95 year. The Associational WMU Council had a retreat at Camp Joy August 19 and 20, 1994. Dot Allred of Belmont came and led us in a study of Mildred McMurray's Spiritual Life Development, the emphasis book for the year. In addition to this study the council made plans and set dates for activities and training opportunities for the year. Activities and opportunities for the year included:

WMU Leadership Conference, September 19 Perkinsville Baptist Church, attended by 94 women representing 16 churches.

Patricia Frazier returned to our association October 15 to present the story of Lottie Moon. She received a warm welcome at Three Forks Church with approximately 40 attending representing seven churches. A love offering of $110.00 was received.

Baptist Women's Day of Prayer was held November 7 at Oak Grove in the afternoon and Rutherwood, Proffit's Grove, Cove Creek and Willow Valley in the evening. A total of 95 attended representing 15 churches. The offering received totaled $277.10.

The annual Pastor/Staff and Spouse Christmas Dinner was held December 5 at First Baptist, Boone. Churches that provided the meal included First Baptist, Rutherwood, Mount Vernon, Three Forks and Perkinsville.

Project: HELP - the national ministry project for 1995 related to feeding the hungry. A total of 1,328 cans and $343.79 was collected in the Three Forks Baptist Association. Many churches continue to support this project by donating canned goods to the Watauga Hunger Coalition monthly.

A reception was held at the Baptist Building on February 19 for Nick and Olga Pimonenko of the Ukraine.

The WMU had a booth at the Mission Fair held at Greenway Baptist Church on March 25. Participants were encouraged to make tray cards to be delivered to a local hospital and "Do Me" Books to share with friends.

Several ladies attended the Regional Training Conference in Elkin on April 29. This conference will help them understand the structure changes of WMU for 1995.

May 2, 1995 was the 82nd Annual WMU Meeting at First Baptist Church, Boone. Approximately 60 persons attended. Mrs. Betty Russell of Vilas and Mrs. Betty Pardue of Wilkesboro spoke about their spiritual growth and how it has affected them and their families in doing missions. Mr. Chris Smith received the $300.00 scholarship. He is entering his third year at Gardner-Webb University.

Eight church WMUs provided the meal for the Music Leaders Workshop on May 18.

Mission Action continues to be a part of the main thrust of our work. Projects that were planned and carried out include:

- Provided toothbrushes for Christmas gifts for the women inmates in Raleigh prison.
- Provided Christmas gifts and a visit for all residents of local nursing and rest homes.
- Encouraged each church to participate in the Operation: Shoebox ministry of Samaritan's Purse.

- Participated in the National Ministry Project: HELP by collecting cans of food and .25 per can to be given to the Watagua County Hunger Coalition.
- Six churches made 75 hygiene kits to be used when the NC Medical/Dental Van comes to our area.
- Many churches, groups and individuals contributed food, money, kitchen items, paper products, school supplies and Christmas gifts for the Baptist Children's Home.

The 1994-95 theme of "A Time to Grow" was challenging and meaningful to our organization. During times of trial we often see more growth as our roots go deeper in the World of Prayer. Such was the case of the Three Forks Baptist Association WMU. "May the Lord make our love for one another and for all people grow more and more."

1995 Associational Council Report

Once again, this was a delightful group to work with in charting the course as we seek to be "Mountain Churches on Mission for the Master." I continue to rejoice in the dedication and enthusiasm of this committed bunch of Christian folk.

Our second annual planning retreat was held on Saturday, June 3 out at Howard's Creek. We did some evaluation of last year's ministry, emphasis on the "Here's Hope" evangelistic campaign. Then we set our sights on the future. The focus for 1995-96 was determined to be discipleship development. You will see this emphasis reflected in budget and calendar, beginning with annual meeting (although we will get a preview with "M" Night in September). Covenant with us in prayer as we seek to answer our Lord's call to discipleship: ""Follow me."

We continue to invite input. Let us know what you think! "Major" Emphases for the TFBA:

1995 - "Here's Hope" (Evangelism)
1996 - Discipleship Development
1997 - (Tentative) Worship
1998 - (Tentative) Community Ministries (Area Crusade)
1999 - (Tentative) World Mission Conference
2000 - (Tentative) Evangelism - Simultaneous Crusades

1995 Director of Missions Annual Report

My "advisors" who counseled me about the move from pastoring to association work said it would take about a year and a half to decide whether or not this ministry was "for me." Having reached the milestone, it's good to say that I feel "at home" as your DOM. I thank God for His continued blessings upon my family, ministry, and me. Thanks to my TFBA family for your prayers, financial contributions, work on committees and all the other ways that you support the Kingdom work together as "Mountain Churches on Mission for the Master."

A continuing priority has been to be "with the churches." There is no associational ministry that is not first, ever foremost, and last, that of our churches. It has now been my privilege to share in worship with all 40 of our sister churches, preaching or speaking in 32 of them. (If I haven't spoken in yours, I'm just waiting for the call!) Highlights this

past year have been helping in revival at Zion Hill and Rich Mountain; leading VBS studies at Proffit's Grove and Beech Valley (invited for a second time!) on "Galatians" and at South Fork (with wife, Gail) for the youth; preaching homecomings (and armtwisted, staying to eat) at Middle Fork and Shull's Mills; several opportunities to give reports on mission trips to the Ukraine, Prague and New York; supply preaching, leading mission emphases and sharing in numerous other celebrations and regular events in church life. Thanks for the invites!

A frequent opportunity of late has been to work with pastor search committees. At this writing, we have eight churches which are in some stage of this process. I have been glad to help with each of these congregations either formally or informally as the opportunity has come. In many ways, this work has been disconcerting (change always is), but then it is exciting to discover what God has prepared for us in the changes. Let us continue to look forward with hopeful expectation as He unfolds His marvelous Will among and through us.

Part of my report is to sound a note of concern regarding association finances. Looking back over annual minutes for the past 10 years, figures show that we increased our giving through the association each year until last year when we saw the totals decrease. At this point, we are headed for yet another decrease for this year. Please be in urgent prayer as your church determines how it will support missions. It is my conviction that our association does not need to "retreat" but rather "charge forward" for the cause of Christ!

Challenging days are upon us. With Paul, we can say: "...a great and effective door has opened to (us), and there are many adversaries." (I Corinthians 16:9) Praise God that we are more than conquerors, able to boldly march through this door of ministry as we lift up our Lord and Savior Jesus Christ.

In Christ,
Ken Boaz
